DETAILS OF THE OFFERING

Description of Preferred Shares Series 13 as a Series

The following is a summary of certain provisions attaching to the Preferred Shares Series 13, as a series.

Issue Price

The Preferred Shares Series 13 will have an issue price of \$25.00 per share.

Dividends

The holders of the Preferred Shares Series 13 will be entitled to receive a quarterly non-cumulative preferential cash dividend, on the 25th day of February, May, August and November in each year or, if such day is not a business day, the next business day, as and when declared by the board of directors of the Bank

(the “Board of Directors”), at a quarterly rate equal to \$0.28125 per share. The first of such dividends, if declared, shall be payable on May 25, 2007 and shall be \$0.39452 per share, based on the anticipated closing date of January 17, 2007.

If the Board of Directors does not declare the dividends, or any part thereof, on the Preferred Shares Series 13 on or before the dividend payment date for a particular quarter, then the entitlement of the holders of the Preferred Shares Series 13 to receive such dividends, or to any part thereof, for such quarter shall be forever extinguished.

The Bank is restricted from paying dividends on the Preferred Shares Series 13 in certain circumstances. See “Bank Act Restrictions and Approvals” and “Additional Restrictions on Declaration of Dividends” in the Prospectus and “Restrictions on Dividends and Retirement of Shares” below.

Redemption

The Preferred Shares Series 13 will not be redeemable prior to February 25, 2012. On and after February 25, 2012, but subject to the provisions of the Bank Act, including, if required, the consent of the Superintendent as described in the Prospectus under “Bank Act Restrictions and Approvals”, and to the provisions described below under “Restrictions on Dividends and Retirement of Shares”, the Bank may redeem at any time all, or from time to time any part, of the outstanding Preferred Shares Series 13, at the Bank’s option without the consent of the holder, by the payment of an amount in cash for each such share so redeemed equal to: (i) \$26.00 per share if redeemed prior to February 25, 2013; (ii) \$25.75 per share if redeemed on or after February 25, 2013 and prior to February 25, 2014; (iii) \$25.50 per share if redeemed on or after February 25, 2014 and prior to February 25, 2015; (iv) \$25.25 per share if redeemed on or after February 25, 2015 and prior to February 25, 2016; or (v) \$25.00 per share if redeemed on or after February 25, 2016, plus, in each case, all declared and unpaid dividends up to but excluding the date fixed for redemption.

Written notice of any redemption will be given by the Bank at least 30 and not more than 60 days prior to the date fixed for redemption. If less than all the outstanding Preferred Shares Series 13 are at any time to be redeemed, the shares to be redeemed will be selected by lot or *pro rata* disregarding fractions or in such other manner as the Bank may determine.

Conversion into Another Series of Preferred Shares at the Option of the Holder

The Bank may, by resolution of the Board of Directors, constitute a further series of Class B Preferred Shares (the “New Preferred Shares”) having rights, privileges, restrictions and conditions attaching thereto which would qualify such New Preferred Shares as risk-based Tier 1 Capital or equivalent of the Bank under the then current capital adequacy guidelines prescribed by the Superintendent. In such event, the Bank may, with the consent of the Superintendent, give holders of the Preferred Shares Series 13 written notice that they have the right, pursuant to the terms of the Preferred Shares Series 13, at their option, to convert their Preferred Shares Series 13 on the date specified in the notice into fully-paid New Preferred Shares on a share for share basis. Notice shall be given by the Bank in writing at least 30 and not more than 60 days prior to such conversion date.

Upon exercise by the holder of a right to convert Preferred Shares Series 13 into New Preferred Shares, the Bank reserves the right not to issue New Preferred Shares to any person whose address is in, or whom the Bank or its transfer agent has reason to believe is a resident of, any jurisdiction outside Canada, to the extent that such issue would require the Bank to take any action to comply with the securities, banking or analogous laws of such jurisdiction. See “Restrictions on Bank Shares under the Bank Act” in the Prospectus.

Purchase for Cancellation

Subject to the provisions of the Bank Act, the provisions described below under “Restrictions on Dividends and Retirement of Shares” and to the consent of the Superintendent, the Bank may at any time, by private contract or in the market or by tender, purchase for cancellation any Preferred Share Series 13 at the lowest price or prices at which in the opinion of the Board of Directors such shares are obtainable.

Presentation for Conversion, Redemption or Sale

A conversion, redemption or sale to the Bank of Preferred Shares Series 13 will be effected by the holder transferring such holder's Preferred Shares Series 13 to be converted, redeemed or sold, as the case may be, to the account of the Bank in CDS (or, in the event that the Preferred Shares Series 13 are not then issued in book-entry only form, by depositing with the transfer agent for the Preferred Shares Series 13, at one of its principal offices, certificates representing such Preferred Shares Series 13).

Rights on Liquidation

In the event of the liquidation, dissolution or winding-up of the Bank, the holders of the Preferred Shares Series 13 shall be entitled to receive \$25.00 per share, together with the amount of declared and unpaid dividends to the date of payment, before any amount shall be paid or any assets of the Bank distributed to the holders of the common shares of the Bank (the "Bank Common Shares") or any other shares ranking junior to the Preferred Shares Series 13. The holders of the Preferred Shares Series 13 shall not be entitled to share in any further distribution of the property or assets of the Bank.

Restrictions on Dividends and Retirement of Shares

So long as any of the Preferred Shares Series 13 are outstanding, the Bank will not, without the approval of the holders of the Preferred Shares Series 13 given as specified below:

- (a) declare any dividend on the Bank Common Shares or any other shares ranking junior to the Preferred Shares Series 13 (other than stock dividends on shares ranking junior to the Preferred Shares Series 13); or
- (b) redeem, purchase or otherwise retire any Bank Common Shares or any other shares ranking junior to the Preferred Shares Series 13 (except out of the net cash proceeds of a substantially concurrent issue of shares ranking junior to the Preferred Shares Series 13); or
- (c) redeem, purchase or otherwise retire: (i) less than all the Preferred Shares Series 13; or (ii) except pursuant to any purchase obligation, sinking fund, retraction privilege or mandatory redemption provisions attaching to any series of preferred shares of the Bank, any other shares ranking on a parity with the Preferred Shares Series 13;

unless, in each case, all dividends up to and including those payable on the dividend payment date for the last completed period for which dividends shall be payable, shall have been declared and paid or set apart for payment in respect of each series of cumulative preferred shares of the Bank (the "Preferred Shares") then issued and outstanding and ranking prior to or on a parity with the Preferred Shares Series 13 and on all other cumulative shares ranking on a parity with the Preferred Shares and there shall have been paid or set apart for payment all declared dividends in respect of each series of non-cumulative preferred shares of the Bank (including the Preferred Shares Series 13) then issued and outstanding and on all other non-cumulative shares ranking on a parity with the Preferred Shares and in respect of which the rights of holders thereof have not been extinguished, and all dividends then accrued on all other shares ranking prior to or on a parity with the Preferred Shares Series 13, have been declared and paid or set apart for payment.

Issue of Additional Series of Preferred Shares

Subject to the restrictions described in the Prospectus under "Description of Preferred Shares — Certain Provisions of the Class B Preferred Shares as a Class — Creation and Issue of Shares", the Bank may issue other series of preferred shares ranking on a parity with the Preferred Shares Series 13 without the authorization of the holders of the Preferred Shares Series 13.

Shareholder Approvals

The approval of any amendments to the rights, privileges, restrictions and conditions attaching to the Preferred Shares Series 13 may be given by a resolution carried by the affirmative vote of not less than 66⅔% of the votes cast at a meeting of holders of Preferred Shares Series 13 at which a majority of the outstanding

Preferred Shares Series 13 is represented or, if no quorum is present at the meeting, at a meeting following such adjourned meeting at which no quorum would apply.

In addition to the aforementioned approval, any amendments to the rights, privileges, restrictions and conditions attaching to the Preferred Shares Series 13 that affects the classification afforded to the Preferred Shares Series 13 from time to time for capital adequacy requirements pursuant to the Bank Act and the regulations and guidelines thereunder can only be made with the consent of the Superintendent.

Voting Rights

Subject to the provisions of the Bank Act, the holders of the Preferred Shares Series 13 as such will not be entitled to receive notice of or to attend or to vote at any meeting of the shareholders of the Bank unless and until the first time at which the Board of Directors has not declared the whole dividend on the Preferred Shares Series 13 in any quarterly period. In that event, the holders of the Preferred Shares Series 13 will be entitled to receive notice of, and to attend, all meetings of shareholders at which directors are to be elected and will be entitled to one vote for each share held. The voting rights of the holders of the Preferred Shares Series 13 shall forthwith cease upon payment by the Bank of the first dividend on the Preferred Shares Series 13 to which the holders are entitled subsequent to the time such voting rights first arose. At such time as the Board of Directors may again fail to declare the whole dividend on the Preferred Shares Series 13 for any quarterly period, such voting rights shall become effective again and so on from time to time.

Book-Entry Only Issue

Except in limited circumstances, the Preferred Shares Series 13 will be issued in “book-entry only” form and must be purchased, held and transferred through participants in the depository service of CDS. See “Book-Entry Only Securities” in the Prospectus.

Note:

(1) As at October 31, 2006, there were no Class A Preferred Shares outstanding.

CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

In the opinion of Osler, Hoskin & Harcourt LLP and Torys LLP, the following is a summary of the principal Canadian federal income tax considerations generally applicable to a purchaser who acquires Preferred Shares Series 13 pursuant to this prospectus and who, for purposes of the *Income Tax Act* (Canada) (the "Act") and at all relevant times, is or is deemed to be resident in Canada, deals at arm's length and is not affiliated with the Bank and holds the Preferred Shares Series 13 as capital property. Generally, the Preferred Shares Series 13 will be capital property to a holder provided the holder does not acquire or hold those Preferred Shares Series 13 in the course of carrying on a business or as part of an adventure or concern in the nature of trade. Certain holders, whose Preferred Shares Series 13 might not otherwise be capital property, may, in certain circumstances, be entitled to have the Preferred Shares Series 13 and all other "Canadian securities", as defined in the Act, owned by such holder in the taxation year in which the election is made, and in all subsequent taxation years, deemed to be capital property by making the irrevocable election permitted by subsection 39(4) of the Act. This summary is not applicable to a purchaser an interest in which is a "tax shelter investment" as defined in the Act or that is a "financial institution" as defined in the Act for purposes of certain rules applicable to securities held by financial institutions (referred to as the "mark-to-market" rules). Such purchasers should consult their own tax advisors. Furthermore, this summary is not applicable to a purchaser that is a "specified financial institution" (as defined in the Act) that receives or is deemed to receive, alone or together with persons with whom it does not deal at arm's length, in the aggregate dividends in respect of more than 10% of the Preferred Shares Series 13 outstanding at the time the dividend is received. This summary also assumes that all issued and outstanding Preferred Shares Series 13 are listed on a prescribed stock exchange in Canada (as defined in the Act) at such times as dividends (including deemed dividends) are paid or received on such shares.

This summary is based upon the current provisions of the Act, the regulations thereunder (the "Regulations"), and counsel's understanding of the current administrative and assessing practices and policies of the Canada Revenue Agency published in writing prior to the date hereof. This summary takes into account all specific proposals to amend the Act and the Regulations publicly announced by or on behalf of the Minister of Finance (Canada) prior to the date hereof (the "Proposed Amendments") and, except as otherwise noted, assumes that all Proposed Amendments will be enacted in the form proposed. However, no assurances

can be given that the Proposed Amendments will be enacted as proposed, or at all. This summary does not otherwise take into account any changes in law or administrative or assessing practice, whether by legislative, governmental, administrative or judicial decision or action, nor does it take into account or consider any provincial, territorial or foreign income tax considerations.

This summary is of a general nature only and is not intended to be, nor should it be construed as, legal or tax advice to any particular purchaser. This summary is not exhaustive of all Canadian federal income tax considerations. Accordingly, prospective purchasers are urged to consult their own tax advisors with respect to their particular circumstances.

Dividends

Dividends (including deemed dividends) received on the Preferred Shares Series 13 by an individual (other than certain trusts) will be included in the individual's income and will be subject to the gross up and dividend tax credit rules normally applicable to taxable dividends received from taxable Canadian corporations. Draft legislation released on October 16, 2006 provides for an enhanced dividend tax credit in respect of "eligible dividends" paid after 2005. No assurance can be given that such draft legislation will be enacted. Dividends (including deemed dividends) on the Preferred Shares Series 13 received by a corporation will be included in computing income and will generally be deductible in computing the taxable income of the corporation.

The Preferred Shares Series 13 will be "taxable preferred shares" as defined in the Act. The terms of the Preferred Shares Series 13 require the Bank to make the necessary election under Part VI.1 of the Act so that corporate shareholders will not be subject to tax under Part IV.1 of the Act on dividends paid (or deemed to be paid) by the Bank on the Preferred Shares Series 13.

A "private corporation", as defined in the Act, or any other corporation controlled (whether by reason of a beneficial interest in one or more trusts or otherwise) by or for the benefit of an individual (other than a trust) or a related group of individuals (other than trusts), will generally be liable to pay a 33⅓% refundable tax under Part IV of the Act on dividends received (or deemed to be received) on the Preferred Shares Series 13 to the extent such dividends are deductible in computing its taxable income for the year.

Dispositions

Generally, on a disposition of a Preferred Share Series 13 (which includes the redemption of the shares for cash but not a conversion), the holder will realize a capital gain (or sustain a capital loss) to the extent that the proceeds of disposition, net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base of such share to the holder thereof immediately before the disposition or deemed disposition. The amount of any deemed dividend arising on the redemption, acquisition or cancellation by the Bank of a Preferred Share Series 13 will generally not be included in a holder's proceeds of disposition for purposes of computing the capital gain or loss arising on the disposition of such share (see "Redemption" below).

If the shareholder is a corporation, the amount of any capital loss may in certain circumstances be reduced by the amount of any dividends, including deemed dividends, which have been received on such shares to the extent and in the manner provided for in the Act. Similar rules may apply where a Preferred Share Series 13 is owned by a partnership or trust of which a corporation, trust or partnership is a member or beneficiary. Such holders should consult their own advisors.

Generally, one-half of any capital gain will be included in computing the holder's income as a taxable capital gain and one-half of any capital loss will be deducted from the holder's net taxable capital gains. Any excess of allowable capital losses over taxable capital gains of the holder may be carried back up to three years and forward indefinitely and deducted against net taxable capital gains of the holder in those other years in accordance with the detailed rules in the Act.

Canadian-controlled private corporations may be liable to pay an additional refundable tax of 6⅔% on their "aggregate investment income" (which is defined in the Act to include an amount in respect of taxable capital gains, but not dividends or deemed dividends that are deductible in computing taxable income).

Redemption

If the Bank redeems for cash or otherwise acquires a Preferred Share Series 13 (other than on a conversion or by a purchase in the manner in which shares are normally purchased by a member of the public in the open market), the holder will be deemed to have received a dividend equal to the amount, if any, paid by the Bank in excess of the paid-up capital of such share at such time. Generally, the difference between the amount paid by the Bank and the amount of the deemed dividend will be treated as proceeds of disposition for the purposes of computing the capital gain or capital loss arising on the disposition of such share (see “Dispositions” above). In the case of a corporate shareholder, it is possible that in certain circumstances all or part of the amount so deemed to be a dividend may be treated as proceeds of disposition and not as a dividend.

Conversion

The conversion of a Preferred Share Series 13 into a New Preferred Share will be deemed not to be a disposition of property and accordingly will not give rise to any capital gain or capital loss. The cost to a holder of a New Preferred Share received on the conversion will be deemed to be equal to the holder’s adjusted cost base of the Preferred Share Series 13 immediately before the conversion.

RATINGS

The Preferred Shares Series 13 are provisionally rated “Pfd-1” by Dominion Bond Rating Service Limited (“DBRS”). “Pfd-1” is in the highest category available from DBRS for preferred shares.

The Preferred Shares Series 13 are provisionally rated “P-1 (low)” and “A” by Standard & Poor’s Ratings Services, a division of The McGraw-Hill Companies Inc. (“S&P”), using S&P’s Canadian scale for preferred shares and S&P’s global scale for preferred shares, respectively. The “P-1” rating is in the highest of the eight categories used by S&P on its Canadian preferred share scale. A reference to “high” or “low” reflects the relative strength within the rating category. The “A” rating is in the second highest of the nine categories used by S&P on its global preferred share scale.

The Preferred Shares Series 13 are provisionally rated “A2” by Moody’s Canada Inc. Securities rated “A” are considered upper-medium grade and subject to low credit risk. The modifier “2” indicates that the obligation ranks in the middle of the “A” rating category.

Prospective purchasers of Preferred Shares Series 13 should consult the relevant rating organization with respect to the interpretation and implications of the foregoing provisional ratings. PLAN OF DISTRIBUTION

Pursuant to an underwriting agreement dated January 9, 2007 between the Bank and the Underwriters (the “Underwriting Agreement”), the Bank has agreed to sell and the Underwriters have severally agreed to purchase on January 17, 2007, or such date as may be agreed upon, but not later than January 24, 2007, subject to the terms and conditions stated in the Underwriting Agreement, all but not less than all of the Preferred Shares Series 13 at a price of \$25.00 per share, payable in cash to the Bank against delivery of such Preferred Shares Series 13. The Underwriting Agreement provides that the Underwriters will be paid a fee per share equal to \$0.25 for each share sold to institutions and \$0.75 for all other shares sold.

The obligations of the Underwriters under the Underwriting Agreement may be terminated at their discretion on the basis of their assessment of the state of the financial markets and may also be terminated upon the occurrence of certain stated events. The Underwriters are, however, obligated to take up and pay for all of the Preferred Shares Series 13 if any are purchased under the Underwriting Agreement.

The Preferred Shares Series 13 have not been, and will not be, registered under the *United States Securities Act of 1933, as amended*, and, subject to certain exceptions, may not be offered, sold or delivered, directly or indirectly, in the United States of America.

Pursuant to policy statements of certain securities regulators, the Underwriters may not, throughout the period of distribution, bid for or purchase any Preferred Shares Series 13. The policy statements allow certain exceptions to the foregoing prohibitions. The Underwriters may only avail themselves of such exceptions on the condition that the bid or purchase not be engaged in for the purpose of creating actual or apparent active trading in, or raising the price of, the Preferred Shares Series 13. These exceptions include a bid or purchase permitted under the Universal Market Integrity Rules for Canadian Marketplaces of Market Regulation Services Inc., relating to market stabilization and passive market making activities and a bid or purchase made for and on behalf of a customer where the order was not solicited during the period of distribution. Subject to the foregoing, in connection with this offering, the Underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Preferred Shares Series 13 at levels other than those which otherwise might prevail on the open market. Such transactions, if commenced, may be discontinued at any time.

Pursuant to an Ontario securities rule, the Underwriters may not, beginning two days prior to the date that the offering price was determined and throughout the period of distribution of the Preferred Shares Series 13, bid for or purchase Preferred Shares Series 13. The foregoing restriction is subject to certain exceptions. These exceptions include a bid or purchase permitted under the by-laws and rules of the TSX relating to market stabilization and passive market-making activities, provided that the bid or purchase does not exceed the lesser of the offering price and the last independent sale price at the time of the entry of the bid or order to purchase, and a bid or purchase made for and on behalf of a customer where the order was not solicited during the period of distribution, provided that the bid or purchase not be engaged in for the purpose of creating actual or apparent active trading in, or raising the price of, the Preferred Shares Series 13. Pursuant to the first mentioned exception, in connection with this offering, the Underwriters may over-allot or effect transactions that stabilize or maintain the market price of the Preferred Shares Series 13 at levels other than those which might otherwise prevail on the open market. Such transactions, if commenced, may be discontinued at any time.

The TSX has conditionally approved the listing of the Preferred Shares Series 13 subject to the Bank fulfilling all of the requirements of the TSX on or before April 3, 2007.
