BMO Financial Group was established in 1817. Headquartered in Canada, we serve 12 million personal, commercial, corporate and institutional customers in North America and internationally.

BMO Student Internship Program: a formal summer program designed for postsecondary students who are interested in a career in Financial Services. This program is designed to provide students with a dynamic working environment as well as networking and career growth opportunities. To be eligible you must be returning to school in September.

Program Design:

- This program provides students with a full day orientation, learning seminars across all business groups, participation in centrally managed events, career workshops, mentorship opportunities and networking sessions
 - Development workshops and information sessions provides you with career development advice from experts and senior professionals from across the organization
 - Mentorship program which allows you to gain insight from and ask advice of a full-time BMO employee
 - Networking opportunities connect you with other students and BMO employees from all areas of our company
- Students who successfully complete the internship program have the opportunity to be re-hired the following summer or for full-time roles upon graduation

What we have to offer:

- Develop your knowledge of the organization, lines of business and the wide variety of products and services offered at BMO Financial Group
- Gain valuable work experience in a collaborative, supportive environment
- Roles are available in:

Private Banking Personal and Commercial Banking Capital Markets	Corporate Areas Technology and operations
