# BMO Guaranteed Investment Funds

With today's market uncertainty and volatile interest rates, many Canadians are concerned about keeping their retirement savings on track. Of course higher potential returns are what everyone is looking for. But are you prepared to contend with the ups and downs of the market?

If protection of your investment is essential, BMO Guaranteed Investment Funds from BMO Insurance offer a choice of three different guarantee options and flexibility that can provide:

- Guarantees that protect up to 100% of your investment
- Automatic monthly locking-in of market gains to potentially increase the guaranteed amount you would receive at the "maturity date" or in the event of your death
- A range of fund choices available based on your personal need and designed by one of Canada's leading investment managers
- The strength and stability of BMO Financial Group, one of Canada's premiere financial institutions

## **BMO Insurance has drawn on the strength and expertise of the BMO Financial Group.**

Working closely with our portfolio manager, BMO Asset Management Inc., BMO GIFs offer investors broad investment exposure to North American, global and emerging markets, and greater choice in actively managed ETF Portfolios or distinctive ETF-based GIFs. BMO GIFs also provide a full suite of non-registered and registered savings and retirement income plans, including TFSA, to meet your personal needs.
