Upon receipt of locked-in pension assets pursuant to the *Pension Benefits Act, 1997* (Newfoundland & Labrador), and in accordance with your instructions to transfer the assets to a Newfoundland & Labrador locked-in retirement income fund, you and we agree that this Endorsement is incorporated in and made a part of the Contract. The Contract consists of the Policy Provisions, the application, the RIF Endorsement in the Policy Provisions, this Endorsement and any written amendments thereto. If there is a conflict between this Endorsement and the Policy Provisions of the Contract, this Endorsement overrides any Policy Provisions that are inconsistent with it.

1. **Pension Legislation.** For the purposes of this Endorsement, the word “Act” means the *Pension Benefits Act, 1997* (Newfoundland & Labrador), the word “Regulation” means the *Pension Benefits Act Regulations* made under the Act and the word “Directive” means a directive issued by the Superintendent of Pensions under the Act, as changed or replaced from time to time.
2. **Definitions.** In this Endorsement, unless otherwise defined herein, capitalized words shall have the same meaning as in the Policy Provisions for the Contract. Please remember that in this Endorsement, “you” and “your” refer to the Policyowner of the Contract and “we”, “us”, “our” and “BMO Insurance” refer to BMO Life Assurance Company. The terms “fiscal year”, “former member”, “life annuity contract”, “life income fund”, “LRIF”, “locked-in retirement account”, “locked-in retirement income fund”, “member”, “pension benefit”, “pension plan” and “Superintendent” have the same meaning as under the Act, the Regulation and Directive No. 17. In the event of a conflict between a term as defined in Directive No. 17 and a term as defined in the Act or the Regulation, the definition in Directive No. 17 will prevail. “Locked-In Assets” means any property, including the income thereon, the proceeds thereof, and cash, held under the Contract from time to time.
3. **Spouse, Cohabiting Partner and Principal Beneficiary.** The word “spouse” means a person who:
  - (a) is married to the member or former member,
  - (b) is married to the member or former member by a marriage that is voidable and has not been voided by a judgment of nullity, or
  - (c) has gone through a form of a marriage with the member or former member, in good faith, that is void and is cohabiting or has cohabited with the member or former member within the preceding year.

The word “cohabiting partner” means:

- (a) in relation to a member or former member who has a spouse, a person who is not the spouse of the member or former member who has cohabited continuously with the member or former member in a conjugal relationship for not less than 3 years, or
- (b) in relation to a member or former member who does not have a spouse, a person who has cohabited continuously with the member or former member in a conjugal relationship for not less than one year, and is cohabiting or has cohabited with the member or former member within the preceding year.

The word “principal beneficiary” means the spouse of a member or former member, or where the member or former member has a cohabiting partner, the member or former member’s cohabiting partner.

Notwithstanding anything to the contrary contained in the Contract, for the purposes of any provision of the *Income Tax Act* (Canada) respecting registered retirement income funds, “spouse”, “cohabiting partner” and “principal beneficiary” do not include any person who is not recognized as a spouse or common-law partner under the *Income Tax Act* (Canada).

4. **Purchase of the Contract.** Pursuant to this Endorsement, a Contract may be purchased with respect to an entitlement to a pension under a pension plan by:

- (a) a member or former member of the pension plan who has obtained the written consent of his or her principal beneficiary, if any; or

- (a) to another locked-in retirement income fund;
  - (b) to a life income fund;
  - (c) to purchase an immediate life annuity that meets the requirements of the Superintendent; or
  - (d) before December 31st of the year in which you reach 71 years of age, to a locked-in retirement account.

We agree to make a transfer pursuant to this section 5 of the Endorsement within thirty days after you request it.

6. **Fiscal Year of Contract.** The fiscal year of the Contract ends on the 31<sup>st</sup> day of December and must not exceed 12 months.
7. **Payment Out of the Contract.** Payment out of the Contract must not begin before the earlier of age 55 or the earliest date on which you could receive a pension benefit under the Act or the originating pension plan from which the Locked-In Assets were transferred. Payment must not begin later than the last day of the second fiscal year.
8. **Amount Paid Out of Contract.** You must decide the amount to be paid out of the Contract each year, either at the beginning of the fiscal year or at another time agreed to by you and us. The decision expires at the end of the fiscal year to which it relates. If you do not decide the amount to be paid out of the Contract for a year, the minimum amount determined under section 13 of this Endorsement shall be deemed to be the amount paid.
9. **Amount of Annual Income.** The amount of income paid out of the Contract during a fiscal year must not exceed "maximum", being the greatest of:
- (a) the income, gains and losses earned from the time the Contract was established to the end of the most recently completed fiscal year and, with respect to any Locked-In Assets that are derived directly from money transferred from a life income fund, the income, gains and losses earned in the final complete fiscal year of the life income fund under the life income fund, less the sum of all income paid to you from the Contract;
  - (b) the income, gains and losses earned in the immediately previous fiscal year; and
  - (c) if the payment is being made in the fiscal year in which the Contract was established or in the fiscal year immediately following its establishment, 6% of the fair market value of the Contract at the beginning of the fiscal year.
10. **Additional Temporary Income.** Subject to section 11 of this Endorsement, you are entitled to receive additional temporary income where:
- (a) the total pension income received by you for the calendar year in which the application is made, calculated as "B" under section 11 of this Endorsement, is less than 40% of the year's maximum pensionable earnings under the Canada Pension Plan for the calendar year in which the application is made; and
  - (b) you have not reached your 65<sup>th</sup> birthday at the beginning of the fiscal year in which you make application for additional temporary income.

11. **Amount of Additional Temporary Income.** The amount of the additional temporary income paid out of the Contract in a fiscal year must not exceed the "maximum" in the following formula:

$$\text{Maximum Temporary Income} = A - B$$

in which

A = 40% of the year's maximum pensionable earnings under the Canada Pension Plan for the calendar year in which an application is made; and

- B = the total pension income to be received by you from all life income funds, locked-in retirement income funds, life annuities and pension plans governed by Newfoundland pension benefits legislation or established by or governed by an Act of Canada or a Province, except income from a pension under the Canada Pension Plan.
12. **Application for Additional Temporary Income.** An application for additional temporary income under section 10 of this Endorsement shall be:
    - (a) on a form approved by the Superintendent;
    - (b) if you are a former member of a pension plan, accompanied by the written consent of your principal beneficiary; and
    - (c) submitted to us at the beginning of the fiscal year of the Contract, unless otherwise permitted by us.
  13. **Minimum Income.** The amount of income paid out of the Contract during a fiscal year must not be less than the minimum amount prescribed for registered retirement income funds under the *Income Tax Act* (Canada).
  14. **Maximum Amount for Initial Year of Contract.** For the initial year of the Contract, the "maximum" in sections 9 and 11 of this Endorsement shall be adjusted in proportion to the number of months in that fiscal year divided by 12, with any part of an incomplete month counting as one month.
  15. **Maximum Where Assets Transferred from Another LIF or LRIF.** If a part of the Contract purchased at the beginning of a fiscal year corresponds to sums transferred directly or indirectly during the same year from another life income fund or locked-in retirement income fund of yours, the "maximum" in sections 9 and 11 of this Endorsement shall be deemed to be zero.
  16. **Withdrawal Where Shortened Life Expectancy.** You may withdraw Locked-In Assets as a lump sum or series of payments if a medical practitioner certifies that due to mental or physical disability your life expectancy is likely to be shortened considerably. If you are a former member of a pension plan, such payment may only be made if your principal beneficiary has waived the joint and survivor pension entitlement in a form and manner provided by the Superintendent.
  17. **Withdrawal Where Small Amount.** You may withdraw all of the Locked-In Assets as a lump sum on application by you to us for payment if, at the time you sign the application:
    - (a) you have reached the earlier of age 55 or the earliest date on which you would have been entitled to receive a pension benefit under the pension plan from which assets were transferred; and
    - (b) the value of all assets in all life income funds, locked-in retirement income funds and locked-in retirement accounts owned by you and governed by Newfoundland pension benefits legislation is less than 40% of the year's maximum pensionable earnings under the Canada Pension Plan for that calendar year.

An application under this section 17 of the Endorsement shall be on a form approved by the Superintendent and, if you are a former member of a pension plan, accompanied by a waiver of the principal beneficiary to joint and survivor pension entitlement, in the form and manner required by the Superintendent.
  18. **Death of the Policyowner.** On your death:
    - (a) if you are a former member who has a principal beneficiary, the surviving principal beneficiary;

    - (c) where there is no designated Beneficiary, your estate

is entitled to receive a lump sum payment of the Death Benefit under the Contract.

If you are not a former member, the Death Benefit payable under the Contract shall be paid to the designated Beneficiary or Beneficiaries or, where there is no Beneficiary, to your estate.
  19. **No Assignment etc.** You agree not to assign, charge, anticipate or give as security the Locked-In Assets in the Contract.
  20. **Information to be Provided.** At the beginning of each fiscal year, the following information shall be provided to you:

- (a) the sums deposited, the accumulated earnings, the payments made out of the Contract and the fees charged against the Contract during the previous fiscal year;
- (b) the balance in the Contract;
- (c) the minimum amount that must be paid out of the Contract to you during the current fiscal year; and
- (d) the maximum amount that may be paid out of the Contract to you during the current fiscal year.

If the balance of the Locked-In Assets is transferred as described in section 5 of this Endorsement, the information described in subsections (a) to (d) shall be provided to you determined as of the date of the transfer. If you die before the balance of the Locked-in Assets is used to purchase an immediate life annuity, the information described in clauses (a) to (d) shall be provided to the person entitled to receive the Death Benefit determined as of the date of your death.

21. **Valuation.** The value of the Locked-In Assets will be the Market Value of the Contract, as defined in the Policy Provisions of the Contract. Upon your death, the value of the Death Benefit shall be determined as of the Death Benefit Date. Upon the establishment of a life annuity, the value of the Locked-In Assets shall be determined as of the date of establishment. Upon the transfer of Locked-In Assets from the Contract in accordance with section 5 of this Endorsement, the value of the Locked-In Assets shall be determined as of the date of the transfer.

22. **Amendment.** Subject to the balance of this section 22 of the Endorsement, we shall not amend the Contract except where we have given you at least ninety days' notice of a proposed amendment.

An amendment that would result in a reduction of your benefits under the Contract is permitted only where:

- (a) we are required by law to make the amendment; and
- (b) you are entitled to transfer the Locked-In Assets under the terms of the Contract that existed before the amendment is made.

When making an amendment under the immediately preceding paragraph of this section 22 of the Endorsement, we shall notify you of the nature of the amendment and allow you at least ninety days after the notice is given to transfer all or part of the balance in the Contract.

Notice under this section 22 shall be sent by registered mail to your address as set out in our records.

24. **Investments.** The Locked-In Assets shall be invested and re-invested on your direction as provided in the Policy Provisions of the Contract.
