If Canadian Premier does not approve your claim, you have **90** days from the date of Canadian Premier's original claim decision to file an appeal. Your appeal must be in writing and you must include new information that is pertinent to your claim.

Quebec residents may consult the Autorité des marchés financiers or an independent legal advisor for assistance with their appeal.

WHAT EXCLUSIONS AND LIMITATIONS APPLY TO THIS INSURANCE?

As long as premiums are paid, Canadian Premier will only void coverage if Canadian Premier discovers that you made a misrepresentation or false declaration on your application for insurance, medical underwriting interview (if applicable), or in connection with an insurance claim.

For a full list of exclusions and limitations, please see the “WHAT ARE THE IMPORTANT DETAILS OF THE COVERAGE (INCLUDING LIMITATIONS AND EXCLUSIONS)?” and “WHAT WILL CANADIAN PREMIER PAY IF MY CLAIM IS APPROVED, FOR EACH TYPE OF COVERAGE?” sections of the Certificate. **The following are the most common reasons why Canadian Premier will not pay an insurance claim:**

Life benefit exclusions

- Where coverage has been in force for less than **24** months, no benefit will be payable if your death results directly or indirectly from suicide, whether you are aware or not aware of the results of your action, regardless of your state of mind.
- Your death results directly or indirectly from your operation of a motorized vehicle or vessel while you are under the influence of, or impaired by drugs or substances, or while your blood alcohol concentration is at least **80** milligrams of alcohol in **100** millilitres of blood (**0.08**).

Critical Illness benefit exclusions

- Within **90** days of your coverage start date, you had signs, symptoms or investigations that led to the diagnosis of cancer.
- The cancer you were diagnosed with is not considered life-threatening.
- The changes shown in your electrocardiogram (ECG) suggest a prior myocardial infarction, and are not consistent with a recent heart attack.
- Your heart specialist used balloon angioplasty to remove the obstruction in your artery and not coronary artery bypass surgery.
- Your diagnosis was for transient ischaemic attack (TIA), not stroke.

Disability benefit exclusions

- Your **Disability** results directly or indirectly from your operation of a motorized vehicle or vessel while you are under the influence of, or impaired by drugs or substances, or while your blood alcohol concentration is at least **80** milligrams of alcohol in **100** millilitres of blood (**0.08**).
- You are not under the active and continuous care of a licensed physician.

Job Loss benefit exclusions

- Your job loss occurred within 90 days after your coverage start date.
- You are a **Seasonal worker** who is receiving Government of Canada Employment Insurance benefits because you were laid-off from seasonal work during your normal period of seasonal layoff.
- You left your job by choice.

Is there a pre-existing condition and when does it apply?

The limitation for **Pre-existing conditions** under the Plan will only be applied by Canadian Premier when:

- you are approved for **Life Insurance** or **Critical Illness Insurance** without answering the related health status question(s), and
- your claim occurs in the **12** months after the date you signed the insurance application for coverage, and
- your claim is due to a **Pre-existing condition**.

WHEN DOES INSURANCE END?

All of your insurance coverage will end on the **earliest** of the following dates:

- your revolving line of credit is written off or cancelled by BMO,
- the date your credit limit is increased or you consolidate your revolving line of credit,
- your **Premiums** have not been paid for more than **90** days,
- the date BMO receives your request to cancel all your coverage,
- the date of your death,
- Canadian Premier pays your **Life Insurance** or **Critical Illness Insurance** benefit under your revolving line of credit.

Life Insurance coverage will also end on the date you turn **70** years old,

Critical Illness Insurance coverage will also end on the **earliest** of the following dates:

- the date you no longer have **Life Insurance** coverage,
- the date you turn **70** years old.

Disability Insurance coverage will also end on the date you turn **70** years old. **Job Loss Insurance**

coverage will also end on the **earliest** of the following dates:

- the date you no longer have **Disability Insurance** coverage,
- the date you turn **60** years old.

WHAT HAPPENS IF A LIFE OR CRITICAL ILLNESS CLAIM IS PAID?

If Canadian Premier pays either a **Life Insurance** or **Critical Illness Insurance** benefit on an insured borrower's behalf, all of that borrower's insurance ends. If there are other insured co-borrowers, their coverage under the Plan remains in effect as long as the revolving line of credit remains in effect.

WHAT HAPPENS IF I INCREASE OR CONSOLIDATE MY REVOLVING LINE OF CREDIT AGREEMENT?

If you increase your credit limit or use your revolving line of credit to consolidate an existing insured revolving line of credit, insurance will end on the date your credit limit is increased or consolidated into your new revolving line of credit. If you want your new revolving line of credit to be insured under the Plan, you must complete a new insurance application.

If your new application is declined because of a health condition or you are over the eligible age to apply (but under the termination age), you may be eligible for recognition of prior coverage, which provides you with the same amount of coverage you had under the old revolving line of credit.

For more details about the impact on insurance when you increase or consolidate your revolving line of credit, see the “WHAT HAPPENS IF THE CREDIT LIMIT ON MY REVOLVING LOC IS INCREASED OR CONSOLIDATED?” section of the Certificate.

WHEN AND HOW CAN I CANCEL INSURANCE?

Coverage is optional and you can cancel at any time. To cancel this insurance:

After the **30**-day period allowed by Canadian Premier, there will be no refund of **Premiums**, except where **Premiums** may have been collected in error.
