Check your Order Status

1. Sign in to your [BMO InvestorLine](#) account.
2. From **Trading**, click **Order status**.

3. The **Order Status** screen shows all your open orders for Equities, Options, Fixed Income and Mutual Funds. You'll see whether your orders are submitted, pending approval, filled or partially filled, expired or cancelled.
4. Narrow down the list to see specific orders.

The screenshot shows filter options for Product, Status, Symbol, and Exchange. Product and Status are set to 'All'. Symbol is an empty text box. Exchange is set to 'All'.

Set up Order Fill Notifications

1. When signed in to your [BMO InvestorLine](#) account.
2. Go to **Account Services** and click **User ID profile**.

3. In **eServices** you'll find **Order fill notifications**.

4. Click **Edit** to select your notification preferences, then **Save Changes** to finish.
