Project Name	Renewable Solar Power Project by Mahindra Renewables Private Limited
Registry	Verra Registry
Registry ID	2059
Registry Link	https://registry.verra.org/app/projectDetail/VCS/2059
Applicable Vintage	2020
Project Description	The proposed project activity is a step towards supporting the implementation and installation of grid connected renewable solar energy power plants in India. The implementation of project activity ensures energy security, diversification of the grid generation mix and sustainable growth of the electricity generation sector in India. The main goal of project activity is to implement renewable energy projects in the country and the significant importance of revenues from sale of Verified Carbon Units (VCUs) to achieve this goal forms the basis of the implementation of this project activity. The project proponent for this Project activity is M/s Mahindra Renewables Private Limited. There are no mandatory laws or regulations existing in India requiring PP or any other party to develop a programme for renewable generation plants. PUBLIC COMMENT PERIOD: This project is open for public comment from 26 November – 26 December 2019.
