Insufficient Funds and Overdrafts

Your Account is overdrawn when there is a negative balance that occurs when we pay an Item that you do not have Sufficient Available Funds in your Account to pay when the Item is presented for payment. The Account balance that we use to determine if your Account is overdrawn includes all Items (including bank fees and service charges) that are posted to your Account on the same Business Day whether the Items are paid or returned. In the Agreement, refer to Section 2.B for information on how we determine whether you have Sufficient Available Funds and Section 2.C for information on when Items post to your Account.

At our discretion, we may pay or return the following Items that overdraw this Account: Checks, automatic bill payments and other transactions made using this Account number. We will decline ATM and everyday debit Card transactions that may overdraw this Account unless you select the Overdraft Program for ATM and Everyday Debit Card Transactions described below. When we return an Item unpaid because your Account does not have Sufficient Available Funds, we don't charge a fee. When we pay an Item and your Account does not have Sufficient Available Funds, an Overdraft Fee may be charged.

Overdraft Fee

\$20 per Item

(No more than three Overdraft Fees will be charged per Business Day)

You will be charged an Overdraft Fee for each Item we pay when your Account is overdrawn more than \$20 after all Items are posted to the Account. We will **not** charge you an Overdraft Fee if:

- The amount of the Item is **less than or equal to \$5**;
- Your Account is overdrawn by **\$20 or less at the close of the Business Day the Item is presented for payment**;
- Your Account is overdrawn by **\$20 or less at the close of the first Business Day after the Item is presented for payment**. Deposits may not be available immediately. Please see our Funds Availability Policy for Deposit Accounts in Section 8 of the Agreement for more information;
- Your Account has already been charged **three (3) Overdraft Fees** for the applicable Business Day;
- The Item is a bank fee we assess pursuant to the terms of the Agreement;
- We previously returned the Item unpaid;
- You had Sufficient Available Funds to pay the Item when the Item was authorized;
- The Item is an ATM or everyday debit Card transaction and you have not authorized us to pay these types of transactions.

Optional Overdraft Protection Services

These are optional services that may be less expensive than overdraft fees.

Overdraft Funding

Money is transferred automatically from your linked BMO savings, money market or other checking Account. Transfers are subject to funds availability and transfer limitations. You must speak with your BMO Banker to enroll in this service. For details visit bmo.com/overdraft.

In the event of an overdraft, your line of credit will be accessed automatically up to your available credit limit. You must apply and be approved for the Overdraft Protection Line of Credit. For details and fee information, visit bmo.com/overdraft.

Overdrafts for ATM and Everyday Debit Card Transactions

You're able to select how you would like BMO to handle everyday transactions involving your ATM or debit Card — including point-of-sale and ATM transactions — when you don't have Sufficient Available Funds in your Account. *Regardless of the option you choose for BMO to handle ATM and everyday debit Card transactions, you may still want to sign up for Overdraft Funding or apply for an Overdraft Protection Line of Credit. Learn more at bmo.com/overdraft.*

No overdraft coverage (Default)

\$0

If you do not opt-in, BMO will automatically decline any ATM and everyday debit Card transaction that would overdraw this Account. Because these transactions will be declined, no Overdraft Fee will apply to these transactions.
