"Cardholder" means the accountholder of an eligible credit card ("Account") issued by BMO Harris Bank N.A. ("Bank") except that for Accounts with more than one borrower, "Cardholder" means the Primary Cardholder and Co-Borrower, where applicable. "Cardholder" does not include Authorizer User(s). For purposes of these Rules, we may refer to the Bank as "we", "us" and "our" and the Cardholder as "you" and "your." Eligible cards include a BMO Harris Bank Platinum Rewards Mastercard®, a BMO Harris Bank Premium Rewards Mastercard®, a BMO Harris Premier Services Premium Rewards Mastercard®, or a BMO Wealth Management Premium Rewards Mastercard® (each a "Rewards Card") issued for personal and not business use. Points earned under the Program will be credited to the Account of the Cardholder. Only the Cardholder is permitted to authorize redemptions under the Program. By using or accepting an Account, you agree to these Rules and any changes, additions or deletions to them. Go to bmo.com/en-us/pdf/credit/rewardsconsumerpoints.pdf to view the most recent version of the Rules.

We issue and administer all Accounts. We manage the Program while third party service providers ("Third Party Service Providers") administer the Program. Fulfillment of all rewards is handled by Third Party Service Providers.

These Rules and Account transactions are also subject to other agreements you may have with us, including your Cardholder Agreement and other agreements governing the Account(s) referenced in the Cardholder Documents ("Governing Agreements"). As a reminder, your Cardholder Agreement contains a provision that addresses arbitration of any disputes regarding your account, including your participation in this Program. Also, your Governing Agreements control if anything in these Rules are inconsistent with the terms of the Governing Agreements.

The following are the general terms and conditions of the Program and are subject to change by the Bank at any time without notice. See the current reward offers at bmoharrisrewards.com for specific terms and conditions applicable to each reward.

General

1. We offer the Program at our sole discretion. We reserve the right to change these Rules and rewards and any fees associated with the Program at any time, for any reason and without notice, or may modify, suspend or end the Program, cancel outstanding points or change the redemption value of points or availability of rewards. We may reverse any points awarded to you in error, regardless of cause, and such a reversal may cause you to have negative points. If your Account is closed with a negative points balance, we may charge your Account for the value of those points. We assume no liability for any such changes.

2. We reserve the right to cancel your participation in the Program, close your Account and cause you to forfeit your points without notice in the event...
of fraud or abuse of the Program or Account, your violation of the Rules, or patterns suggesting improper use of the Program.

3. For the purpose of clarification, transactions that we determine in our own discretion are made for the purpose of abusing the Program are not eligible to earn points and we may reverse any points that were accrued as a result of fraud or abuse of the Program. For further clarification, abuse of the Program includes attempting to earn points not allowed under the Program or by making charges that are outside the scope of usual or customary credit card usage.

4. We reserve the right to suspend your participation in the Program, which may include the accrual of additional points and the redemption of points for a reward, if your Account is not in good standing. Good standing means that your Account is not canceled, past due or otherwise in default under the terms of any agreements you have with us, including these terms and conditions. Upon bringing your Account into good standing, your participation in the Program will be reinstated, but points previously forfeited or eliminated will not be reinstated.

5. You authorize us (which includes, for the purposes of this paragraph, our agents and representatives) to contact you using automatic telephone dialing systems, artificial or prerecorded voice message systems, email and text messaging systems in order to provide you with information regarding the Program and your Account, including information about missed payments, the suspected misuse of your Card, services or rewards received through the Program, or general servicing items. You authorize us to make such contacts using any telephone numbers (including wireless, landline and Voice over Internet Protocol numbers) you have supplied or will supply to us in connection with the Program or your Account or any other account you may have or will establish with us. You understand that anyone with access to your telephone may listen to or read the messages we leave or send you, and you agree that we will have no liability for anyone accessing such messages. You further understand that, when you receive a telephone call or text message, you may incur a charge from the company that provides you with telecommunications, wireless and/or data services, and you agree that we will have no liability for such charges. You expressly authorize us to monitor and record your calls with us. You agree that you are the owner and/or primary user of any telephone number or email address you provide to us and that you will notify us if this is no longer true as to any such telephone number or email address.

6. You are responsible for any tax liability related to participation in the Program or as a result of points earned or redeemed.

7. You may be responsible for payment of any departure taxes, customs fees, checked baggage fees, excess baggage charges, security taxes, passenger facility charges, air segment taxes or any other charges assessed by governmental entities or carriers as a result of travel redeemed from this Program, as well as any shipping, courier, fulfillment or certificate fees associated with rewards under the Program.

8. The Program is void where prohibited by law. We are not responsible for administering the Program or providing services under the Program.

9. We are not responsible for errors or omissions in any Program document. We are not liable to you or any recipient of services or rewards arising from, or related to, the services or rewards issued under the Program. Please consult directly with third-party booking, reservations and loyalty programs regarding your participation in those programs when you use your BMO Harris Rewards points. We are not responsible for the non-accrual of credit, award points, or other benefits concerning non-BMO Harris Rewards programs.

10. You and any recipient of services or rewards received through the Program hold us, our affiliates, and Third Party Service Providers harmless in connection with any injuries and damages of every kind and nature arising in connection with or as a result of claiming and redeeming points and with your receipt of and use of an reward. You waive and release any and all rights, demands, losses, liabilities, claims and causes of action whatsoever that you may now or hereafter
be entitled to assert, including, but not limited to, any death, injury, loss of enjoyment or other harm or loss of any nature whatsoever caused by, contributed to, or arising out of your participation in the Program. You further agree to hold us, our affiliates and Third Party Service Providers harmless if a reward vendor or provider files bankruptcy, or otherwise goes out of business, after you have redeemed your points for a reward from the vendor or provider but before you are able to receive or use the reward.

11. Neither us, our affiliates nor Third Party Service Providers are responsible for any other party’s performance in connection with delivering services to you under the Program. Each service provider may have its own terms and conditions for the services you request.

12. Capitalized terms used and not defined herein have the definitions provided in Governing Agreements

13. We reserve the right to interpret Rules and Program policies and will be the final authority on point credits and award qualifications.

**Earning Points**

1. **Base Earn:** You will earn one (1) base point for every one United States dollar ($1.00) in eligible purchases rounded to the nearest whole dollar (i.e., a $5.49 purchase would round down to $5.00 while a $5.50 purchase would round up to $6.00 prior to being scored) made on an eligible card. There is no cap on the amount of base points that can be earned.

2. **Bonus Earn:**
   - **Category Bonus Earn:**
     i. We may offer you opportunities to earn bonus points on certain categories of eligible purchases, such as gas and grocery purchases. The networks that process your transactions provide transaction category codes, and in turn, merchants determine which codes to use when you make a purchase from them.
     However, merchants may not use codes that identify certain transactions as eligible purchases. Further, not every purchase you make at certain merchants will qualify as an eligible purchase. For example, a purchase made other than fuel at a gas station may not be an eligible purchase. Because BMO does not control the categories merchants use to identify transactions, BMO cannot guarantee that each eligible purchase will accrue bonus points.
     ii. **BMO Harris Bank Platinum Rewards Mastercard®:** You will earn an additional one (1) bonus point for every one United States dollar ($1.00) in eligible gas and/or grocery purchases.

† $4,000 in purchases per category per calendar quarter, and 1x on all purchases after that.

Bonus points are only earned on the first $2,500 of net eligible dining, airfare and/or hotel purchases within a calendar quarter. After the $2,500 cap is met within a calendar quarter, you will continue to earn at the base rate in those categories until the next calendar quarter begins and the cap is reset.

• Anniversary Bonus Earn:
  i. BMO Harris Bank Platinum Rewards Mastercard®: You will earn an Anniversary bonus equal to ten percent (10%) of total net purchases made in the calendar year since the Account’s Anniversary date.
  ii. BMO Harris Bank Premium Rewards Mastercard® and BMO Harris Premier Services Premium Rewards Mastercard®: You will earn an Anniversary bonus equal to fifteen percent (15%) of total net purchases made in the calendar year since the Account’s Anniversary date.
  iii. Your Account must be open and in good standing at the time the Anniversary bonus is calculated in order to earn the Anniversary bonus. The Anniversary bonus will be applied to the Account 4 – 6 weeks after your Anniversary date. For purposes of these Rules, your “Anniversary” is the date that is twelve months after the Account’s enrollment date, and the same date each twelve months thereafter. Your Account is considered enrolled in the Rewards program effective on the date you open your eligible credit card, unless you change from a non-Rewards card to a Rewards card, where your enrollment date is the date of Product Change.

3. Net purchases are the dollar value of goods and services purchased on an Account minus any credits, returns or other adjustments as reflected on monthly billing statements.

4. All credits and/or returns will result in a debit of the same amount of points that were originally earned.

5. Negative points will post if your returns or credits exceed your purchases for the monthly billing period.

6. Eligible purchases generally include purchase transactions on your statement. However, transactions that are not eligible purchases for purposes of cash back calculation include but are not limited to: cash advances, balance transfers, cash
advances designated as purchases, which includes for clarity, purchases that can be converted to cash or cash equivalents, gift cards (including store gift cards), prepaid cards or cards that can be used for cash-like or quasi-cash transactions, person-to-person money transfers, traveler's checks, money orders, purchases of foreign currency, convenience checks, wire transfers, ATM withdrawals. Fees and card-related charges posted to an Account, including late payment fees, annual fees and interest charges as contained in the applicable Governing Agreements also are excluded from the calculation of eligible purchases. Additional transactions excluded from calculation of eligible purchases include: gaming-related transactions (including, without limitation, gambling chips, off-track wagers or lottery ticket transactions), tax payments, purchases of digital assets, and any unauthorized charges or transactions, and any airfare or hotel reservation booked directly through a third party booking service. For further clarification, transactions that we determine in our own discretion are made for the purpose of abusing the Program are not eligible to earn cash back and we may reverse any cash back that were accrued as a result of fraud or abuse of the Program or Account.

7. If the Account is closed for any reason, the Account will no longer be able to accrue points and all accrued points not redeemed for that Account will be available to redeem for 90 days as long as Account is closed in good standing.

8. Rewards Card points earned during a billing cycle are not available for redemption until they are posted on your monthly billing statement and transferred to your available points balance. You may access BMO Harris Rewards online by logging in at bmo.com/us then clicking “View & Redeem” from the Account details screen. Your available points balance is also available by calling the BMO Harris Rewards Redemption Center (“Redemption Center”).

9. If you have more than one type of Rewards Card specifically addressed by these Rules, points earned on each such Rewards Card may be combined. Points earned on other BMO rewards credit cards not addressed by these Rules cannot be combined with points earned from a Rewards Card. If you are the Cardholder of more than one Rewards Card covered by these Program Rules, you may call the Redemption Center to have your points pooled. All pooled accounts must be in good standing to continue to earn and redeem pooled points.

10. Points are not considered your property and cannot be transferred to any other Account, person or entity. Points have no cash value. If we learn of the death of the Cardholder on an Account without a co-borrower, we may automatically redeem any available points as a statement credit to the account that earned the points.

11. A request to change your current card type (“Current Card”) to a different card type (“Product Change Card”) without opening a new Account is a Product Change request. Product Change requests are subject to the terms and conditions provided with a Product Change request as well as any applicable Governing Agreements.

• Transferring Points:
  i. If both your Current Card and your Product Change Card are Rewards Cards that earn points (not the BMO Harris Bank Cash Back Mastercard®), the available points on your Current Card will transfer to your Product Change Card at a 1:1 rate.
  ii. If your Current Card is a Cash Back Card and your Product Change Card is a Rewards Card that earns points, your available cash back balance will be converted into points by multiplying the Cash Back balance by 100 and transferred to your Product Change Card. For example, if your Current Card has an available cash back balance of $125 at the time of Product Change, we will multiply $125 by 100 and transfer 12,500 points to your Product Change Card.
  iii. If your Current Card earns points (not the BMO Harris Bank Cash Back Mastercard®) and your Product Change Card is a Cash Back Card, your available points balance will be converted into cash back by dividing the balance by 100. For example, if you have an available points balance of 12,500 points at the time of Product Change, we will divide 12,500 by 100 and transfer $125
cash back to your Product Change Card.

iv. If your Current Card earns points or cash back and your Product Change Card does not earn points or cash back, you will have 90 days after the date of Product Change to redeem any available points or cash back on your Account.

v. If you request a Product Change, you may experience a temporary delay in accessing your available points while we process your request.

- Earning Points:
  i. The base and bonus earn rates for your Product Change Card will begin with transactions that post after the date of Product Change.

- Bonus Points:
  i. If you earn an Anniversary bonus with your Card, we will calculate that bonus using the Rules that apply to the product that you are in at the time of your Anniversary.
  ii. If you complete a Product Change from a Rewards Card to another Rewards Card, your Anniversary date does not change. If you complete a Product Change from a non-Rewards Card to a Rewards Card, your Anniversary date will be the date of your Product Change date.
  iii. Unless otherwise specified, a Product Change Card is not eligible for an Introductory Bonus.

You may redeem points for a statement credit that may be applied to an eligible account you designate at the Bank. Rewards redeemed to a BMO Checking, Savings, or Money Market account will be credited to that account 7-10 business days after your redemption request. Redemptions to BMO Checking, Savings or Money Market accounts may be considered taxable income from BMO in the tax year in which you redeem the points. BMO may be required to send you a Form 1099-MISC for the year in which you redeem.
Please allow up to 7 to 10 business days after redemption for the statement credit to post to your Account. Statement credits will not be applied towards reducing the minimum payment due on your Account. Statement credit denominations and point valuations specific to your Rewards Card can be viewed by logging in to bmo.com/us and clicking View and Redeem from the Account Details screen. In the case of pooled accounts, the statement credit will be applied to the Account that is logged in at the time the statement credit redemption is made.
