"Cardholder" means a business with an eligible credit card ("Account") issued by BMO Bank N.A. ("Bank"). "Cardholder" does not include Authorized User(s). For purposes of these Rules, we may refer to the Bank as "we", "us" and "our" and the Cardholder as "you" and "your." Eligible cards include the BMO Business Platinum Rewards Credit Card ("Rewards Business Card") issued for business and not personal use. Points earned under the Program will be credited to the Account of the Cardholder. Only an individual acting on behalf of the business is permitted to authorize redemptions under the Program. By using or accepting an Account, you agree to these Rules and any changes, additions or deletions to them. Go to www.bmo.com/en-us/pdf/credit/rewardsprogram-rules.pdf to view the most recent version of the Rules.

We issue and administer all Accounts. We manage the Program while third party service providers ("Third Party Service Providers") administer the Program. Fulfillment of all rewards is handled by Third Party Service Providers.

These Rules and Account transactions are also subject to other agreements you may have with us, including your Cardholder Agreement and other agreements governing the Account(s) referenced in the Cardholder Documents ("Governing Agreements"). As a reminder, your Cardholder Agreement contains a provision that addresses arbitration of any disputes regarding your account, including your participation in this Program. Also, your Governing Agreements control if anything in these Rules are inconsistent with the terms of the Governing Agreements.

The following are general terms and conditions of the Program and are subject to change by the Bank at any time without notice. See the current reward offers at bmo flexrewards.com for specific terms and conditions applicable to each reward.

General

1. We offer the Program at our sole discretion. We reserve the right to change these Rules and rewards and any fees associated with the Program at any time, for any reason and without notice, or may modify, suspend or end the Program, cancel outstanding points or change the redemption value of points or availability of rewards. We may reverse any points awarded to you in error, regardless of cause, and such a reversal may cause you to have negative points. If your Account is closed with a negative points balance, we may charge your Account for the value of the points. The Bank assumes no liability for any such changes.
2. We reserve the right to cancel your participation in the Program, close your Account and cause you to forfeit your points without notice in the event of fraud or abuse of the Program Account, violation of the Rules by the Cardholder, or patterns suggesting improper use of the Program. For the purpose of clarification, transactions that we determine in our own discretion are made for the purpose of abusing the Program are not eligible to earn points and we may reverse any points that were accrued as a result of fraud or abuse of the Program. For further clarification, abuse of the Program includes attempting to earn points not allowed under the Program or by making charges that are outside the scope of usual or customary credit card usage.
3. We reserve the right to suspend your participation in the Program, which may include the accrual of additional points and the redemption of points for a reward, if your Account is not in good standing. Good standing means that your Account is not canceled, past due or otherwise in default under the terms of any agreements you have with us, including these terms and conditions. Upon bringing your Account into good standing, your participation in the Program will be reinstated, but points previously forfeited or eliminated will not be reinstated.
4. You authorize us (which includes, for the purposes of this paragraph, our agents and representatives) to contact you using automatic telephone dialing systems, artificial or prerecorded voice message systems, email and text messaging systems in order to provide you with information regarding the Program and your Account, including information about missed payments, the suspected misuse of your Card, services or rewards received through the Program, or general servicing items. You authorize us to make such contacts using any telephone numbers (including wireless, landline and Voice over Internet Protocol numbers) you have supplied or will with the Program or your Account or any other account you may have or will establish with us. You understand that anyone with access to your telephone may listen to or read the messages we leave or send you, and you agree that we will have no liability for anyone accessing such messages. You

further understand that, when you receive a telephone call or text message, you may incur a charge from the company that provides you with telecommunications, wireless and/or data services, and you agree that we will have no liability for such charges. You expressly authorize us to monitor and record your calls with us. You agree that you are the owner and/or primary user of any telephone number or email address you provide to us and that you will notify us if this is no longer true as to any such telephone number or email address.

5. You are responsible for any tax liability related to participation in the Program or as a result of points earned or redeemed.
6. You may be responsible for payment of any departure taxes, customs fees, checked baggage fees, excess baggage charges, security taxes, passenger facility charges, air segment taxes or any other charges assessed by governmental entities or carriers as a result of travel redeemed from this Program, as well as any shipping, courier, fulfillment or certificate fees associated with rewards under the Program.
7. We are not responsible for administering the Program or providing services under the Program. The Program is void where prohibited by law.
8. We are not responsible for errors or omissions in any Program document. We are not liable to you or any recipient of services or rewards arising from, or related to, the services or rewards issued under the Program. Please consult directly with third-party booking, reservations and loyalty programs regarding your participation in those programs when you use your BMO Flex Rewards points. We are not responsible for the non-accrual of credit, award points, or other benefits concerning non-BMO Flex Rewards programs.
9. You and any recipient of services or rewards received through the Program hold us, our affiliates and Third Party Service Providers harmless in connection with any injuries and damages of every kind and nature arising in connection with or as a result of claiming and redeeming points and with your receipt of an use of an reward. You waive and release any and all rights, demands, losses, liabilities, claims and causes of action whatsoever that you may now or hereafter be entitled to assert, including but not limited to, any death, injury, loss of enjoyment or other harm or loss of any nature whatsoever caused by, contributed to, or arising out of your participation in the Program. You further agree to hold us, our affiliates and Third Party Service Providers harmless if a reward vendor or provider files bankruptcy, or otherwise goes out of business, after you have redeemed your Points for a reward from the vendor or provider but before you are able to receive or use the reward.
10. Neither us, our affiliates nor Third Party Service Providers are responsible for any other party's performance in connection with delivering services to you under the Program. Each service provider may have its own terms and conditions for the services you request.

11. Capitalized terms used and not defined herein have the definitions provided in Governing Agreements.
12. We reserve the right to interpret Rules and Program policies and will be the final authority on point credits and award qualifications.
