¹ We use the Daily Balance Method to calculate the interest on this Account. This method applies a Daily Rate to the Collected Balance in this Account each day. For all deposits (except for Zelle® deposits received after 5:00 p.m. Central Time), interest begins to accrue on the Business Day we receive the deposit in accordance with the Funds Availability Policy for Deposit Accounts in Section 8 of the Agreement. For Zelle® deposits received after 5:00 p.m. Central Time, interest begins to accrue on the next Business Day. We reserve the right not to pay interest on any deposited item that is returned to us as unpaid.

² Qualifying Business Checking Accounts include: BMO Elite Business Checking, BMO Premium Business Checking, BMO Simple Business Checking, BMO Digital Business Checking, Non-Profit Small Business Checking, Business Checking Analyzed, Small Business Checking, Business Checking, Non-Profit Checking Analyzed, Business Interest Checking, Small Business Interest Checking, and Non-Profit Interest Checking.

Qualifying activities are three or more customer-initiated transactions that post to the Qualifying Business Checking Account within the prior 35 calendar days.

Customer-initiated transactions include:

- 1) Deposits at a BMO branch or ATM, Mobile Deposits, or deposits mailed to the Bank;
- 2) Withdrawals at a BMO branch or any ATM, including requests by mail or speaking to a telephone representative to have a check made payable to you;
- 3) ACH, incoming and outgoing wire transfers, Checks or purchases using a Debit Card; and
- 4) Loan payments or advances.

Common transactions that do not qualify and will not meet the qualifying activity requirement include:

- 1) Funds transfers between BMO deposit Accounts through any channel
- 2) Bank-generated fees, check order fees and interest credits
- 3) Returned or re-presented Items
- 4) Point-of-sale returns
- 5) ATM balance inquiries

As a reminder, Business Days are Monday through Friday excluding any holiday on which the Bank and/or the Federal Reserve are closed for processing. Transactions received or occurring on a day other than a Business Day will be posted the next Business Day.

If you have one Qualifying Business Checking Account: If you have one Qualifying Business Checking Account, and it closes or is changed to another account type that is not a Qualifying Business Checking Account, we will stop looking at the Account for qualifying activities. Beginning the Business Day after Account closing or the account type change occurs, you will no longer be eligible to receive a higher interest rate on your Business Platinum Money Market Accounts, even if the Qualifying Business Checking Account had qualifying activities before the Account closed or account type changed.

If you have more than one Qualifying Business Checking Account: If you have more than one Qualifying Business Checking Account, only one Account must have qualifying activities. If no Account individually has qualifying activities, you will not be paid a higher interest rate on your Business Platinum Money Market Accounts. We will not combine transactions from all your Qualifying Business Checking Accounts to determine if you have qualifying activities. If you have more than one Qualifying Business Checking Account, and one Account closes or is changed to another account type that is not a Qualifying Business Checking Account, we will look at all remaining Qualifying Business Checking Accounts to determine if any one Account, individually, has qualifying activities.

Initially, the Business Platinum Money Market Account earns standard interest rates. A higher interest rate, if applicable, will be applied to all of your Business Platinum Money Market Accounts within three Business Days. If your Business Platinum Money Market Account is changed to another account type, you will no longer receive a higher interest rate on the Account beginning the Business Day after the account type is changed.

³ If we receive a wire transfer and are unable to process it for any reason, the wire will be returned to the originating financial institution. If the incoming wire transfer is \$100 or more, a wire return fee will be deducted from the amount returned.

⁴ Foreign Transaction Fees will apply to all ATMs outside the United States (i.e. Non-BMO ATMs, Bank of Montreal branded Participating ATMs and Allpoint® Participating ATMs).

In the Agreement, refer to Section 2.B for information on how we determine whether you have sufficient available funds and Section 2.C for information on when items post to your Account.

At our discretion, we may pay or return all items that overdraw this Account. When we return an item unpaid because your Account does not have sufficient available funds, we don't charge a fee. When we pay an item and your Account does not have sufficient available funds, an Overdraft Fee may be charged.
