Early withdrawal penalty

When you make a deposit to any one of our CD products, you agree to keep the funds on deposit until the maturity date. The maturity date is the first day you can change the term or make a withdrawal without paying an early withdrawal penalty. We reserve the right to permit withdrawals of principal only upon maturity. If we permit you to make an early withdrawal of principal before maturity, you will pay an early withdrawal penalty. The penalty is calculated using the interest rate applicable to the CD at the time of early withdrawal. If the amount of the penalty exceeds the amount of your accrued and unpaid interest, then a reduction of principal would be required in order to pay the penalty.

Early withdrawal penalty	CD Term	Interest Penalty
	1 month (7-59 days)	You will be charged all interest earned
	2 months-11 months (60 days-up to and including 364 days)	You will be charged 90 days interest
