Except for Allpoint® Participating ATMs outside the United States, the ATM owner or operator may also charge you a surcharge fee for a withdrawal, transfer, or balance inquiry.  Foreign Transaction Fees will also apply to all ATMs outside the United States (i.e. Non-BMO ATMs, Bank of Montreal branded Participating ATMs and Allpoint® Participating ATMs).

<b>Account closing fee</b>	\$50	If closed within 90 days of Account opening.

<sup>1</sup> We use the Daily Balance Method to calculate the interest on this Account. This method applies a Daily Rate to the Collected Balance in this Account each day. For all deposits (except for Zelle® deposits received after 5:00 p.m. Central Time), interest begins to accrue on the Business Day we receive the deposit in accordance with the Funds Availability Policy for Deposit Accounts in Section 8 of the Agreement. For Zelle® deposits received after 5:00 p.m. Central Time, interest begins to accrue on the next Business Day. We reserve the right not to pay interest on any deposited Item that is returned to us as unpaid.

<sup>2</sup> Qualifying activities are three or more customer-initiated transactions that post to the BMO Relationship Checking Account within the prior 35 calendar days.

**Customer-initiated transactions include:**

- 1) Deposits at a BMO branch or ATM, Mobile Deposits, or deposits mailed to the Bank;
- 2) Withdrawals at a BMO branch or any ATM, including requests by mail or speaking to a telephone representative to have a check made payable to you;
- 3) ACH, incoming and outgoing wire transfers, Checks or purchases using a Debit Card; and
- 4) Loan payments or advances.

**Common transactions that do not qualify and will not meet the qualifying activity requirement include:**

- 1) Funds transfers between BMO deposit Accounts through any channel
- 2) Bank-generated fees, check order fees and interest credits
- 3) Returned or re-presented Items
- 4) Point-of-sale returns
- 5) ATM balance inquiries

As a reminder, Business Days are Monday through Friday excluding any holiday on which the Bank and/or the Federal Reserve are closed for processing. Transactions received or occurring on a day other than a Business Day will be posted the next Business Day.

**If you have one Relationship Checking Account:** If you have one Relationship Checking Account, and it closes or is changed to another account type, we will stop looking at the Account for qualifying activities. Beginning the Business Day after Account closing or the account type change occurs, you will no longer be eligible to receive a higher interest rate on your Growth Money Market Accounts, even if the Relationship Checking Account had qualifying activities before the Account closed or account type changed.

**If you have more than one Relationship Checking Account:** If you have more than one Relationship Checking Account, only one Account must have qualifying activities. If no Account individually has qualifying activities, you will not be paid a higher interest rate on your Growth Money Market Accounts. We will not combine transactions from all your Relationship Checking Accounts to determine if you have qualifying activities. If you have more than one Relationship Checking Account, and one Account closes or is changed to another account type, we will look at all remaining Relationship Checking Accounts to determine if any one Account, individually, has qualifying activities.

Initially, the Growth Money Market Account earns standard interest rates. A higher interest rate, if applicable, will be applied to all of your Growth Money Market Accounts within three Business Days. If your Growth Money Market Account is changed to another account type, you will no longer receive a higher interest rate on the Account beginning the Business Day after the account type is changed.

<sup>3</sup> Foreign Transaction Fees will apply to all ATMs outside the United States (i.e. Non-BMO ATMs, Bank of Montreal branded Participating ATMs and Allpoint® Participating ATMs).

### Insufficient Funds and Overdrafts

Your Account is overdrawn when there is a negative balance that occurs when we pay an Item that you do not have Sufficient Available Funds in your Account to pay when the Item is presented for payment. The Account balance that we use to determine if your Account is overdrawn includes all Items (including bank fees and service charges) that are posted to your Account on the same Business Day whether the Items are paid or returned. In the Agreement, refer to Section 2.B for information on how we determine whether you have Sufficient Available Funds and Section 2.C for information on when Items post to your Account.

We will return as unpaid the following Items that overdraw this Account: Checks, automatic bill payments and other transactions made using this Account number. We will decline ATM and everyday debit Card transactions that may overdraw this Account. When we return an Item unpaid because your Account does not have Sufficient Available Funds, we don't charge a fee. There are some Items we are unable to return. If we are unable to return an Item that overdraws your Account, we will use our discretion to pay it and you will not be charged a fee.
