Each option will include the estimated time of processing of the funds from your Account. One or more options may be available to you. When you receive funds from an External Account to an Eligible Transaction Account, we will tell you the estimated time for the completion of the processing of your transaction. Funds will not be available to you in your Eligible Transaction Account until we actually receive the funds from your External Account. The estimated time provided through Digital Banking is an estimate only and the actual processing time may be faster or slower.

g. Transaction Limits on External Transfers

There are individual transaction limits and daily transaction limits for External Transfers. These limits are subject to change from time to time without prior notice to you, unless required by applicable law.

h. Changes and Cancellation Requests

You may cancel or modify an External Transfer scheduled for a future date (including a recurring External Transfer). Once we have started processing an External Transfer, it cannot be cancelled or modified.

i. Service Fees and Additional Charges

j. Liability

You are responsible for ensuring the accuracy of any information that you enter into the External Transfer Service and for informing us as soon as possible if you become aware that this information is inaccurate. We will make a reasonable effort to stop or recover an External Transfer made to the wrong External Account, but we do not guarantee such recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by you.

We are not liable if we are unable to complete any External Transfers request that you initiate if: (i) through no fault of ours, the Eligible Transaction Account or External Account does not contain sufficient funds to complete the External Transfer on the scheduled transfer date; (ii) we notified you or you otherwise knew that the External Transfer Service was not working properly before you initiated the External Transfer; (iii) we refused the External Transfer as described in Section III.D.1.k (Refused Transfers) below; (iv) you have not provided us with correct information, such as the correct Eligible Transaction Account or External Account information; and/or (v) Circumstances Beyond Our Control prevent the proper execution of the External Transfer.

k. Refused Transfers

We reserve the right to refuse any External Transfer at our discretion. To the extent required by law, we will notify you promptly if we decide to refuse an External Transfer. This notification is not required if you attempt to make an External Transfer that is not allowed under this Agreement.

l. Returned or Failed Transfers

You understand and agree that External Transfers may be returned or fail for various reasons such as the External Account number not being valid. We may attempt to research the cause of a returned External Transfer and resend the External Transfer to the intended Account or External Account or void the External Transfer. We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, failed, or denied transfer to your Eligible Transaction Account that we debited for the funds transfer or use other reasonable efforts to return such transfer to you as permitted by law. In certain cases, we may require you to contact us or the financial institution for your External Account to initiate a request to receive such funds. You may receive notification from us.

Zelle® and Other Payment Services

a. Description of Service

We have partnered with the Zelle Network® ("Zelle®") to enable a convenient way to send and receive money with others you trust, who are enrolled with Zelle® with us, or with another financial institution that partners with Zelle®

(each a “User”) using aliases, such as email addresses, mobile phone numbers, or other unique identifiers described below (“Zelle® Payment Service,” as further described below). Zelle® provides no deposit account or other financial services. Zelle® neither transfers nor moves money. You may not establish a financial account with Zelle® of any kind. Financial institutions that partner with Zelle® will transmit all money. THE ZELLE® PAYMENT SERVICE IS INTENDED TO SEND MONEY TO FRIENDS, FAMILY, AND OTHERS YOU TRUST. YOU SHOULD NOT USE THE ZELLE® PAYMENT SERVICE OR OTHER PAYMENT SERVICES TO SEND MONEY TO RECIPIENTS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST.

In addition to the Zelle® Payment Service, we provide other payment services as part of the Zelle® and Other Payment Services. These additional services allow you to send money to a Receiver if you provide Eligible Transaction Account information and other contact information for the Receiver; such transactions are not sent via Zelle®. These payment services are referred to as “Other Payment Services”. The term “Zelle® and Other Payment Services” means the Zelle® Payment Services and the Other Payment Services.

The Zelle® and Other Payment Services enable you to: (i) initiate a Payment Instruction from an Eligible Transaction Account to an account at a U.S. financial institution; and/or (ii) receive a payment from another User into an Eligible Transaction Account, in U.S. dollars. All payments and receipts of payments using the Zelle® and Other Payment Services made through the Website or the Mobile App are subject to the terms of this Agreement and applicable laws and regulations, as in effect from time to time.

Subject to the terms of this Agreement, the Zelle® and Other Payment Services are generally available 24 hours a day, 7 days a week, with the exception of outages for maintenance and circumstances beyond the control of us or Zelle®. Live customer service from Zelle® is generally available on Business Days by calling the Contact Number.

The Zelle® Payment Service allows for the delivery of payments to Receivers who are also enrolled in the Zelle® Payment Service through a Payment Network designed to deliver payments on the same day and potentially within minutes, although actual speed will vary, as described below. The Zelle® and Other Payment Services are not instantaneous. Payment delivery speed may vary based upon the fraud, risk and other funds availability policy of each financial institution and Payment Network availability. We are not responsible for the performance, speed, or other acts or omissions of the Payment Networks that may be involved in the transmission of a payment. We are not obligated to comply with the Automated Clearinghouse (ACH) Rules in any recovery efforts or otherwise in connection with Zelle® and Other Payment Services payments unless the applicable transaction is transmitted through the ACH network. We are only responsible for delivery of the applicable Payment Instructions to the applicable Payment Network in the format required by the applicable Payment Network's specifications.

b. Enrolling for the Service

You represent that you have the authority to authorize debits and credits on the checking Account you are enrolling as an Eligible Transaction Account to use with the Zelle® Payment Service. You agree not to use the Zelle® Payment Service to make any Prohibited Payments. You agree that you will not use the Zelle® and Other Payment Services to send money to or request money from anyone for Prohibited Payments. Zelle® and we reserve the right to terminate, suspend, or limit your access to or use of the Zelle® Payment Services at any time and without prior notice, including for reasons involving your use of the Zelle® Payment Service at any Network Financial Institution which may be deemed to be illegal, improper, branding damaging or potentially exposing us, Zelle®, or the financial system to risk.

This paragraph does not apply to small business users enrolled in the Zelle® Small Business Service (to the extent made available by us). The Zelle® and Other Payment Services are intended for personal, not business or commercial use. You agree that you will not use the Zelle® and Other Payment Services to send or receive payments in connection with your business or commercial enterprise. We reserve the right to decline your enrollment if we believe that you are enrolling to use the Zelle® and Other Payment Services with your business account or to receive business or commercial

payments. We further reserve the right to suspend or terminate your use of the Zelle® Payment Service if we believe that you are using the Zelle® Payment Service for business or commercial purposes.

Content Standards: You agree that you will not use the Zelle® Payment Service in any way, or upload or provide content or otherwise post, transmit, distribute, or disseminate through the Zelle® Payment Service any material that: (1) is false, misleading, unlawful, obscene, indecent, lewd, pornographic, defamatory, libelous, threatening, harassing, hateful, abusive, or inflammatory; (2) encourages conduct that would be considered a criminal offense or gives rise to civil liability; (3) breaches or infringes any duty toward or rights of any person or entity, including rights of publicity, privacy or intellectual property; (4) contains corrupted data or any other harmful, disruptive, or destructive files; (5) advertises products or services competitive with Zelle®, as determined by Zelle® in its sole discretion; or (6) in Zelle®'s or our sole judgment, is objectionable, restricts or inhibits any person or entity from using or enjoying any portion of the Zelle® Payment Service, or which may expose us, Zelle® or our respective affiliates or customers to harm or liability of any nature.

Although neither we nor Zelle® have any obligation to monitor any content, both we and Zelle® have absolute discretion to remove content at any time and for any reason without notice. We and Zelle® may also monitor such content to detect and prevent fraudulent activity or violations of the terms and conditions. You understand that by using the Zelle® Payment Service, you may be exposed to content that is offensive, indecent, or objectionable. We and Zelle® are not responsible for, and assume no liability, for any Content, including any loss or damage to any of your content. We and Zelle® make no representation or warranty that content uploaded to a User profile accurately identifies a particular User of the Zelle® Payment Service.

The Zelle® Payment Service may include functionality for you to use a unique alpha-numeric identifier to your registered User profile to be used in lieu of your phone number or email address when sending, receiving or requesting money, which will be your "Zelle® tag." Each Zelle® tag must have an eligible U.S. mobile phone number associated with it and there will be a limit on the number of Zelle® tags you may use. Your Zelle® tag must meet these Content Standards. You may not select a Zelle® tag that misleads or deceives other Users of the Zelle® Payment Service as to your identity, or otherwise.

Although neither we nor Zelle® have any obligation to monitor User Zelle® tags, both we and Zelle® have absolute discretion to remove a User Zelle® tag at any time and for any reason without notice. We and Zelle® may require you to change your Zelle® tag in our sole discretion, and we may elect to make a Zelle® tag unavailable to you, without any liability to you. We and Zelle® may also monitor User Zelle® tags to detect and prevent fraudulent activity or violations of the terms and conditions. You understand that by using the Zelle® Payment Service, you may be exposed to a Zelle® tag that is offensive, indecent, or objectionable. We and Zelle® are not responsible for, and assume no liability, for any User Zelle® tags, including any loss or damage caused thereby. We and Zelle® make no representation or warranty that a User Zelle® tag accurately identifies a particular User of the Zelle® Payment Service. We respect the intellectual property of others and require that users of the Zelle® Payment Service comply with relevant intellectual property laws, including copyright and trademark laws. We may, in appropriate circumstances and at our discretion, limit or terminate the use of our products or services for users who use or publish content on the Zelle® Payment Service that is subject to intellectual property rights claims.

To enroll, you must provide us with an email address that you regularly use and intend to use regularly (i.e., no disposable email addresses) and/or a permanent U.S. mobile phone number that you intend to use for an extended period of time (i.e., no "burner" numbers). You may not enroll in Zelle® using a landline phone number, toll-free number, Google Voice number, or Voice over Internet Protocol. When you enroll, we will share your primary email address and mobile phone number in our records with Zelle®. Please review our Privacy Notice and Digital Privacy Policy in order to better understand our commitment to maintaining your privacy, as well as our use and disclosure of

your information. Once enrolled, you may: (1) authorize a debit of your enrolled Eligible Transaction Account to send money to another User either at your initiation or at the request of that User; and (2) receive money from another User either at that User's initiation or at your request, subject to the conditions of the Section II.D.2.g (Requesting Money) below. If at any time while you are enrolled, you do not send or receive money using the Zelle® Payment Service for a period of 18 consecutive months, we may contact you and/or take other steps to confirm that the U.S. mobile phone number or email address that you enrolled still belongs to you. If we are unable to confirm that you are the owner of the mobile phone number or email address, or we receive information that you are not the owner of the mobile number or email address, then you understand that we may cancel your enrollment and you will not be able to send or receive money with the Zelle® Payment Service until you enroll again. Once enrolled, a Z logo will appear on your profile for each U.S. mobile number and/or email address that you have enrolled with Zelle®. The Z logo will be displayed to other Users to aid them in determining which of your U.S. mobile numbers or email addresses should be used to send money with Zelle®. If a User sends you money using a different U.S. mobile number or email address that they may have for you (one that is not already enrolled), you will receive a message with instructions on how to enroll it with Zelle®. If you enroll for the Zelle® Payment Service and select to use a Zelle® tag, the mobile phone number associated with your User Profile will be used as a contact method for certain communications related to the Zelle® Payment Service and must meet the requirements described herein.

When you enroll with Zelle®, you may establish one or more profiles. Each profile may be linked to only one bank account, but you may enroll multiple email addresses or mobile phone numbers in each profile. Once you have enrolled an email address or a mobile phone number with a profile, that same email address or phone number may not be used with any other profile.

c. Payment Authorization and Payment Remittance

By providing us with names and mobile telephone numbers, email addresses and/or Zelle® tags of Receivers to whom you wish to direct payments, you authorize us to follow the Payment Instructions that we receive through the Zelle® Payment Service. Once enrolled, you authorize us to credit your Eligible Transaction Account for payments remitted to you on behalf of a Sender without further approval from you.

When we receive a Payment Instruction from you, you authorize us to either: (i) debit your enrolled Eligible Transaction Account for the amount of such Payment Instruction at the time you initiate the Payment Instruction or at the time you indicate in the Payment Instruction that a future payment should be initiated, and to remit funds on your behalf; or (ii) credit your enrolled Eligible Transaction Account for (1) the receipt of payments, including any payments sent to your Eligible Transaction Account, and (2) any payments returned to us from Receivers to whom you sent payment(s) and those payments that were cancelled and returned to your Eligible Transaction Account because the processing of the Payment Instruction could not be completed.

You agree that we will not be liable for any payments that you may receive, regardless of whether you authorized the Sender to send them to you. We will attempt to complete all your Payment Instructions properly. However, we shall incur no liability if we are unable to complete any transaction because of the existence of any one or more of the following circumstances:

1. If, through no fault of ours, the enrolled Account does not contain sufficient funds to complete the Payment Instruction or the Payment Instruction would exceed the credit limit of your overdraft account;
2. The Zelle® and Other Payment Services is not working properly and you know or have been advised by us about the malfunction before you execute the Payment Instruction;
3. The payment is refused as described in Section III.D.2.i (Refused and Returned Payments) below;
4. You have not provided us with the correct information, including for example: (i) the correct Payment

Instructions or account information or (ii) the correct name and email address, Zelle® tag or mobile phone number of the Receiver to whom you are initiating a Payment Instruction; and/or (e) Circumstances Beyond Our Control prevent the proper execution of the Payment Instruction.

It is the responsibility of the Sender and the Receiver to ensure the accuracy of any information that they enter into the Zelle® and Other Payment Services, and for informing us as soon as possible if they become aware that this information is inaccurate. We will make a reasonable effort to stop or recover a payment made to the wrong person or entity once informed, but we do not guarantee such stoppage or recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by the Sender or Receiver.

d. Receiving Money; Money Transfers by Network Financial Institutions.

All transfers of money to you shall be performed by a Network Financial Institution per the direction of that Network Financial Institution customer and at all times subject to the terms and conditions of the relevant service agreement between that Network Financial Institution and its customer, including without limitation any restrictions or prohibitions on permissible transactions.

You authorize us to accept, on your behalf, all payments that other Users make to you and credit them to your Eligible Transaction Account. You understand that you have no ability to stop the payment once a User initiates a transfer to your email address, mobile phone number or Zelle® tag that you enrolled with the Zelle® Payment Service. You agree that we will not be liable in any way for any payments that you may receive, regardless of whether you authorized the Sender to send them to you. Please contact us at the Contact Number if you receive funds in your Account incorrectly.

Most transfers of money through the Zelle® Payment Service to your Eligible Transaction Account from other Users will occur within minutes. There may be other circumstances when the payment may take longer (see Section III.D.2.e.1 (Zelle® Payment Service) below). For example, in order to protect you, us, Zelle® and the other Network Financial Institutions, we or Zelle® may need additional time to verify your identity or the identity of the person sending the money. We or Zelle® may also delay or block the transfer to prevent fraud or to meet our regulatory obligations. There may be a delay between the time you are notified of the pending Payment Instruction and the deposit of the payment funds into your Eligible Transaction Account, such as if we have questions regarding possible fraud in connection with the payment, and you may be required to take additional steps to facilitate the deposit of the payment. If we or Zelle® delay or block a payment that you have initiated through a request for money, we will notify you via email to the designated email address within your Zelle® profile. If you are receiving a payment from a business or government agency, your payment will be delivered in accordance with both this Agreement and the procedures of the business or government agency that is sending you the payment. We have no control over the actions of other Users, Zelle® or other Network Financial Institutions that could delay or prevent a transfer of money to you.

You authorize the Sender, the financial institution which holds the Sender's Eligible Transaction Account, us (including through the Website or the Mobile App), and Zelle® to send emails to you and text messages to your mobile phone in connection with the Sender's initiation of Payment Instructions to you, and, as a Receiver, you may receive payment requests, from others through the Zelle® Payment Service.

You acknowledge and agree that in the event that funds that you have received from another User are determined to be improper because they were not authorized by the Sender, because there were not sufficient funds in the Sender's account, or for any other reason, then you hereby authorize us or our Vendor to withdraw from your Eligible Transaction Account the full amount of the funds improperly transferred to you.

e. Sending Money

You may send money from your Eligible Transaction Account to another User at your initiation or in response to that User's request for money. When you send money to another User at your initiation, you may initiate a: (i) one-time payment that will begin processing immediately, (ii) one-time future dated payment that will begin processing on a specified future date, or (iii) recurring payment series that will begin processing recurring payments on a specified series of dates. Further details about each of these options can be found in our FAQs. You understand that use of the Zelle® and Other Payment Services by you shall at all times be subject to (i) this Agreement, and (ii) your express authorization at the time of the transaction for us or another Network Financial Institution to initiate a debit entry to your bank account. You understand that when you send the payment, you will have no ability to stop it. You understand that when you initiate sending money using Zelle® and Other Payment Services and a payment has begun processing, it cannot be edited or canceled. One-time payments that process immediately cannot be edited or canceled. You may only edit or cancel a one-time future dated payment or recurring payment until the payment begins processing. As to the Zelle® Payment Service, if the person you sent money to has already enrolled with Zelle®, the money is sent directly to their bank account (except as otherwise provided in Section (f) below) and may not be canceled or revoked. We therefore recommend that you use the Zelle® Payment Service to send money only to people you know and trust. Your ability to cancel or stop payments is addressed more generally in Section 6 (Payment Cancellation, Unclaimed Payments Requests and Termination) below.

For the Other Payment Services and those Zelle® Payment Service payments where the Website or the Mobile App indicates payment will require more than a Business Day, you understand and agree that when you initiate a Payment Instruction from an Eligible Transaction Account, the processing of the Payment Instruction will begin and the debiting of your Eligible Transaction Account will occur as early as the day of such initiation. However, you and the Receiver should not expect the payment funds to be transferred into the Receiver's Eligible Transaction Account any earlier than the next Business Day after you initiated the Payment Instruction. If you request a one-time Payment Instruction to be initiated on a specified date or a recurring series of Payment Instruction to be initiated on specified dates, then the processing of the Payment Instruction will begin on the specified date and the debiting of your Eligible Transaction Account will occur as early as the specified date(s). However, you and the Receiver should not expect the payment funds to be transferred into the Receiver's Eligible Transaction Account any earlier than the next Business Day following the specified date. In addition, in the case of all Two-Step Transfers, the deposit of the payment funds into the Receiver's Eligible Transaction Account (even if debited or withdrawn from your Eligible Transaction Account) may be delayed if the Receiver has not enrolled in Zelle®. The Website or the Mobile App may contain additional information regarding the delivery of a payment to an Eligible Transaction Account.

f. Zelle® Payment Service

Using the Zelle® Payment Service, you may initiate a one-time Payment Instruction to a Receiver for which processing shall be initiated immediately via Zelle®. The Zelle® Payment Service allows for payments to be delivered to a Receiver who is also enrolled in the Zelle® Payment Service through a Payment Network designed to delivery payments on the same day and potentially within minutes. The Zelle® Payment Service is not instantaneous but is designed to deliver payments on the same day and potentially within minutes, although actual speed will vary based upon the funds availability policy of each financial institution and Payment Network availability.

Payment Instructions initiated to Receivers require you to provide contact information about the Receiver (including an email address, mobile telephone number and/or Zelle® tag). If the Receiver maintains an Eligible Transaction Account with a Network Financial Institution and has not yet enrolled in Zelle®, then the Zelle® Payment Service will contact the Receiver regarding enrollment in Zelle® and receipt of payment (a "Two-step Transfer"). If the Receiver has already enrolled in Zelle®, then the Receiver will receive a message regarding your payment.

We are not responsible for the performance, speed, or other acts or omissions of the Payment Networks that may be involved in the transmission of a payment. We shall not be obligated to comply with the National Automated Clearinghouse Association Rules in such recovery efforts or otherwise in connection with Zelle® and Other Payment Services. We are only responsible for delivery of the applicable Payment Instructions to the applicable Payment Network in the format required by such Payment Network's specifications. We will choose the Payment Networks in which we will participate in our sole discretion.

When a Sender initiates a Payment Instruction, the Receiver is not required to accept the payment if the Receiver has not enrolled in Zelle®. You agree that you as a Sender will not hold us or Zelle® liable for any damages resulting from a Receiver's decision not to enroll in Zelle®.

When you are sending (or receiving) money to or from another User using the Zelle® Payment Service, there are circumstances when the payment may take longer. For example, in order to protect you, us, Zelle®, the other Network Financial Institutions and other Zelle® users, we may need additional time to verify your identity or the identity of the person receiving the money. If you are sending money to someone who has not enrolled as a User with either Zelle® or a Network Financial Institution, they will receive a text or email notification instructing them on how to enroll to receive the money. You agree that you as a Sender will not hold us liable for any damages resulting from a Receiver not enrolling in Zelle®. We may also delay or block the transfer to prevent fraud or to meet our regulatory obligations.

If a person to whom you are sending money is not enrolled as a User or fails to enroll with Zelle®, or otherwise ignores the payment notification, then the payment may not occur. The money may also be delayed or the transfer may be blocked to prevent fraud or to comply with regulatory requirements. If we delay or block a payment that you have initiated, we will notify via email to the designated email address within your Zelle® profile. Neither we nor Zelle® have control over the actions of other Users, or other Network Financial Institutions that could delay or prevent your money from being delivered to the intended User.

For Zelle® Payment Service payments, you acknowledge and agree that when we begin processing the Payment Instruction, we will debit funds from your Eligible Transaction Account immediately, but we will only begin to process the transfer of funds to the Receiver once the Receiver has provided (or we otherwise obtain) all required information, and you hereby authorize and direct us to retain such funds until the earlier of such time as the Receiver has provided (or we otherwise obtain) all required information or fourteen (14) calendar days have elapsed. You further acknowledge and agree that our receipt of money to be transmitted to a Receiver shall not be deemed to have occurred, and our obligation to complete a Payment Instruction shall not begin, until such time as the Receiver provides us with (or we otherwise obtain) all required information necessary to process the related Payment Instruction in accordance with these terms.

g. Other Payment Services

By providing us with names, bank account information and other contact information for Receivers to whom you wish to direct a payment using the Other Payment Services, you authorize us to follow the Payment Instructions that you provide. You acknowledge and agree that if your Payment Instructions identify an account by name and account number, the relevant financial institution may execute those Payment Instructions by reference to the account number only, even if such account number does not correspond to the account name. You further acknowledge and agree that financial institutions holding the account may choose to not investigate discrepancies between account names and account numbers. We have no responsibility to investigate discrepancies between account names and account numbers, outside of our obligations under the law to investigate errors.

h. Payment Amounts

There are limits on the amount of money you can send or receive through the Zelle® and Other Payment Services. We may change these limits at any time in our sole discretion without prior notice, unless required by applicable laws and regulations. We will not permit you to send money that exceeds the individual or daily aggregate transaction amount limits allowed for your Account.

i. Requesting Money

You may request money from another User. Users to whom you send payment requests may reject or ignore your request. Neither we nor Zelle® guarantee that you will receive money from other Users by sending a payment request, or that you will receive the amount that you request. Neither we nor Zelle® accept responsibility if the other User rejects or ignores your request, or sends you an amount that is less than you request. If a User ignores your request, we or Zelle® may decide, in our discretion, not to send a reminder or repeat request to that User.

You agree that you are not engaging in the business of debt collection by attempting to use the Zelle® Payment Service to: (i) request money for the payment or collection of an overdue or delinquent debt (as a debt collector); (ii) request money that is owed to another person; or (iii) collect any amounts that are owed pursuant to a court order. You agree to indemnify, defend and hold harmless Zelle®, its owners, directors, officers, agents and Network Financial Institutions from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorney's fees, resulting from or arising out of any request for money that you send that is related to overdue or delinquent amounts.

You agree to receive payment requests from other Users, and to only send a requests for money for legitimate and lawful purposes. Payment requests are solely between the Requestor and recipient and are not reviewed or verified by us or by Zelle®. Neither we nor Zelle® assume responsibility for the accuracy or legality of such requests and do not act as a debt collector on your behalf or on behalf of the Requestor.

We reserve the right, but assume no obligation, to terminate your ability to send requests for money in general, or to specific recipients, if we deem such requests to be potentially unlawful, abusive, offensive or unwelcome by the recipient.

j. Payment Cancellation, Unclaimed Payments and Termination

Cancellation: Sender may only cancel a Payment Instruction until the payment begins processing.

Stop Payments: Sender may only stop a Payment Instruction at any time until the processing of the Payment Instruction into the Receiver's Eligible Transaction Account has begun. Our ability to stop a Payment Instruction will depend on the manner in which the Payment Instruction was initiated, and whether the Payment Instruction to the Receiver's Eligible Transaction Account has begun processing. Although we will make a reasonable effort to accommodate a stop payment request, we will have no liability for failing to do so. We may also require you to present your stop payment request in writing within fourteen (14) days after contacting Customer Service as set forth in Section V.A.2 (Contacting Us; Customer Service) below or otherwise directing us to stop a payment. If we charge you to stop the payment, then the charge for each stop payment will be the current charge as set out in your fee schedule from us (including as disclosed within Digital Banking) or your Account Agreement with us.

Unclaimed Payments: Payments not claimed by a Receiver who has not enrolled in Zelle® will be automatically cancelled by us fourteen (14) calendar days after the processing of the payment begins. We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, or denied payment to your Eligible Transaction Account or use other reasonable efforts to return such payment to you as permitted by law.

Termination: We reserve the right to suspend or terminate your use of the Zelle® Payment Service or the Other Payment Services if we believe that you are using any component of the Zelle® and Other Payment Services for any prohibited purpose, as set forth in Section V.C (Prohibited Uses of the Services) below.

k. Refused and Returned Payments

We reserve the right to refuse to pay any Receiver. We will attempt to notify the Sender promptly if we decide to refuse to pay a Receiver designated by the Sender. This notification is not required if you attempt to make a Prohibited Payment. In using the Zelle® and Other Payment Services, you understand that Receivers may reject Payment Instructions or otherwise return payments only if the Receiver is not enrolled in Zelle®. We will use reasonable efforts to complete Payment Instructions initiated through the Zelle® Payment Service.

l. Consent to Share Personal Information (Including Account Information)

You consent to our disclosure of your personal information (including Account Information) to Zelle®, other Network Financial Institutions and other third parties for fraud and risk services, to resolve fraud, claims and servicing issues, to comply with legal or regulatory requirements, and as necessary to complete payment transactions, in accordance with our customary processes and procedures, which are provided in our Privacy Notice and Digital Privacy Policy.

m. Liability for Zelle® and Other Payment Services

Neither we nor Zelle® shall have any liability to you for any transfers of money using the Zelle® and Other Payment Services, including without limitation, (i) any failure, through no fault of ours or Zelle® to complete a transaction in the correct amount, or (ii) any related losses or damages. Neither we nor Zelle® shall be liable for any typos or keystroke errors that you may make when using the Zelle® and Other Payment Services. THE ZELLE® AND OTHER PAYMENT SERVICES ARE INTENDED FOR SENDING MONEY TO FAMILY, FRIENDS AND OTHERS WHOM YOU TRUST. YOU SHOULD NOT USE THE ZELLE® AND OTHER PAYMENT SERVICES TO SEND MONEY TO PERSONS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST. NEITHER WE NOR ZELLE® OFFER PURCHASE PROTECTION FOR AUTHORIZED PAYMENTS MADE THROUGH THE ZELLE® AND OTHER PAYMENT SERVICES (FOR EXAMPLE, IF YOU DO NOT RECEIVE THE GOODS OR SERVICES THAT YOU PAID FOR, OR THE GOODS OR SERVICES THAT YOU RECEIVED ARE DAMAGED OR ARE OTHERWISE NOT WHAT YOU EXPECTED). REIMBURSEMENT IS AVAILABLE FOR UNAUTHORIZED TRANSACTIONS OR TRANSACTIONS RESULTING FROM CERTAIN QUALIFYING IMPOSTER SCAMS. CONTACT US TO DISPUTE A TRANSACTION.

n. Disclaimer of Warranties

EXCEPT AS OTHERWISE PROVIDED HEREIN, AND SUBJECT TO APPLICABLE LAW, NEITHER WE NOR ZELLE® MAKE ANY EXPRESS OR IMPLIED WARRANTIES, REPRESENTATIONS OR ENDORSEMENTS WHATSOEVER WITH RESPECT TO THE ZELLE® AND OTHER PAYMENT SERVICES. WE AND ZELLE® EXPRESSLY DISCLAIM ALL WARRANTIES OF ANY KIND, EXPRESS, IMPLIED, STATUTORY OR

OTHERWISE, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON- INFRINGEMENT, WITH REGARD TO THE ZELLE® AND OTHER PAYMENT SERVICES DESCRIBED OR PROVIDED. NEITHER WE NOR ZELLE® WARRANT THAT THE ZELLE® AND OTHER PAYMENT SERVICES WILL BE UNINTERRUPTED, TIMELY, INVULNERABLE TO CYBER ATTACK OR ERRORFREE, OR THAT DEFECTS WILL BE CORRECTED. THE ZELLE® AND OTHER PAYMENT SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS.

o. Limitation of Liability for the Zelle® and Other Payment Services

EXCEPT AS OTHERWISE PROVIDED HEREIN AND SUBJECT TO APPLICABLE LAW, IN NO EVENT WILL WE, ZELLE®, OR EITHER OF THE RESPECTIVE OWNERS, DIRECTORS, OFFICERS, AGENTS OF ZELLE® OR US OR NETWORK FINANCIAL INSTITUTIONS BE LIABLE FOR ANY DAMAGES WHATSOEVER, INCLUDING, BUT NOT LIMITED TO ANY DIRECT, INCIDENTAL CONSEQUENTIAL, SPECIAL, EXEMPLARY OR OTHER INDIRECT DAMAGES ARISING OUT OF (I) ANY TRANSACTION CONDUCTED THROUGH OR FACILITATED BY THE ZELLE® AND OTHER PAYMENT SERVICES; (II) ANY CLAIM ATTRIBUTABLE TO ERRORS, OMISSIONS, OR OTHER

INACCURACIES IN THE ZELLE® AND OTHER PAYMENT SERVICES DESCRIBED OR PROVIDED, (III) UNAUTHORIZED ACCESS TO OR ALTERATION OF YOUR TRANSMISSIONS OR DATA, OR (IV) ANY OTHER MATTER RELATING TO THE ZELLE® AND OTHER PAYMENT SERVICES DESCRIBED OR PROVIDED, EVEN IF WE OR ZELLE® HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IF YOU ARE DISSATISFIED WITH THE ZELLE® AND OTHER PAYMENT SERVICES OR WITH THESE TERMS, THEN EXCEPT AS OTHERWISE PROVIDED HEREIN AND SUBJECT TO APPLICABLE LAW, YOUR SOLE AND EXCLUSIVE REMEDY IS TO DISCONTINUE USING THE ZELLE® AND OTHER PAYMENT SERVICES. IN THOSE STATES WHERE THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES MAY NOT APPLY, ANY LIABILITY ON OUR PART OR ON THE PART OF ZELLE®, EITHER OF THE RESPECTIVE OWNERS, DIRECTORS, OFFICERS AND AGENTS OF ZELLE® OR US OR THE NETWORK FINANCIAL INSTITUTIONS LIABILITY IN THOSE STATES IS LIMITED AND WARRANTIES ARE EXCLUDED TO THE GREATEST EXTENT PERMITTED BY LAW, BUT SHALL, IN NO EVENT, EXCEED ONE HUNDRED DOLLARS (\$100.00).

p. Your Indemnification of Us and Zelle®

You acknowledge and agree that you are personally responsible for your conduct while using the Zelle® Payment Services, except as otherwise provided in these terms, you agree to indemnify, defend and hold harmless us, Zelle®, its owners, directors, officers, agents and Network Financial Institutions from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorneys' fees, resulting from or arising out of your use, misuse, errors or inability to use the Zelle® Payment Services, or any violation by you of the terms of these terms.

q. Wireless Operator Data

In addition to Section II.E.8 (Information Authorization) below, you acknowledge that we, our Vendors or Zelle® may use information on file with your wireless operator to further verify your identity and to protect against or prevent actual or potential fraud or unauthorized use of the Zelle® and Other Payment Services. Pay Bills with BMO Bill Pay

a. Description of Service

Bill Pay permits you to use a computer or Eligible Mobile Device to make One-Time Payments or Recurring Bill Payments from your Bill Payment Account to (i) a Biller to which you wish a Bill Payment to be directed or (ii) the Biller from which you receive eBills.

b. Verification of Identity and Enrollment

We must be able to verify your identity, ownership of the Bill Payment Account you have designated for us to debit with respect to Bill Payments, your Billing Account with your Biller, and other information before you can enroll in Bill Pay. We may issue offsetting debits and credits to the Bill Payment Account(s) and/or Billing Account(s) and require you to confirm that you have received these before you begin using Bill Pay. Your Account must be in good standing to use Bill Pay.

c. Payment Authorization and Payment Remittance

By providing Bill Pay with names and Account Information of Billers to whom you wish to direct Bill Payments, you authorize us to follow the Payment Instructions that we receive through Digital Banking. When you submit a Payment Instruction, you authorize us to debit your Bill Payment Account and send the funds on your behalf to the Biller so that they arrive as close as reasonably possible to the Scheduled Payment Date. If the Scheduled Payment Date falls on a non-Business Day, it will be considered to be the previous Business Day. You authorize us to credit payments to your Bill Payment Account that another person sends you, that the Biller returns to us, or that the United States Postal Service returns to us.

When you set up Billers and make Bill Payments, you must provide us with complete and accurate names and Account Information. You must keep this Account Information updated. All changes that you make are effective immediately. We are not responsible for any Bill Payment processing errors or fees incurred if you do not provide accurate information. Incomplete or inaccurate information in your Payment Instruction may result in delays.

d. Limitations on Payment

There are limits to the amounts you can pay by electronic payments using Bill Pay. If those limits are exceeded, we will schedule your Bill Payment to be paid by check. We reserve the right to change those limits from time to time.

e. Scheduling a Payment

You may schedule two (2) types of Bill Payments: One Time Payments or Recurring Payments.

We will display the earliest possible Scheduled Payment Date for each of your Billers when you are scheduling the Bill Payment. You must select a Scheduled Payment Date that is no later than the actual due date reflected on your Biller's billing statement. However, if the actual due date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual due date. Scheduled Payment Dates must be prior to any late payment date or grace period. We may debit your Bill Payment Account prior to the Scheduled Payment Date, depending on the Payment Method.

There are three different Payment Methods for Bill Payments: electronic, traditional paper checks and "corporate checks". Electronic payments (including ACH) are when we, or our Vendor, generate an electronic remittance to send to your Biller. The funds for electronic payments will be debited from your Bill Payment Account on the Deliver By Date. Certain Bill Payments may be processed using a prepaid, single-use virtual card. Single-use cards provide a fast and secure way for your payment to be delivered. Please note in the event your payment is processed using a virtual card, you will not recognize the payment method and/or card numbers on any payment confirmation communication you may receive from your Biller. A traditional paper check or "draft check" is when we, or our Vendor, generate an individual paper check for the amount of your Bill Payment to your Biller. Traditional payment checks will be debited from your Bill Payment Account on the date that the check is cashed by the Biller. A "corporate check" is a bulk check generated by us, or our Vendor, to a Biller that covers your Bill Payment along with bill payments arranged by other customers. "Corporate checks" will be debited from your Bill Payment Account on the Scheduled Payment Date, regardless of when the check is cashed by the Biller.

We, and our Vendor, in our sole discretion, will decide the Payment Method for each Bill Payment and reserve the right to change the Payment Method at any time up until the Bill Payment begins processing. As the Payment Method is subject to change, you should ensure that you have sufficient funds in your Bill Payment Account to cover each Bill Payment at least two Business Days' prior to the Scheduled Payment Date.

f. Expedited Payments

Depending on your Biller, you may have an option to make a same day electronic payment or send a check overnight as an Expedited Payment. Overnight check delivery is not available to Billers with a post office box address or with an address in Alaska, Hawaii or any United States territory. Each participating individual Biller sets its own payment cutoff times for Expedited Payments which are subject to change from time to time. We must receive your Payment Instruction prior to the Biller's cut-off time for the applicable Business Day. When you schedule an Expedited Payment, we will display the earliest Scheduled Payment Date available and the applicable fee.

This fee is also set forth in the disclosure that applies to your Bill Payment Account and may change from time to time.

g. Bill Pay Service Guarantee

We will be responsible for any late payment charges that your Biller charges you for a Bill Payment made from a Personal Account (excluding Expedited Payments) (the "Bill Pay Service Guarantee"), up to \$50.00 for each scheduled Bill Payment that is paid late, provided: (i) the Scheduled Payment Date was selected in accordance with the requirements set forth in Section III.D.3.e above (Scheduling a Payment); (ii) the amount of the Bill Payment was sufficient to avoid the Biller's late charge; (iii) there were sufficient funds in the Bill Payment Account on the Scheduled Payment Date to cover the Bill Payment; (iv) your Bill Payment Account and your Payment Instruction met the requirements of Section III.D.3.b through e above; (v) your Billing Account was open and in good standing with the Biller on the Scheduled Payment Date; (vi) the Bill Payment was not an Exception Payment or a Prohibited Payment; and (vii) the Bill Payment was not delayed for any reason listed under Section III.D.3.h below (Failed, Returned, and

Delayed Transactions). You must provide us notice of the late payment fee no more than two (2) Business Days after your discovery of the late payment fee received by your Biller.

h. Failed, Returned, and Delayed Transactions

We will attempt to complete all of your Payment Instructions properly. However, we shall incur no liability and the Bill Pay Service Guarantee (as described in Section III.D.3.g above) shall be void if we are unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances: (i) the Bill Payment Account does not contain sufficient funds to complete the Payment Instruction; (ii) you have not provided us with accurate or complete information; (iii) a Biller cannot or will not accept a Bill Payment that we delivered; (iv) we suspect that the Biller is a blocked entity under Office of Foreign Assets Control Sanctions by the U.S. Department of the Treasury; (v) we suspect the Bill Payment is fraudulent; (vi) our Vendor's payment processing center is not functioning properly and you know or were advised by us about the malfunction or issue before you initiate the Bill Payment; or (vii) other Circumstances Beyond our Control.

Provided none of the foregoing exceptions apply, if the Bill Pay Service causes an incorrect amount of funds to be debited from your Bill Payment Account or causes funds from your Bill Payment Account to be directed to a Biller which does not comply with your Payment Instructions, we will (i) return the improperly debited funds to your Bill Payment Account, (ii) direct any previously misdirected Bill Payments to the proper Biller, and (iii) reimburse you under the Bill Pay Service Guarantee, provided the conditions in Section III.D.3.g (Bill Pay Service Guarantee) above are met.

If a Biller and/or the United States Postal Service return a Bill Payment to us for any reason, such as a Biller's forwarding address expired, a Biller account number is not valid, a Biller is unable to locate your Billing Account, or your Billing Account is paid in full, we will attempt to research and correct the returned Bill Payment and return it to your Biller, or void the Bill Payment and credit your Bill Payment Account. If a Biller fails to cash a "corporate check" within 90 (ninety) days of the Scheduled Payment Date, we, or our Vendor, will credit the amount of the applicable Bill Payment included in the "corporate check" to your Account.

We will notify you of each Scheduled Payment that does not result in a Bill Payment because of any of the above reasons. If the Bill Payment does not occur due to any of items (ii) through (v) in the first paragraph of this Section III.D.3.i above, we may request that you provide additional information regarding the failed Scheduled Payment. If you do not provide the information we need to resolve the failed Bill Payment within five (5) Business Days, we will cancel the Scheduled Payment and re-credit the funds to your Bill Payment Account.

We will notify you if your Scheduled Payment is returned or if we are notified by a Biller of a delay in processing. We may instruct you to call Customer Service or we may call you if we need more information in order to process the Bill Payment.

i. Suspension or Termination of Bill Pay

You agree that we may terminate or suspend your use of the Bill Pay Service at any time and for any reason or no reason. You will be notified by email and/or mail of any such action with information on the status of your Bill Payment Account and directions on steps to take to reactivate your Bill Payment Account.

Neither termination, cancellation nor suspension shall affect your liability or obligations under this Agreement. If we terminate, cancel or suspend your use of the Bill Pay Service, it is your sole responsibility to find another way to make any Scheduled Payments. You agree that we are not responsible or liable for the failure to process any Scheduled Payment during any time that we have terminated, cancelled or suspended your Bill Pay Service, whether or not there are sufficient funds in your Bill Payment Account(s).

If we terminate your or suspend your account, we will process any Scheduled Payment(s) scheduled to occur before the cancellation or suspension date and any payment(s) that have begun processing before the requested cancellation or suspension date. We will not complete any Scheduled Payments, including Recurring Payments, scheduled to occur after the cancellation or suspension date of your Bill Pay Service. If any of your Bill Payment Accounts are closed, we will automatically cancel your Bill Pay Service for the applicable Bill Payment Accounts. If you close your primary Account linked to Bill Pay and you have other Accounts linked as Bill Payment Accounts, we will designate one of your other Bill Payment Accounts as your primary Account for Bill Pay and continue to make all Scheduled Payments for each of the Bill Payment Accounts that remain open.

j. Payment Cancellation Requests

You may cancel or edit any Scheduled Payment (including Recurring Payments) by following the directions shown within the Bill Pay Service. There is no charge for canceling or editing a Scheduled Payment. Once we have begun processing a payment it cannot be cancelled or edited.

k. Termination of Bill Pay Service

You may terminate your Bill Pay Service at any time. We will complete any Scheduled Payment(s) scheduled to occur before the cancellation date. We will not complete any Scheduled Payments, including Recurring Payments, scheduled to occur after the cancellation date of your Bill Pay Service. We may terminate your Bill Pay Service at any time. If any of your Bill Payment Accounts are closed, we will automatically cancel your Bill Pay Service for the applicable Bill Payment Accounts. We will not make any Scheduled Payments, including Recurring Payments, from any of the closed Bill Payment

Accounts. If the primary Account linked to your Bill Payment Account is closed, we will automatically (i) cancel your Bill Pay Service if the closed Account is your only Account registered with Bill Pay and (ii) cancel any Scheduled Payments (including Recurring Payments) from the closed Account. You must make other arrangements to make these payments. If you close your primary Account linked to Bill Pay and you have other Accounts linked as Bill Payment Accounts, we will designate one of your other Bill Payment Accounts as your primary Account for Bill Pay and continue to make all Scheduled Payments for each of the Bill Payment Accounts that remain open.

l. Exception Payments Requests

You may schedule Exception Payments through the Service. However, we discourage Exception Payments and you schedule them at your own risk. Except as required by applicable law, in no event shall we be liable for any claims or damages resulting from your scheduling of Exception Payments. We have no obligation to research, resolve, or honor any claim resulting from an Exception Payment.

m. Fees and Additional Charges

Any fees associated with your Accounts continue to apply to the Bill Pay Service. You agree that we may deduct all fees for using the Bill Pay Service and other amounts that you have agreed to pay hereunder with respect to the Bill Pay Service from your Bill Pay Account at the time your Bill Payment is processed.

n. Electronic Bills (eBills)

The Bill Pay Service includes a feature that electronically presents you with eBills from select Billers. Ebills may not be available from all of your Billers. We provide eBills as a convenience only. You are solely responsible for contacting your Billers directly if you do not receive an eBill or statement. If you elect to activate one of our eBill options, you agree to the following:

- 1. Presentation of eBills.** You will receive eBills from a Biller in connection with Bill Pay only if: (a) you have provided Bill Pay with the name and Account Information of the Biller, (b) the Biller has arranged with us or our Vendor to deliver eBills, and (c) either (i) you affirmatively elect within Bill Pay to receive eBills from the

Biller, or (ii) the Biller chooses to send you eBills on a temporary "trial basis." You can elect within Bill Pay to stop receiving eBills from a Biller. Electing to receive eBills, automatically receiving trial eBills, and declining further elected or trial eBills all occur on an individual Biller basis. We do offer an option to opt not to participate in the automatic trial eBill feature for any Biller. When affirmatively electing to receive eBills from a particular Biller, your Biller may present you with terms for your acceptance. We are not a party to such terms.

2. **Paper Copies of eBills.** If you start receiving eBills from a Biller, the Biller may stop sending you paper or other statements. The ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. Check with the individual Biller regarding your ability to obtain paper copies of eBills.
3. **Sharing Information with Billers.** You authorize us to share identifying personal information about you (such as name, address, telephone number, Biller account number) with persons or entities that you have identified as your Billers and which we have identified as offering eBills for purposes of matching your identity on Bill Pay's records and the Biller's records to (a) activate your affirmative request for eBills, and/or (b) confirm your eligibility for "trial basis" eBills. You agree that we may provide the Biller with your email address, service address, or other data specifically requested by the Biller. Providing this information will allow the Biller to match your identity against its records or inform you about the Biller's services and/or bill information. Please review our Privacy Notice and Digital Privacy Policy in order to better understand our commitment to maintaining your privacy, as well as our use and disclosure of your information.
4. **Information held by the Biller.** We are unable to provide Billers updates or changes to your personal information such as your name, address, phone numbers and email addresses that the Biller holds. You must contact your Biller directly to make any changes to your personal information. It is your responsibility to maintain all usernames and passwords for all Biller websites.
5. **Activation.** We will notify the Biller of your request to receive eBill information. The presentment of your first eBill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. It is your responsibility to keep your accounts current with the Biller until we activate your eBill feature. Each Biller reserves the right to accept or deny your request to receive eBills.
6. **Authorization to obtain bill data.** You authorize us to obtain bill data from your Billers that you have requested to send you eBills, and from your Billers that wish to send you trial eBills. For some Billers, we will ask you to provide us with your user name and password for that Biller. By providing us with such information, you authorize us to use the information to obtain your bill data.
7. **Notification.** We will attempt to present all of your eBills promptly. In addition to notification within the Service, we may send an email notification to the email address listed for your Account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to Digital Banking and check on the delivery of new eBills. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills.
8. **Cancellation of electronic bill notification.** The Biller reserves the right to cancel the presentment of eBills at any time. You may cancel eBill presentment at any time. The timeframe for cancellation of your eBill presentment may vary from Biller to Biller. It may take up to sixty (60) days, depending on the billing cycle of each Biller. We will notify your Biller(s) as to the change in status of your Bill Payment Account and it is your sole responsibility to make arrangements for an alternative form of bill delivery. We will not be responsible for presenting any eBills that are already in process at the time of cancellation.

9. **Non-Delivery of eBill(s).** You agree to hold us harmless should the Biller fail to deliver your eBill or statement(s). You are responsible for ensuring timely payment of all bills. You must request copies of previously delivered bills directly from the Biller.
10. **Accuracy and dispute of eBills.** We are not responsible for the accuracy of your eBills. We are only responsible for presenting the information we receive from the Biller. You must address and resolve any discrepancies or disputes relating to your eBill directly with the Biller.
11. **Access to someone else's eBills.** You agree not to use someone else's information to gain unauthorized access to another person's eBill.

This Agreement does not alter your liability or obligations that exist now or in the future between you and your Billers.

o. Authorization to Obtain Financial and Other Information

You agree that we have the right to obtain financial and other information regarding you and your Billing Accounts from any Biller. For example, we may need information to resolve payment posting problems or for verification.

p. Biller Limitation

We will monitor Bill Pay Services for compliance with laws and regulations governing currency transactions and money laundering. We reserve the right to refuse to pay any Biller to which you may direct a Bill Payment or refuse any Scheduled Payment. As required by law, we will notify you promptly if we refuse to pay a Biller designated by you or refuse to make a Scheduled Payment. This notification is not required if you attempt to make a Prohibited Payment under this Agreement or an Exception Payment.

G. PAYMENTS TO YOUR BMO CREDIT CARDS

1. Description of Service

You can transfer funds from your BMO Accounts and External Accounts to make payments for eligible credit card Accounts with us. Payments can be made on a one-time or automatic basis. One-time Payments may be scheduled immediately or for a future date. If you set up automatic payments to your credit card Account to occur each billing cycle, the payment may only be established for the minimum amount due or your full statement balance. In the event your payment due date falls on a nonbusiness day, your account will be debited on the next business day.

If you chose to set up automatic payments, we may reduce the amount of your payment when any unscheduled payments or debits have been made after the closing date shown on your billing statement and prior to the next scheduled payment date of your automatic payment. We will not debit your designated account in an amount that would cause your credit card Account to have a credit balance. Any future dated payments cannot exceed your new balance. You must ensure that there are sufficient funds in the Account or External Account you designate to make the payment from on the scheduled payment date. If you have insufficient funds or any electronic payment is returned unpaid for any reason, you may be charged fees based on the terms and conditions of your credit card cardholder agreement.

We have no duty or obligation to use third party information provided through Total Look for the purpose of determining the prudence or suitability of any security transactions between you and us or any of our Affiliates or the investment policies or asset allocation for any investment management or fiduciary services that we or any of our Affiliates provide to you. We have no duty or obligation to use such information to update investment prudence or suitability information that we may have on file for you.

6. Brokerage Products

Brokerage products and services are NOT FDIC INSURED, NOT GUARANTEED BY ANY BANK, and MAY LOSE VALUE. Access to affiliated and other brokerage sites are subject to the terms and conditions or agreements with the specific entity. Information displayed through Total Look is not consistent with the requirements of U.S. securities regulations and is not a substitute for confirmations and statements required by SEC, FINRA and MSRB rules.

7. Third-Party Accounts

When you use Total Look to access a third party website you have designated, you grant us and our Vendors, as your true and lawful attorney-in-fact, with full power of substitution and re-substitution, for you and in your name, place and stead, in any and all capacities, to access third party websites, retrieve Account Information, and use your information for the purposes necessary and appropriate for the services you have enrolled in, with full power and authority to do what is required in connection with those activities, to the full extent that you could do in person.

In addition, we may use your information to: help optimize your use of Total Look; understand what additional tools, functionality or functionality may be beneficial to you; and develop, offer and provide you with additional products of services.

You represent that you are a legal owner of or otherwise are legally authorized on the accounts at third party websites which you include in Total Look and that you have the authority to (i) designate the Bank as your agent, (ii) use Total Look and (iii) give us your passwords, usernames, and all other information you provide. YOU AGREE AND ACKNOWLEDGE THAT WHEN WE ACCESS AND RETRIEVE INFORMATION FROM A THIRD-PARTY WEBSITE, WE ACT AS YOUR AGENT, AND NOT THE AGENT OR ON BEHALF OF THE THIRD PARTY. We have no responsibility for transactions and inquiries that you initiate at any third-party website. You agree to comply with the terms and conditions of non-BMO accounts that you include in Total Look. You agree to direct any disputes or questions about any transaction on any third-party website to the account provider. The owners and operators of third-party websites are entitled to rely on the authorizations, agency and power of attorney that you have provided above. The balances that we display on Total Look reflect the most recent refresh and may not be accurate if a refresh was not successfully completed or the information obtained during the refresh from the third party is otherwise not accurate or current.

Alert Notifications include both Security Alerts that we may send automatically and Account Notifications that you can sign up to receive for eligible Accounts. You cannot opt out of receiving Security Alerts. Examples of Security Alerts include notice of: (i) a password change for Digital Banking, (ii) Paperless Statement availability, (iii) Internal Transfer failures, (iv) potentially fraudulent activity and (v) verification requests. You will receive Account Notifications only if you set up alerts in Digital Banking. Examples of Account Notifications that you can elect to receive include notice of: (i) successful Internal Transfers, (ii) loan Account payments due and (iii) Account balances below thresholds you set.

You agree that we are not responsible for your failure to timely receive Alert Notifications due to Circumstances Beyond Our Control. We cannot guarantee the delivery or accuracy of Alert Notifications. You agree that we are not liable for any delays, delivery failures, and deliveries of misdirected Alert Notifications or errors in the content of Alert Notifications. We are not liable for any actions you or any third party take or fail to take in reliance on an Alert Notification.

You understand and agree that we will send you unencrypted Alert Notifications. The Alert Notifications may include your name and Account Information, including, for example, balance, Biller names, or transaction amounts. We reserve the right to terminate Alert Notifications at any time without prior notice to you.

For more information about Security Alerts and Account Notifications, including, among other things, what Accounts are eligible, your delivery options and how to set up Account Notifications, please see the Frequently Asked Questions found at: www.bmo.com/en-us/main/personal/digital-banking/faqs/.

I. CARD MONITOR AND ALERTS

1. Card Monitor for Credit, Debit or ATM Cards

Card Monitor allows you to: (i) control the use of your debit or ATM card from your Eligible Mobile Device in real-time and (ii) receive instant notifications on your Eligible Mobile Device when your credit, debit or ATM card is used in certain ways. You can set various Debit Card Controls to, among other things, activate or deactivate your debit or ATM card or restrict card usage to specific merchant types, transaction types, geographic regions and dollar amount thresholds. You can also sign up for Card Alerts to receive notifications when your credit, debit or ATM card is used: (i) by merchant type or transaction type, (ii) above a threshold amount that you set or (iii) for international purchases. For credit card Accounts, you may also choose to receive Card Alerts via email, and notify you of Account balance or payment activity.

2. Terms Specific to Card Alerts

You understand and agree that:

- a. Card Alerts may not be sent on a "real time" basis, but instead may be sent at the next scheduled delivery time after the specified transaction event occurs;
- b. We reserve the right to change the delivery methods available, frequency or timing of Card Alerts at any time, without prior notice to the extent allowed by law;
- c. Card Alerts are not intended to replace your account statements or any other Communications we may provide to you regarding your Account;
- d. If you elect to receive Card Alerts through Mobile Banking, you must safeguard your Eligible Mobile Device and not hold us responsible if a third-party views or hears any Card Alert we initiate;
- e. Card Alerts are provided as a convenience for you and we have no obligation to initiate any particular Card Alert, even if you have expressly requested one;
- f. We have no responsibility to you for not sending a Card Alert you have requested or for sending such request in an untimely manner;

- g. You will not receive our Card Alerts sent to your Eligible Mobile Device if the device is turned off, the Mobile App is deleted from your Eligible Mobile Device, or your Eligible Mobile Device is otherwise incapable of receiving Card Alerts; and
- h. We are not responsible for any failures on the part of your telecommunications or Internet provider to properly enable your receipt of Card Alerts.

3. Terms Specific to Debit Card Controls

You understand and agree that: 1) Debit Card Controls are not intended to replace your Account statements or any other Communications regarding your Account; 2) Debit Card Controls do not eliminate your duty to examine Account statements; 3) Debit Card Controls do not eliminate your responsibility for any transaction that you, or someone that you have provided your debit or ATM card information to, authorize; 4) the procedures for handling Unauthorized Transactions, and your liability for such Unauthorized Transactions, are set forth in your deposit Account Agreement; and 5) the only Debit Card Control that will block preauthorized Recurring Payments is the "Auto-Pay" Control. None of the other available Debit Card Controls apply to Recurring Payments. If you elect to disable your debit or ATM card for use as a Debit Card Control, all card transactions except for Recurring Payments will be blocked until you re-enable your card in Mobile Banking. Debit Card Controls may only be set up and managed through Mobile Banking.

4. Additional Terms

You may not be able to enroll in Card Monitor if your Account is not in good standing. We make no promise to you that enrollment in Card Monitor will reduce the chance of fraud or misuse of your Account. Card Monitor is subject to any limits that we may periodically set, including limits on the number of Card Alerts we may send, types of Debit Card Controls you may enable, or limits upon cardholders who may enroll as well limits on Card Monitor functionality. We do not control merchant type or transaction type categories, which are defined by the payment processing network. We may suspend or terminate Card Monitor at any time. Not all Card Monitor features may be available for all cardholders or Accounts.

Our Card Alerts and Debit Card Controls are largely based on transaction information passed to us by payment networks and merchants. We generally do not verify the accuracy of this information. If such information is inaccurate, not consistent with an aspect of the transaction or not received by us in a timely manner, it may cause us to improperly send or not send a Card Alert or apply or not apply a Debit Card Control. For example, if you set a Debit Card Control to limit the use of your debit card to merchants in Illinois, we may permit your card to be used at a merchant in California if the transaction information for some reason reflects an Illinois address for the merchant. We have no responsibility to you when we send or do not send a Card Alert or apply or do not apply a Debit Card Control based on our reliance on transaction information provided to us (or provided to us late) by a merchant or card network.

Since Card Alerts and Debit Card Controls may be triggered by transactions (e.g., a suspicious overseas purchase), we may initiate Card Alerts very late at night or very early in the morning. Account Information sent to you through Card Alerts or Debit Card Controls may not reflect transactions that we have not fully processed or posted and may be delayed due to systems or service outages, technology failures or system capacity limitations.

5. Frequently Asked Questions about Card Monitor

For additional information about the Card Monitor Service, please see the Frequently Asked Questions found at www.bmo.com/en-us/main/personal/digital-banking/faqs/. Among other things, this includes helpful information on how to enroll or un-enroll a credit, debit or ATM card in Card Monitor, the types of Debit Card Controls and Card Alerts currently available and how to set them up.

J. PAPERLESS STATEMENTS

You may elect to suppress paper Account statements and receive periodic Account statements in electronic form only by selecting "Paperless Statements" for eligible Accounts through your Digital Banking preferences. In such case, we will make your periodic Account statements for each selected Account available through Digital Banking and you will no longer receive paper statements in the mail.

We may advise you that Paperless Statements are available to review by: (i) sending you information by email; (ii) displaying a notice on your Eligible Mobile Device; or (iii) sending you a Secure Message. You may withdraw your consent to suppress paper Account statements and receive Paperless Statements only by calling us at the Contact Number or by changing your preferences within Digital Banking. Changing your statement preferences may result in a fee or change in fee for some Accounts. Please refer to your Account Agreement and/or applicable product disclosure for additional information.

IV. UNAUTHORIZED TRANSACTIONS

A. FOR PERSONAL ACCOUNTS

1. Consumer Liability for Unauthorized Transactions

If you have a Personal deposit Account the procedures for handling Unauthorized Transactions, and your liability for such transactions, are set forth in Sections 5 and 7.M of your Account Agreement. You may also be eligible for the Digital Banking Guarantee if your Unauthorized Transaction meets the terms and conditions for eligibility provided in Section IV.A.3 below.

The Services may allow you to access one or more loan Accounts with BMO. With line of credit Accounts, you may be liable for the unauthorized use of your loan Account. Please refer to your loan Account Agreement for further information.

Please call our Contact Number AT ONCE if you believe your Security Credentials have been lost or stolen. Telephoning is the best way to minimize your losses.

2. Resolving Errors or Problems

- a. If you think your deposit Account statement is wrong or if you need more information about a transfer listed on the statement, contact us by any of the methods listed in Section V.A.2 (Contacting Us; Customer Service) as soon as you can.
- b. If you think there is an error on your loan Account statement, please refer to your Account Agreement for the procedures to notify us.
- c. Please note that if you do not notify us in writing and in accordance with the procedures set forth in your Account Agreement, we may not be required to investigate any potential errors or provide provisional credit to your Account.

3. Digital Banking Guarantee

If you have a Personal Account, you are entitled to certain protections under federal law, described in your Account Agreement.

The Bank provides Personal Account Owners with certain additional protections beyond the requirements of federal law that apply to your Digital Banking transactions. We will pay you the full amount of an Unauthorized Transaction that occurs through Digital Banking, subject to the limitations provided below (the "Digital Banking Guarantee"). The Digital Banking Guarantee does not apply to an Unauthorized Transaction if:

- a. You have not notified us within two (2) Business Days of (i) discovering an Unauthorized Transaction from your Personal Account, (ii) losing your Security Credentials, or (iii) believing that an unauthorized person has access to your Security Credentials;
- b. You provided your Security Credentials to another person or allowed another person to access Digital Banking; or
- c. You failed to keep your Security Credentials, your computer, Eligible Mobile Device or computing session/internet access secure.

For purposes of this Section the term "secure" includes, but is not limited to, (i) maintaining appropriate passwords and other security measures for personal computers, Eligible Mobile Devices and Internet access and (ii) storing Security Credentials, personal computers or Eligible Mobile Devices in a protected manner so as to prevent access by unauthorized persons.

B. FOR BUSINESS ACCOUNTS

1. Acknowledgment of Commercially Reasonable Security Procedures

When you use the Services for Business Accounts, you agree that this Agreement sets forth security procedures for electronic banking transactions that are commercially reasonable. You consent to all actions that we take when we receive any instruction that uses your Security Credentials.

2. Unauthorized Transactions — Limitation of Liability for Business Accounts

WE WILL HAVE NO LIABILITY TO YOU FOR ANY UNAUTHORIZED TRANSACTION WHERE YOUR SECURITY CREDENTIALS ARE USED IN THE TRANSACTION AND THE TRANSACTION OCCURS BEFORE YOU HAVE NOTIFIED US OF POSSIBLE UNAUTHORIZED USE AND WE HAVE HAD REASONABLE OPPORTUNITY TO ACT ON THAT NOTICE. YOU ASSUME THE ENTIRE RISK FOR THE FRAUDULENT, UNAUTHORIZED OR OTHERWISE IMPROPER USE OF YOUR SECURITY CREDENTIALS. We are entitled to rely on the genuineness and authenticity of all instructions that we receive when accompanied by required Security Credentials, and to act on such instructions.

If we fail or delay in making a transaction, pursuant to your instructions, or if we make a transaction in an erroneous amount which is less than the amount in your instructions, unless otherwise required by law, our liability is limited to interest on the amount which we failed to timely make, calculated from the date on which the transaction was to be made until the date it was actually made or you canceled the instructions. We may pay such interest either to you or the intended recipient of the transaction, but in no event will we be liable to both parties, and our interest payment to either party will fully discharge any obligation to the other.

If we make a transaction in an amount that exceeds the amount in your instructions, or if we permit an Unauthorized Transaction after we have had a reasonable time to act on a notice from you of possible unauthorized use as described above, unless otherwise required by law, our liability will be limited to a refund of the amount erroneously paid or transferred, plus interest from the date of the Unauthorized Transaction to the date of the refund, but in no event to exceed thirty (30) days' interest. If we become liable to you for interest compensation under this Agreement or applicable law, interest will be calculated based on the average federal funds rate at the Federal Reserve Bank in the district where the Bank is headquartered for each day interest is due, computed on the basis of a 360-day year.

UNLESS OTHERWISE REQUIRED BY LAW, IN NO EVENT WILL WE BE LIABLE TO YOU FOR SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES INCLUDING, WITHOUT LIMITATION, LOST PROFITS OR ATTORNEYS' FEES, EVEN IF WE ARE ADVISED IN ADVANCE OF THE POSSIBILITY OF SUCH DAMAGES.

3. Resolving Errors and Concerns

If you have any questions about the Services or your Business Accounts, contact us by any of the methods listed in Section V.A.2 below (Contacting Us; Customer Service). If you have questions about electronic transaction or payments or if you think that your statement is wrong or you need more information about a transaction listed on the statement, contact us immediately by telephone, electronically or in writing as specified above. **We must hear from you no later than thirty (30) days after we provided or otherwise made available to you the first statement on which the problem or error appeared.** Failure to timely notify us will preclude you from being able to assert a claim. Any errors reported will be investigated by us and we will advise you of the results of our investigation.

Except as required by applicable law, in no event are we or our Vendors liable for claims or damages resulting from your scheduling of Prohibited Payments. G. TERMINATION OF THE SERVICES

We can suspend or terminate this Agreement, or limit, suspend or terminate your access to the Website and/or the Services at any time without notice to you for any reason. Our suspension or any termination of your access to the Services will not affect any obligations or liability you have under this Agreement.

In addition to terminating, suspending, or limiting your access to or use of the Website, if we have reason to believe that you have breached your obligations under this Agreement, we may (i) notify law enforcement, regulatory authorities, impacted third parties, and others as we deem appropriate; (ii) refuse to provide our services to you in the future; and/or (iii) take legal action against you. The remedies contained in this Section are cumulative and are in addition to the other rights and remedies available to us under this Agreement, by law or otherwise.

(a) to continue to be bound by this Agreement, (b) to immediately stop using the Services, (c) that your license to the Software provided under this Agreement shall end, and (d) that we shall not be liable to you or any third party for termination of access to the Services.

H. RECORDS

You agree that records that we keep in the regular course of business accurately reflect your instructions to us. You agree to indemnify, defend and hold harmless our Vendors and us and the respective officers, directors, employees and agents of our Vendors and us, from and against claims, losses, damages, liabilities, costs or expenses, including reasonable attorneys' fees that we or they may incur in connection with or related to: (i) your access to or use of the Services, (ii) the use of the Services by anyone using your Security Credentials or the Security Credentials we assign to someone else at your direction; (iii) your provision of a telephone or mobile number, email address, or other delivery location that is not your own; your violation of applicable federal, state or local law, regulation or ordinance; your violation of this Agreement; or (iv) your infringement, or infringement by any other user of your Account, of any intellectual property or other right of anyone. The preceding indemnity does not extend to claims, losses, damages, liabilities, costs or expense to the extent they are caused solely by the gross negligence or willful misconduct of us or our Vendors. Your obligations under this Section V.H survive termination of this Agreement.
