

This Treasury Services Master Agreement (this “*Master Agreement*”) is made as of the date appearing on the signature page of the Bank representative signing this Master Agreement, between (“*Client*”) and BMO Bank N.A. (“*Bank*”). This Master Agreement includes the terms and conditions pursuant to which Bank will provide to Client its treasury and payment solutions products and services (the “*Services*”). Any reference in any existing or future agreement between Client and Bank to a “Global Treasury Management Services Master Agreement” or any other prior services agreement for treasury and payment solutions products and services shall be deemed to be a reference to this Master Agreement.

In consideration of the mutual promises herein, Client and Bank agree as follows:

1. Services.

Bank will make available to Client the Services selected by Client and described on the Service Selection Form, which is part of this Master Agreement (as updated or amended from time to time, the “*Service Selection Form*”). By completing and signing the Service Selection Form for a particular Service or Services, Client selects that Service or Services and agrees to the terms and conditions of the related service description, including any appendices (the “*Service Description*”), and other Service Documentation (as defined below) for that Services. Client may add Services by submitting to Bank an executed copy of the Service Selection Form for the new Service. Any other services or features Bank provides in connection with a Service which are not listed in the Service Selection Form are also considered “Services” and are subject to this Master Agreement and any related Service Documentation. Other than as expressly set forth herein or in the Service Documentation for a particular Service, the Services are only available for commercial cash management banking purposes and may not be used for personal or consumer banking purposes of any kind.

Upon acceptance and approval by Bank of this Master Agreement and the Service Selection Form for the Services Client requests, and the completion of any required setup process, Bank will make the requested Services available to Client. If Client does not execute the Service Selection Form for a particular Service, but nevertheless uses that Service in any manner, Client’s first such use constitutes Client’s agreement to the Service Documentation for that Service, including the applicable Service Description, in the form Bank presented to Client.

2. Governing Agreements and Documentation.

(a) *Service Documentation.* Client’s use of the Services is governed by this Master Agreement and the following documents (collectively, the “*Service Documentation*”), all of which are incorporated by reference into this Master Agreement (as applicable):

- Service Descriptions;
- Service Selection Forms;
- setup and security instructions and procedures; and

- user guides, questionnaires, and other instructions and manuals for Services provided by Bank (as updated from time to time, “*User Guides*”).

If there is any conflict between any term or provision of the Service Documentation for a particular Service and the terms and provisions of this Master Agreement, the Service Documentation will control with respect to such Service to the extent of such conflict. If there is any conflict among the Service Documentation for a particular Service, the Service Description will control to the extent of the conflict. Terms which are defined in this Master Agreement have the given meaning when used in the Service Documentation unless otherwise specified.

All deposit account(s) that are enrolled in the Services (the “*Accounts*”) will remain subject to the applicable deposit account agreement (“*Account Agreement*”) and Client’s use of the Services will also be governed by such Account Agreement, which is incorporated by reference in this Master Agreement. If there is any conflict between the applicable Account Agreement and this Master Agreement or any Service Documentation, then this Master Agreement or the Service Documentation controls. Capitalized terms used herein and not otherwise defined shall have the meaning given in the applicable Account Agreement.

- (b) *Service Changes.* Bank may from time to time add to, discontinue or modify the Services and may update or make changes in the Service Documentation relating to a Service. Bank will give Client notice of any material change and such change will be effective as of the date specified in the notice sent to Client. Bank reserves the right to notify Client of changes and updates electronically or by Internet posting, mailing, or other means permitted by law. The right to change fees and charges and the right to change the terms of this Master Agreement are addressed in Section 12.
- (c) *Authorized Individuals; Contact Information.* Before accessing any Service, Client must provide to Bank (or there must be on file with Bank) a signed and completed Certificate of Account Resolutions in the form provided by Bank or other form acceptable to Bank (“*Account Resolutions*”). The Account Resolutions evidence the proper authority of the persons (“*Authorized Individuals*”) signing this Master Agreement, the Service Selection

Form, and any authorization forms, and provide Bank with any contact information that Bank may require in connection with Client's use of a Service. Bank is entitled to rely on such authorization and contact information according to its terms until Bank receives properly authorized written notice in the form provided by Bank or other form acceptable to Bank that the existing authorization and/or contact information is changed or terminated and Bank has a reasonable opportunity to act on such notice. If Client instead chooses to communicate changes to Bank by some other means, Bank is entitled (but not obligated) to rely on such communications and the changes as having been duly authorized by Client if Bank in good faith believes the communications came from someone authorized by Client to deliver it. Bank will not be responsible for losses if Client fails to timely and properly notify Bank of changes in authorization and/or contact information. Client must also promptly notify Bank in writing of any change to Client's name or address.

3. Obligations and Acknowledgments.

- (a) *Account Statements and Reconciliation.* At Client's election, Bank will either provide to Client electronically through Bank's Online Banking for Business Service ("OLBB") or by mail periodic statements, notices, canceled checks, and other information regarding the Accounts and Account activity, including any activity resulting from Services. Client agrees to promptly examine each such statement, notice, canceled check, and other information (whether originals, images, copies, or in other formats) and to promptly notify Bank of any erroneous charges, payments, missing or incorrect deposits, credits, debits, or other entries to Accounts ("errors") or other Account problems, including a forged or unauthorized signature or alteration, or unauthorized or missing endorsement, in accordance with the requirements and procedures, including time frames, provided in the applicable Account Agreement. If Client fails to notify Bank as described above, Bank will not be obligated to re-credit or refund the amount of the error or Account problem and Client will be precluded from asserting the error or Account problem against Bank. If Client makes a claim for an error or problem, Client agrees to cooperate with Bank in the investigation of the situation (including providing an appropriate affidavit as Bank may request) and any effort by Bank to recover funds on Client's or Bank's behalf.

Unless Bank has otherwise agreed in the Service Documentation for any Service Bank provides to Client, funds transfers to and from Accounts will be reflected on the periodic statements Bank sends or makes available to Client or the applicable Account owner.

- (b) *Electronic Information.* Some Services allow Client to view and receive information about Account balances, activity, transactions, and other cash management information electronically, via the Internet through one of Bank's access Services, or by other electronic means. Account information changes frequently and is subject to updating, verification, and correction. Since the information may change during the delay between when the information was last sent to Client or posted by Bank and when Client receive or access the information, Bank

assumes no responsibility for Client's reliance on such information which is subsequently updated, verified, or corrected.

- (c) *Client's Vendors.* If Client engages any third party in connection with any Service ("Vendor"), the Vendor is Client's agent. Client is solely responsible for ensuring that Client's Vendor complies with Client's obligations under this Master Agreement and the Service Documentation (including Security Procedures, as defined below, relating to the Services). Client is bound by all information, Orders (as defined herein), entries, or other instructions provided on Client's behalf by Vendors all as though such information, Orders, entries, or other instructions were provided by Client. Client confirms that Client grants authority to Vendors to legally bind Client with respect to their use of the Services. Client is liable for (i) any Vendor's failure to comply with any of Client's obligations under this Master Agreement and the Service Documentation, (ii) all fees, costs, and expenses owed to each Vendor for its services on Client's behalf, and (iii) any claims, damages, costs, and expenses incurred by Client or Bank as a result of any Vendor's failure to perform, or delay or error in performing, its services on Client's behalf.
- (d) *Use of Third Parties by Bank.* Bank may use the services, software, hardware or equipment of third parties to provide or facilitate all or any portion of the Services, including call centers, Website hosts, contractors, processors, and the like. Client agrees that Bank may disclose to any such third party any information regarding Client necessary to provide the Service and related support to Client.
- (e) *Money Laundering and Funding of Terrorism.* Client acknowledges that transactions made on Client's behalf may be subject to federal and state laws and regulations governing transactions in currency and other monetary instruments relating to money laundering activities and the funding of terrorism and that such laws and regulations may impose severe criminal penalties on those who participate or assist in such activities or in structuring of such activities to avoid reporting requirements. Client acknowledges that Bank may monitor transactions for compliance with such laws and regulations. Client agrees that Client will not engage in any transaction which would violate, or result in a payment in violation of, federal or state laws or regulations, including, without limitation, the federal laws and regulations administered by bank regulatory agencies and the Office of Foreign Assets Control ("OFAC") relating to money laundering and the funding of terrorism.
- (f) *Right of Setoff and Security Interest.* In addition to its other rights under this Master Agreement and the Account Agreement, Bank and each of its Affiliates may exercise the right of set-off against any or all of Client's Accounts and deposits and Client grants Bank a first priority security interest in all Accounts maintained by Client now or in the future with Bank or any of Bank's Affiliates to secure payment of any and all obligations regarding Services provided under this Master Agreement and the Service Documentation, whether direct or indirect, absolute or contingent, due or to become due, whether now existing

or hereafter arising, and whether several, joint or joint and several. For purposes of this Master Agreement, "Affiliate" means any corporation, limited liability company, or other legal entity that controls, is controlled by, or is under common control with another legal entity.

4. Security Procedures.

- (a) *Verification.* Bank requires that the authenticity of any payment order, Automated Clearing House ("ACH") entry, entry data, batch release, electronic data or transmission, or other instruction to transfer or pay funds or pay, return, or issue checks (collectively, "Orders") issued to Bank in Client's name in connection with any Service be verified pursuant to security procedures as provided in this Master Agreement or in the applicable Service Documentation ("Security Procedures"). Bank may also require that other instructions Client issues to Bank be delivered and accepted in compliance with Security Procedures.
- (b) *Acceptance of Security Procedures.* Client should carefully review the Security Procedures in light of the size, amount, and frequency of Client's transactions. Client's use of each Service indicates Client's agreement that the Security Procedures for the Service are commercially reasonable. If instead of accepting and following the Security Procedures Bank offers, Client chooses to communicate to Bank pursuant to some other procedure, Client is refusing the Security Procedures Bank recommends as commercially reasonable and Client will be bound by any Order or other instruction issued in Client's name and accepted by Bank in compliance with the procedure Client chooses.
- (c) *Security Procedure Limitations.* Client acknowledges that the Security Procedures are used to verify the authenticity of, but not to detect errors in, any Order transmitted by Client or in Client's name. From time to time Bank may at its option use additional procedures to verify or authenticate Orders. The Security Procedures do not verify the actual identity of the users of the Services and do not monitor the actions of the users to determine whether their Orders exceed the scope of their authority. The Security Procedures are in addition to, and do not limit, revoke, or affect the authority of any Authorized Individual to transmit Orders or any agreement now or hereafter existing between Client and Bank relating to Orders. Bank may continue to rely upon such authority and agreements and Bank is authorized to act upon Orders received from persons acting pursuant to such authority or agreements.

5. Confidentiality and Security.

- (a) *Confidential Service Information.* Client agrees that it is Client's responsibility to maintain the security and strict confidentiality of all account numbers, codes, and identification data, such as customer identification numbers ("Customer IDs") and passwords ("Customer Passwords") and user identification numbers ("User IDs") and passwords ("User Passwords"), provided to or used by Client in connection with any Service ("Identification Data") as well as information concerning access to any Service or Account, including the Security Procedures

("Confidential Service Information"). Client should disclose the Identification Data and the Confidential Service Information only to Authorized Individuals and Vendors who need to know the information in order to carry out their responsibilities with respect to the Services. Client also agrees to maintain the confidentiality of all Service Documentation, software, and other proprietary information regarding the Services which Bank provides to Client.

- (b) *Effective Policies and Procedures.* Client represents and warrants to Bank that Client has in place, and will maintain and enforce, effective policies and procedures to prevent unauthorized access to the Accounts, the Identification Data, the Confidential Service Information, and the Services, including unauthorized and erroneous transmission of Orders and other communications to Bank. Client agrees to take all steps necessary to ensure the security, accuracy, authenticity, confidentiality, and legitimacy of all communications to Bank and all access to the Services.
- (c) *Notification of Loss.* If at any time any Identification Data or Confidential Service Information has been lost, stolen, or misused, or Client believes that the security of communications between Client and Bank may be or has been compromised or is in any way insecure, Client must notify Bank immediately (with confirmation in writing) and assist Bank in investigating and remedying the situation. Client's notice will not affect any action taken by Bank, including transfers made or instructions carried out prior to the time Bank has received the notice and has had a reasonable opportunity to act on it.
- (d) *Obligations of Bank Regarding Confidential Information.* Except as otherwise provided herein or in any Service Documentation, Bank will maintain the confidentiality of the information Client provides to Bank in connection with the Services in accordance with its normal procedures for safeguarding commercial customer information, and Bank agrees to use such information only to provide the Services to Client and as otherwise required by law or permitted in any agreement between Client and Bank. Bank may disclose information (i) which is or becomes public other than as a result of disclosure by Bank in violation of this Section, (ii) which was or becomes available to Bank on a non-confidential basis from a third-party who is not known by Bank to be bound by a confidentiality agreement with Client with respect to such information, (iii) which is developed by Bank separate and apart from any disclosure by Client, (iv) to Affiliates of Bank, or to companies who provide services to Bank as described in Section 3(d), (v) as permitted under the Account Agreement or any other agreement between Client and Bank, (vi) in connection with any litigation involving, or the enforcement of its rights and remedies under or in connection with, this Master Agreement or any other agreement between Client and Bank, and (vii) to the extent required by applicable laws, regulations, or rules, including, where applicable, the rules of NACHA – The Electronic Payments Association® or other funds transfer systems used in connection with a funds transfer (collectively, "Applicable Law"), or court orders or other legal process (including in connection with examinations by banking authorities or to comply with subpoenas,

summonses, search warrants, or requests from government agencies).

- (e) *Use of Confidential Service Information.* All uses of the Services in accordance with the Security Procedures will be deemed to be authorized by and binding on Client or the applicable Account owner. Client's failure to protect Identification Data and Confidential Service Information may allow an unauthorized party to (i) use the Service(s), (ii) access electronic communications and financial data, and (iii) send Orders and communications to Bank or receive information from Bank. To the maximum extent permitted by law, Bank shall have no responsibility or liability whatsoever for any loss due to any unauthorized Order, instruction or other communication from Client, Client's Vendor, or any Authorized Individual to Bank, except to the extent that such loss is determined by an arbitrator in accordance with Section 16 or by a court of competent jurisdiction by a final and non-appealable order to have resulted from Bank's gross negligence or willful misconduct.
- (f) *Unencrypted Messages.* Client recognizes that unencrypted messages including email are not secure. If Client chooses to communicate with Bank by email, Client acknowledges that Bank may rely on the contents of the email as having been authorized by Client, if Bank accepts and acts on it in good faith. Client agrees that Bank may reply to Client in an email with the requested information. Client assumes the entire risk for any such unencrypted electronic communications.

6. Events of Default.

The occurrence of any of the following shall constitute an "Event of Default":

- (a) *Failure to Pay or Perform.* If Client fails to pay when due any amount payable, fails to satisfy any condition Client is required to satisfy, or fails to observe or perform any agreement or obligation, under this Master Agreement, any Service Documentation, or any other agreement between Client and Bank;
- (b) *Incorrect or Misleading Statements.* If any representation or warranty made by Client in this Master Agreement, any Service Documentation, or any other agreement between Client and Bank, or any certificate or statement of fact or any other communication from Client to Bank, is found to have been incorrect or misleading on or as of the date made in any respect Bank considers material;
- (c) *Insolvency, etc.* If Client is or becomes insolvent or bankrupt or is dissolved, liquidated or wound up; or any substantial assets of Client are seized or otherwise attached pursuant to legal process or other means; or any step or proceeding is taken by or against Client under or in respect of any bankruptcy, insolvency, reorganization or other similar law affecting creditors' rights, including a resolution passed by Client's directors, partners, managers, or members; or any assignment is made for the benefit of Client's creditors; or in the good faith opinion of Bank the financial condition of Client has become impaired;
- (d) *Judgments.* If one or more judgments, decrees, or orders is rendered against Client for the payment of money and

any of such judgments, decrees or orders would, in Bank's opinion, have a material adverse effect and continue unsatisfied and in effect for a period of more than ten (10) business days without being vacated, discharged, satisfied or stayed pending appeal; or

- (e) *Unenforceable Provisions.* If any provision of this Master Agreement Bank considers material is determined by an arbitrator in accordance with Section 16 or a court of competent jurisdiction to be unenforceable.

7. Termination.

- (a) This Master Agreement will continue in full force and effect until all Services have been terminated. Any Service may be terminated at any time by either Client or Bank upon at least thirty (30) days' prior written notice to the other party. Only the Service specified in such notice will be terminated, and no other Services will be affected.
- (b) Bank may, at its option, immediately and without any notice or other action (i) terminate this Master Agreement or any or all Services upon the occurrence and during continuance of an Event of Default, and (ii) terminate any Service if Bank determines that the Service has not been used by Client for a period of at least 12 months.
- (c) Upon termination of any Services under this Master Agreement:
- Client will immediately return to Bank or destroy the originals and all copies (in all formats and media) of software programs Bank licensed to Client, all User Guides, and all security and access devices with respect to those terminated Services.
 - Any licenses granted by Bank to Client with respect to those terminated Services under the applicable Service Documentation will automatically terminate.
- (d) Even if this Master Agreement or any or all Services are terminated, this Master Agreement shall continue in full force and effect as to all transactions that Bank began processing before such termination and the provisions of Sections 5, 8, 9, 10, 13, and 16 will survive any termination of this Master Agreement and the relevant Service.

8. Indemnity.

Client agrees to indemnify Bank, Bank's Affiliates, and each of their respective officers, directors, employees, agents, and service providers (collectively, "*Indemnified Parties*") for, and defend and hold harmless each of the Indemnified Parties from and against, any and all actions, losses, damages, claims, demands, liabilities, costs, or expenses, including court costs and reasonable attorneys' fees and expenses (collectively "*Claims*"), resulting directly or indirectly from Bank's performance under this Master Agreement or Bank's provision of any Service (including, without limitation, any and all Claims in connection with complying with or responding to subpoenas, summonses, search warrants, or requests or demands from government agencies), except to the extent that such Claims are determined by an arbitrator in accordance with Section 16 or a court of competent jurisdiction by a final and non-appealable order to have resulted from Bank's gross negligence or willful misconduct.

9. Limitation of Liability.

IN NO EVENT UNDER ANY THEORY SHALL BANK, OR ANY OTHER INDEMNIFIED PARTY HAVE ANY LIABILITY TO CLIENT OR ANY OTHER PERSON OR COMPANY FOR ANY CLAIM OR DAMAGE OF ANY KIND (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF, OR RELATING TO, BANK'S PERFORMANCE UNDER THIS MASTER AGREEMENT OR BANK'S PROVISION OF ANY SERVICE, EXCEPT TO THE EXTENT THAT SUCH CLAIMS OR DAMAGES ARE DETERMINED BY BINDING ARBITRATION IN ACCORDANCE WITH SECTION 16 OR A COURT OF COMPETENT JURISDICTION BY A FINAL AND NON-APPEALABLE ORDER TO HAVE RESULTED FROM BANK'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT; PROVIDED THAT IN NO EVENT SHALL BANK OR ANY OF ITS AFFILIATES, OR ANY OF THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, OR SERVICE PROVIDERS, HAVE ANY LIABILITY TO CLIENT OR ANY PERSON OR COMPANY FOR INDIRECT LOSSES, SPECIAL, CONSEQUENTIAL, INCIDENTAL, OR PUNITIVE DAMAGES, OR DAMAGES FOR LOST BUSINESS, PROFITS, OR REVENUE, GOODWILL, OR ANTICIPATED SAVINGS, EVEN IF BANK OR ANY SUCH OTHER PARTY IS AWARE OF THE POSSIBILITY OF, OR COULD REASONABLY FORESEE, SUCH DAMAGES.

TO THE EXTENT THAT PROVISIONS OF APPLICABLE LAW PROHIBIT AN AGREEMENT TO DISCLAIM A BANK'S RESPONSIBILITY FOR ITS FAILURE TO EXERCISE ORDINARY CARE, BANK'S RESPONSIBILITY TO CLIENT UNDER THIS MASTER AGREEMENT AND THE SERVICE DOCUMENTATION IS LIMITED TO THE EXERCISE OF ORDINARY CARE IN PROVIDING THE SERVICES TO CLIENT. ORDINARY CARE IS TO BE EVALUATED BASED ON REASONABLE COMMERCIAL BANKING STANDARDS PREVAILING IN BANK'S INDUSTRY AND LOCATION FOR SIMILARLY SITUATED COMMERCIAL BANKS.

Bank's cumulative liability for all loss or damage arising from or relating to this Master Agreement and any Service, regardless of the form of action, is limited to direct losses attributable to Bank's gross negligence or willful misconduct and limited to an amount not to exceed twelve (12) times the fees paid by Client during the month immediately preceding the month in which the loss or damage was incurred.

Bank is not liable for any failure or delay in carrying out any of its obligations under this Master Agreement or any Service Documentation if such failure or delay results from Bank acting in accordance with requirements of Applicable Laws or from acts of God, strike or stoppage of labor, power or equipment failure, disruptions in telecommunications systems or the financial markets, adverse weather conditions, or any other cause beyond its control. Bank has no responsibility and will incur no liability for any act or failure to act by any other financial institution, intermediary, or any other third party including any failure, delay or error by any Federal Reserve Bank or other intermediary bank in timely presenting data or checks to Bank.

10. Fees and Charges.

Client agrees to pay fees and other charges for each Service as Bank establishes from time to time or maintain

compensating balances as Bank may permit. Bank may amend its fees and charges from time to time in accordance with Section 12 below. Client authorizes Bank to access any one or more Accounts to debit fees and other charges, even if doing so creates an overdraft.

Bank may provide Client with monthly compensation statements indicating the fees owing by Client and debited from one or more Accounts for the Services and the interest paid or charged to Client. Client will verify the statements and notify Bank in writing of any errors, irregularities or omissions within (a) 30 days of the mailing of the compensation statement to Client, or (b) if not mailed, within 30 days of the delivery or availability of the compensation statement to Client. At the end of the 30-day period it will be conclusively settled between Client and Bank that the compensation statement is accurate, all fees and amounts charged as set out in the compensation statement are properly chargeable, and Client will not be entitled to be credited with any sum not credited in the compensation statement.

Notwithstanding the foregoing, Bank has the right at any time to make adjustments for any amounts improperly credited and any alleged errors, irregularities, or omissions or to charge back items for which payment has not been received.

Bank may assess finance charges on any amount due to Bank under this Master Agreement that is not paid by Client within thirty (30) days of receipt of Client's statement or an invoice showing the amount due.

11. Notices.

Except as may be otherwise specified in the Service Documentation for a particular Service, all notices and other communications by Client or Bank relating to this Master Agreement and/or any Service Documentation generally shall be in writing and:

- if to Client, addressed to Client's primary address as shown on Bank's records or, if permitted by law, delivered electronically;
- if to Bank, addressed to Documentation Analysis and Control at: BMO Bank N.A., Documentation Analysis and Control, 320 South Canal Street, 14W, Chicago, Illinois 60606, or at such other address as Bank may specify in writing.

Any notice or communication to Bank will be effective when it is actually received, and Bank has had a reasonable time to act on it. Bank is entitled to rely on any written notice or other communication that Bank believes in good faith to be genuine and to have been signed, sent, or authorized by Client's authorized representative. Bank is permitted, at its sole discretion, to act on email notices from Client sent to tpsus.service@bmo.com or otherwise, although Bank shall be under no obligation to do so. Bank reserves the right to give notices and communications to Client in such form or medium as Bank considers reasonable and by such means as are permitted by Applicable Law.

12. Amendments.

Bank may amend this Master Agreement or the fees and charges applicable to a particular Service by written notice sent to Client in accordance with Section 11, above. Except

as specifically provided in the Service Documentation for any Service, any amendment to this Master Agreement (including changes in fees and charges) will be effective thirty (30) days after notice of the amendment is sent to Client. This paragraph does not apply to the changes and updates described in Section 2 of this Master Agreement under "Service Changes".

13. Representations and Warranties; Agreement to Provide Information.

(a) *Representations and Warranties of Client.* In addition to any other representations and warranties herein or in the Service Documentation, Client represents and warrants to Bank, and agrees with Bank, that:

- (i) its execution, delivery, and performance of this Master Agreement has been duly and properly authorized by all necessary corporate or other organizational action and governmental action and does not violate any provision of law, its certificate or articles of incorporation, by-laws or other organizational agreement, or any material agreement binding upon it;
- (ii) the person or persons signing this Master Agreement on its behalf are authorized to do so;
- (iii) this Master Agreement is its valid, legal and binding obligation enforceable against it in accordance with its terms; and
- (iv) the establishment and maintenance of the Accounts with Bank and Client's use of the Services are for legitimate business purposes only and comply fully with Applicable Law.

(b) *Representations and Warranties of Bank.* Bank represents and warrants to Client, and agrees with Client that:

- (i) its execution, delivery, and performance of this Master Agreement has been duly and properly authorized by all necessary corporate or other organizational action and governmental action and does not violate any provision of law, its charter or by-laws or other organizational agreement, or any material agreement binding on it;
- (ii) the person or persons signing this Master Agreement on its behalf are authorized to do so; and
- (iii) this Master Agreement is its valid, legal, and binding obligation enforceable against it in accordance with its terms.

EXCEPT AS EXPRESSLY PROVIDED ELSEWHERE IN THIS MASTER AGREEMENT OR IN ANY SERVICE DOCUMENTATION, BANK MAKES NO OTHER REPRESENTATIONS OR WARRANTIES, EITHER EXPRESS OR IMPLIED, OF ANY KIND WITH RESPECT TO ANY SERVICE OR BANK'S PERFORMANCE OF THE SERVICES, INCLUDING, WITHOUT LIMITATION, THOSE OF MERCHANT-ABILITY AND FITNESS FOR A PARTICULAR PURPOSE. NO DESCRIPTIONS OR SPECIFICATIONS CONSTITUTE REPRESENTATIONS OR WARRANTIES OF ANY KIND.

(c) *Agreement to Provide Information.* Client agrees that Client shall promptly furnish to Bank such information respecting Client's business and financial condition, in such form and manner, as Bank may reasonably request from time to time. Client represents and warrants to Bank that all such information is true, complete, and correct in all material respects.

14. Affiliates.

If Client has one or more Affiliates, Bank may upon request provide one or more Services to that Affiliate under this Master Agreement. If Bank agrees to allow an Affiliate to access a Service under this Master Agreement, the Affiliate and Client must execute and deliver to Bank an addendum to this Master Agreement or other appropriate documentation required by Bank. Any such Affiliate using Services becomes a party to this Master Agreement, the relevant Service Selection Form and Service Documentation on a joint-and-several basis as "Client".

15. Other Provisions.

- (a) This Master Agreement and the Service Documentation constituting a part of this Master Agreement together with the Account Agreement constitute the entire agreement between Client and Bank with respect to the Services and supersedes and replaces any previously made proposals, representations, warranties or agreements, express or implied, either oral or in writing.
- (b) Client may not assign this Master Agreement or any of Client's rights hereunder without Bank's prior written consent. Bank may not assign this Master Agreement without Client's prior written consent, except that Bank may assign this Master Agreement, in whole or in part, without such consent to any of Bank's Affiliates or in connection with the merger, consolidation, reorganization or acquisition of substantially all the assets of Bank. Any purported assignment of this Master Agreement by Client without Bank's written consent is void.
- (c) No party's failure or delay in exercising any right or remedy under this Master Agreement will operate as a waiver of such right or remedy; and no single or partial exercise by a party of any right or remedy under this Master Agreement will preclude any additional or further exercise of such right or remedy or the exercise of any other right.
- (d) If a provision of this Master Agreement is held to be invalid, illegal, or unenforceable, the validity, legality, or enforceability of the other provisions of this Master Agreement will not be affected or impaired by such holding.
- (e) This Master Agreement is binding upon and will inure to the benefit of the parties and their respective successors and permitted assigns. Except as explicitly provided herein, this Master Agreement is not for the benefit of any other person and no other person shall have any right against Client or Bank hereunder.
- (f) Where appropriate, terms defined in this Master Agreement in the singular shall be deemed to include the

plural and those defined in the plural shall be deemed to include the singular.

- (g) This Master Agreement may be executed in multiple counterparts with the same effect as if Client and Bank had executed the same document, and all counterparts must be construed together as one instrument. Delivery of an executed counterpart by facsimile or other electronic means is effective as delivery of a manually signed counterpart.
- (h) This Master Agreement is governed by and must be construed in accordance with the laws of the State of Illinois, including the Uniform Commercial Code as in effect in the State of Illinois from time to time (the "UCC"). The parties acknowledge that certain provisions of the UCC contain provisions which by the express terms of the UCC may not be varied by agreement of the parties (a "Non-variable Obligation"). To the extent that any provision of this Master Agreement purports to vary such Non-variable Obligation, the parties acknowledge that their respective rights and obligations under this Master Agreement are subject to the Non-variable Obligation.

16. Claims Subject to Arbitration.

Bank and Client agree to arbitrate all disputes or claims between them arising out of or relating in any way to the Services, this Master Agreement, any applicable Service Descriptions, any other agreement related to the Services, or any transactions arising hereunder or thereunder, whether based in contract, tort, statute, fraud, misrepresentation or any other legal theory. This arbitration provision is intended to be broadly interpreted and to cover, without limitation, any claims that arose before the effective date of this Master Agreement or any prior services agreement (including, but not limited to, claims relating to advertising, promotions, or disclosures) and any claims that may arise after the termination of this Master Agreement. This arbitration provision will survive the termination of the Services and/or this Master Agreement.

This Master Agreement evidences a transaction in interstate commerce, and thus the Federal Arbitration Act, 9 U.S.C. § 1 *et. seq.*, governs the interpretation and enforcement of this provision. An American Arbitration Association ("AAA") arbitrator will decide the substance of all Claims in accordance with all Applicable Law, including recognized principles of equity and statutes of limitations, and will honor all claims of privilege recognized by law.

Unless both Client and Bank agree otherwise, each party must bring all related or similar Claims in a single arbitration proceeding. If Client or Bank later initiates a subsequent arbitration asserting Claims that are related or similar to ones that were raised by such party in an earlier-filed arbitration, the AAA or the arbitrator will either: (i) consolidate the subsequent arbitration with the earlier proceeding if it is ongoing or (ii) dismiss the subsequent arbitration if it raises Claims that would be barred by Applicable Law if brought in court.

- (a) *Notice of Dispute and Arbitration Procedures.* A party who intends to pursue a Claim must first send to the other a letter describing the Claim and containing the information described below (a "Notice of Dispute"). Any Notice of Dispute sent to Bank should be addressed to:

BMO Bank N.A.
Documentation Analysis and Control
320 South Canal Street, Floor 14W
Chicago, IL 60606

Any Notice of Dispute sent to Client by Bank will be sent to the address in Bank's records that is associated with Client's Account at the time the Notice of Dispute is sent. The Notice of Dispute must (a) describe the nature and basis of the Claim; (b) set forth the specific relief sought; (c) set forth the name and address of the claimant; and (d) include the Services and/or the provision of the applicable agreement to which the Claim relates. If Bank and Client do not reach an agreement to resolve the Claim described in the Notice of Dispute within forty-five (45) days after the Notice of Dispute is received, Client or Bank may commence an arbitration proceeding with the AAA. If Client or Bank attempts to commence arbitration proceedings before providing the requisite Notice of Dispute, the other party may inform the AAA of this agreement and direct it to refrain from commencing administration of arbitration proceedings until the requisite time period for notice has passed. Neither Client nor Bank will disclose to the arbitrator the existence, amount, or terms of any settlement offers made by either party until after the arbitrator issues a final award resolving the Claim.

The arbitration will be governed by the AAA's Commercial Dispute Resolution Procedures, as amended from time to time (the "AAA Rules") as modified by this Agreement, and will be administered by the AAA.

The arbitrator is bound by the terms of this Master Agreement. All issues are for the arbitrator to decide, except those issues relating to the arbitrability of Claims or the scope, and enforceability of this arbitration provision, including the interpretation of the prohibition of class and representative actions and non-individualized relief, are for the court to decide. The right to a hearing will be determined by the AAA Rules. Any in-person arbitration hearing will take place in Chicago, Illinois. Regardless of the manner in which the arbitration is conducted, the arbitrator, upon the request of either party made prior to the closing of the hearing (or, if there is no oral hearing, prior to or along with submission of final documents to the AAA), will issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award, if any, is based. Unless otherwise agreed by Client and Bank, any award will be rendered by the arbitrator not later than fourteen (14) days from the date of the closing of the hearing or, if there is no oral hearing, from the date of the AAA's transmittal of the final statements and proofs to the arbitrator in accordance with the AAA Rules.

- (b) *Prohibition of Class and Representative Actions and Non-Individualized Relief.* The arbitrator may award injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief necessitated by that party's individual claim; any injunctive relief must be individualized in nature and cannot affect individuals other than the claimant. CLIENT AND BANK AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN CLIENT'S OR BANK'S INDIVIDUAL

CAPACITY AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING, OR AS A PRIVATE ATTORNEY GENERAL OR ON BEHALF OF THE GENERAL PUBLIC. Further, unless both Client and Bank agree otherwise, the arbitrator may not consolidate more than one person's claims and may not otherwise preside over any form of a representative or class proceeding. If a court decides that any part of this arbitration provision (other than the prohibition of class or representative actions and/or consolidation) is invalid or unenforceable, the other parts of this arbitration provision will still apply. However, if a court decides that this paragraph's prohibition of class or representative actions and/or consolidation is invalid or unenforceable, then the entirety of this arbitration provision will be null and void.

- (c) *Access to Government Agencies.* This arbitration provision does not preclude Client from bringing issues to the attention of federal, state, or local agencies. Such agencies can, if the law allows, seek relief against Bank on Client's behalf.
- (d) *Other Remedies.* This arbitration provision and the exercise of any of the rights Client and Bank have under this provision will not prohibit Client or Bank from exercising any lawful rights either Client or Bank have to use other remedies available to preserve, foreclose or obtain possession of real or personal property or exercise self-help remedies, including set-off rights as described in this Master Agreement.
