Additional benefits	Special mortgage and other lending product benefits may be available. For current benefits visit bmo.com/en-us/main/personal/checking-accounts/relationship-checking/			

² **Access to the benefits and Relationship Package Placement:** To access the benefits in a particular Relationship Package, you must have a BMO Relationship Checking Account. Each BMO Relationship Checking Account is placed in its own Relationship Package based on the Quarterly Combined Balance. Benefits begin when the BMO Relationship Checking Account is placed in a Relationship Package and continue through the calendar quarter, regardless of any change in Account balances.

A BMO Relationship Checking Account is placed in a Relationship Package on the first calendar day of the month after the Account opening (or the Account type change) occurs. Your Relationship Package may change on the first day of each subsequent calendar quarter (January 1, April 1, July 1, and October 1) when the Quarterly Combined Balance is recalculated for quarterly placement ("Quarterly Placement"). You will receive a welcome communication with the first Relationship Package placement and a quarterly communication with each subsequent Quarterly Placement.

Quarterly Placement	Months included in the Quarterly Combined Balance
January 1	October, November, December
April 1	January, February, March
July 1	April, May, June
October 1	July, August, September

³ **Relationship Plus Money Market:** We may offer higher variable interest rates based on a Relationship Package. For current interest rates, ask your BMO Banker for a current Interest Rate Sheet or call 1-888-340-2265.

Interest rates earned on the Relationship Plus Money Market are based on Relationship Package placement. If the Account Owners' BMO Relationship Checking Accounts are placed in different Relationship Packages, the best Relationship Package will determine the interest rates earned on the Relationship Plus Money Market Account. Initially, the Relationship Plus Money Market Account earns standard interest rates. The Relationship Plus Money Market Account earns Relationship Package interest rates beginning on the first Business Day of the month after the Account opening (or the Account type change) occurs through the end of the calendar quarter. At each Quarterly Placement, the Relationship Plus Money Market Account earns Relationship Package interest rates beginning on the first Business Day of the calendar quarter through the end of the calendar quarter.

⁴ **Fee rebates for Overdraft and Outgoing Wire Transfer Fee:** BMO Relationship Checking Account fee rebates are based on the Relationship Package assigned to your BMO Relationship Checking Account when the fee is assessed. Rebates will post to your BMO Relationship Checking Account by the third Business Day of the following month (e.g., a fee assessed in February will be rebated on the third Business Day in March). If you change your Account type and a fee was assessed while the Account was a BMO Relationship Checking Account, you will still receive a rebate. If you close your Account and a fee was assessed while the Account was a BMO Relationship Checking Account, you will not receive a rebate.

⁵ **Credit card spend bonus:** You must be an owner of both a BMO Relationship Checking Account and an eligible Credit Card Account. Eligible Credit Card Accounts include BMO Premium Rewards Credit Card, BMO Platinum Credit Card, BMO Platinum Rewards Credit Card, BMO Cash Back Credit Card, and BMO Premier Services Premium Rewards Credit Card. For every calendar quarter in which net purchases on your Credit Card Account are \$3,500 or greater, the credit card spend bonus will be deposited into your BMO Relationship Checking Account by the third Business Day of the following month (e.g., if the net purchase criteria is met for the April, May, and June calendar quarter, the credit card spend bonus will be deposited into your BMO Relationship Checking Account in July). Net purchases are the dollar value of goods and services purchased minus any credits, returns, or other adjustments. Customers with multiple Credit Card Accounts are eligible for more than one credit card spend bonus, as long as the net purchase requirement is met on each Credit Card Account. In order to be eligible for the credit card spend bonus, the Credit Card Account must be open, not past due or otherwise in default on the last calendar day of the quarter. Please see the Cardholder Agreement for the definition of default.

Credit card spend bonus is dependent on Relationship Package placement at the time the transaction activity posts to your Credit Card Account. For customers with multiple BMO Relationship Checking Accounts, if the Account Owners' BMO Relationship Checking Accounts are placed in different Relationship Packages, the best Relationship Package will determine the amount of the credit card spend bonus and the Account into which the credit card spend bonus will be deposited. For customers with multiple BMO Relationship Checking Accounts with the same Relationship Package, the credit card spend bonus will be deposited into the Account with the lowest account number numerically. If your BMO Relationship Checking Account is closed on the date the credit card spend bonus is to be deposited and you have no other BMO Relationship Checking Accounts, you will not receive the credit card spend bonus. If you have additional BMO Relationship Checking Accounts that are open, the credit card spend bonus will be deposited to the Account with the highest Relationship Package placement; if you have multiple Accounts in that Relationship Package, the credit card spend bonus will be deposited into the Account with the lowest account number numerically. Credit card spend bonus may be reported to the IRS for tax purposes and you are responsible for any applicable taxes.

Your Account is overdrawn when there is a negative balance that occurs when we pay an Item that you do not have Sufficient Available Funds in your Account to pay when the Item is presented for payment. The Account balance that we use to determine if your Account is overdrawn includes all Items (including bank fees and service charges) that are posted to your Account on the same Business Day whether the Items are paid or returned. In the Agreement, refer to Section 2.B for information on how we determine whether you have Sufficient Available Funds and Section 2.C for information on when Items post to your Account.

At our discretion, we may pay or return the following Items that overdraw this Account: Checks, automatic bill payments and other transactions made using this Account number. We will decline ATM and everyday debit Card transactions that may overdraw this Account unless you select the Overdraft Program for ATM and Everyday Debit Card Transactions described below. When we return an Item unpaid because your Account does not have Sufficient Available Funds, we don't charge a fee. When we pay an Item and your Account does not have Sufficient Available Funds, an Overdraft Fee may be charged.

Overdraft Fee	\$15 per Item (No more than three Overdraft Fees will be charged per Business Day)	<p>You will be charged an Overdraft Fee for each Item we pay when your Account is overdrawn more than \$50 after all Items are posted to the Account. We will not charge you an Overdraft Fee if:</p> <ul style="list-style-type: none"> • The amount of the Item is less than or equal to \$5; • Your Account is overdrawn by \$50 or less at the close of the Business Day the Item is presented for payment; • Your Account is overdrawn by \$50 or less at the close of the first Business Day after the Item is presented for payment. Deposits may not be available immediately. Please see our Funds Availability Policy for Deposit Accounts in Section 8 of the Agreement for more information; • Your Account has already been charged three (3) Overdraft Fees for the applicable Business Day; • The Item is a bank fee we assess pursuant to the terms of the Agreement; • We previously returned the Item unpaid; • You had Sufficient Available Funds to pay the Item when the Item was authorized; • The Item is an ATM or everyday debit Card transaction and you have not authorized us to pay these types of transactions.

Insufficient Funds and Overdrafts

Your Account is overdrawn when there is a negative balance that occurs when we pay an Item that you do not have Sufficient Available Funds in your Account to pay when the Item is presented for payment. The Account balance that we use to determine if your Account is overdrawn includes all Items (including bank fees and service charges) that are posted to your Account on the same Business Day whether the Items are paid or returned. In the Agreement, refer to Section 2.B for information on how we determine whether you have Sufficient Available Funds and Section 2.C for information on when Items post to your Account.

We will return as unpaid the following Items that overdraw this Account: Checks, automatic bill payments and other transactions made using this Account number. We will decline ATM and everyday debit Card transactions that may overdraw this Account. When we return an Item unpaid because your Account does not have Sufficient Available Funds, we don't charge a fee. There are some Items we are unable to return. If we are unable to return an Item that overdraws your Account, we will use our discretion to pay it and you will not be charged a fee.

Early withdrawal penalty

When you make a deposit to any one of our CD products, you agree to keep the funds on deposit until the maturity date. If we permit you to make an early withdrawal of principal before maturity, you will pay an early withdrawal penalty. The penalty is calculated using the interest rate applicable to the CD at the time of early withdrawal. If the amount of the penalty exceeds the amount of your accrued and unpaid interest, then a reduction of principal would be required in order to pay the penalty.
