

The BMO Institute for Learning (IFL) is a full-service conference facility that offers over 260,000 square feet of flexible meeting space to accommodate the needs of groups large and small. An architecturally stunning Grand Hall connects the three major facilities: a Learning Centre with high-tech meeting rooms, a great Presentation Hall, and a Residential Wing of 150 guest rooms. Exceptional facilities, amenities and services include state-of-the-art technology, a Wellness and Social Centre, outstanding culinary and dining options, creative team building workshops and so much more.

The IFL is an IACC certified, smoke-free and barrier-free facility, and follows eco-friendly practices. We offer day, evening and weekend packages.

LOCATION

The IFL is easily accessible by highway from downtown Toronto and Pearson International Airport. We offer shuttle service to and from nearby hotels and ample parking.
