3. Account Details:	
Payments to Party A in Canadian Dollars:	As notified to Party B.
Payments to Party B in EUR:	As notified to Party A.
4. Other Provisions	
Redemption Notice:	Party B, or the Cash Manager acting on Party B's behalf, shall notify Party A of the amount of principal payments to be made on the Series CBL45 Covered Bonds on each Interim Exchange Date and Final Exchange Date (for purposes of calculating payment of any Interim Exchange Amounts and Final Exchange Amounts, respectively). Such notification may be made in respect of an Interim Exchange Date or Final Exchange Date by receipt by Party A of a written confirmation from Party B, or the Cash Manager acting on Party B's behalf, of an irrevocable payment instruction to a bank from Party B to make a payment to Party A in an amount in Canadian Dollars corresponding to the Principal Amount Outstanding in respect of the Series CBL45 Covered Bonds to be redeemed on such Interim Exchange Date or Final Exchange Date converted by Party B by reference to the Currency Exchange Rate on or prior to 5:00 p.m., Toronto time, four Business Days prior to such Interim Exchange Date or Final Exchange Date, as the case may be (a "Redemption Notice" and the amount specified in the written confirmation delivered to Party A, the "Redemption Notice Amount").

If Party A does not receive a Redemption Notice with respect to any Interim Exchange Date or Final Exchange Date, then the parties will not be required to pay any Interim Exchange Amounts or Final Exchange Amounts, respectively, on such Interim Exchange Date or Final Exchange Date, as the case may be.

In addition, if Party A does not receive a Redemption Notice confirming that the Series CBL45 Covered Bonds are redeemable in full on the Final Maturity Date (and the Covered Bonds are not redeemed in full on or prior to the Extension Determination Date): (i) the Termination Date for this Transaction shall be deemed to be the Final Exchange Date in respect of which a Redemption Notice is given and, taking into account such Redemption Notice and each other Redemption Notice, the sum of all Redemption Notice Amounts equals the Principal Amount Outstanding of the Series CBL45 Covered Bonds as at the Effective Date; (ii) for the avoidance of doubt, Party A's obligation to pay Party A Fixed Amounts shall cease as from the Final Maturity Date and Party A shall from such date be obliged to pay the Party A Floating Amounts to Party B; (iii) for the avoidance of doubt, Party B shall be obliged to continue to pay the Party B Floating Amounts; and (iv) the final Party A Calculation Period and the final Party B Calculation Period shall end on, but exclude, the Termination Date. Without prejudice to the generality of the above provisions, Party B, or the Cash Manager acting on Party B's behalf, shall notify Party A at least two Business Days prior to the Final Maturity Date whether or not the Series CBL45 Covered Bonds will be redeemed (in whole or in part) on the Final Maturity Date and, if they will not be, whether or not the Series CBL45 Covered Bonds will be redeemed (in

whole or in part) on or prior to the Extension Determination Date.

If on the Extended Due for Payment Date the sum of all Redemption Notice Amounts specified in Redemption Notices delivered to Party A on or prior to such date is not equal to the Principal Amount Outstanding of the Series CBL45 Covered Bonds as at the Effective Date (such difference, the **"Redemption Shortfall"**):

- (i) Party A will pay to Party B an amount in EUR equal to such Redemption Shortfall; and
- (ii) Party B will pay to Party A the Canadian Dollar equivalent of the Redemption Shortfall, converted at the Currency Exchange Rate.

For purposes of calculating any amount due under Section 6(e) of the Agreement in respect of a Termination Event that occurs during the period from, but excluding the Final Maturity Date to, and including the Extension Determination Date, the Termination Date shall be deemed to be the Final Maturity Date, unless Party B or the Cash Manager has determined as of that date that Party B has insufficient funds to pay the Guaranteed Amounts, in which case the Termination Date shall be deemed to be the Extended Due for Payment Date (subject as provided above).

Party B agrees as soon as reasonably practicable after a Redemption Notice has been given to advise Party A by telephone (or email if provided in the notice details below) of the fact of such Redemption Notice; provided, however, that the failure by Party B, or the Cash Manager acting on Party B's behalf, to do so shall not affect the validity of any Redemption Notice under the Transaction evidenced by this Confirmation.

Reduced Payments:

In the event that any payment made by Party B to Party A under this Transaction is less than the amount which Party B would be required to pay Party A (but for Part 5(s) of the Schedule to the Agreement), the payment obligation of Party A to Party B shall be reduced by a percentage equivalent to the percentage reduction in Party B payments since the corresponding Party A Payment Date or Party B Payment Date (as applicable). For the avoidance of doubt, the payment of such a reduced amount by Party A shall not constitute a breach of the payment obligations specified in Section 2(a)(i) of the Agreement.

5. Notification to Party A

For the purpose of making any determination or calculation hereunder, the Calculation Agent may rely on any information, report, notice or certificate delivered to it by the Cash Manager or Party B, and the Calculation Agent shall not be liable for any error, incompleteness or omission regarding such information.

Party B, or the Cash Manager acting on its behalf, shall notify Party A of the amount of principal payments to be made on the Series CBL45 Covered Bonds on each Interest Payment Date no later than one (1) Business Day prior to such Interest Payment Date.
