- (2) The Limited Partner will hold the benefit of this indemnity in trust and as agent for its shareholders, directors, officers, employees and agents.

This indemnity is in addition to and not a limitation of any other obligation of the Partnership to the Managing GP or the Liquidation GP including the obligation of the Partnership to reimburse or repay the Managing GP and the Liquidation GP on account of costs, outlays, disbursements and expenditures incurred by or on their behalf but this indemnity will not be in derogation of the provisions of Section 2.14. - (2) Subject to complying with Article 6 (Priorities of Payments), the Partnership may purchase and maintain (or reimburse the Managing GP or Liquidation GP) insurance on behalf of such Persons in such amount as the Managing GP (or following a Managing GP Default Event, the Liquidation GP) may determine, and, while there are Covered Bonds outstanding, with the consent of the Bond Trustee, against any liability that may be asserted against or expense that may be incurred by such Person in connection with the

Partnership's activities, whether or not the Partnership would have the power to indemnify those Persons against those liabilities under the provisions of this Agreement.

- (3) The Managing GP and the Liquidation GP will hold the benefit of this indemnity in trust and as agent for their respective shareholders, directors, officers, employees and agents.

Section 2.17 Compliance with Laws.

The Limited Partner will, on the request of the Managing GP from time to time, execute, without undue delay, any documents or instruments considered by the Managing GP to be necessary to comply with any applicable law or regulation of the Province of Ontario or any other jurisdiction in which the Partnership carries on business, for the continuation, operation and good standing of the Partnership.

Section 2.18 Other Activities of Managing GP and Liquidation GP.

Each of the Managing GP and the Liquidation GP shall devote their efforts exclusively to or for the benefit of the Partnership and the business of the Partnership and shall not engage in any business or activity, except the business of the Partnership or any activity ancillary or related thereto or in furtherance thereof.

Section 2.19 Other Activities of the Limited Partners and the Shareholders, Directors and Officers of the Partners.

- (2) Without limiting the foregoing, neither the Limited Partner, nor any shareholder, director, officer or Associate or Affiliate of any Partner shall by reason of its fiduciary position be in any way precluded from:

Contemporaneously with the execution of this Agreement, the Partners made the following Cash Capital Contributions to the Partnership, which amounts shall be reflected in such Partner’s Capital Account Ledger:

<u>Partner</u>	<u>Cash Capital Contribution Amount</u>

Section 3.3 Capital Account Ledger.

The Managing GP (or the Cash Manager on its behalf), shall maintain the Capital Account Ledger or sub-ledgers in respect of each Partner. Any increase or decrease in the Capital Contribution Balance of a Partner shall be credited or debited to such Partner’s Capital Account Ledger on each Calculation Date. The Capital Contribution Balance of each Partner as recorded in the Capital Account Ledger from time to time, shall represent such Partner’s interest in the capital of the Partnership, provided that at no time shall the Capital Contribution Balance of the Liquidation GP be greater than, or the Liquidation GP be entitled to a return of capital from the Partnership of greater than, \$0.01 unless agreed to by each of the other Partners.

Section 3.4 Additional Cash Capital Contributions.

- (1) Prior to making any additional Cash Capital Contribution to the Partnership, the Limited Partner shall be deemed to have represented and warranted to the Managing GP, the

Liquidation GP and, while the Covered Bonds are outstanding, the Bond Trustee on behalf of the Covered Bondholders, that no Insolvency Event has occurred or will result in respect of the Limited Partner from such Cash Capital Contribution.

- (2) The Partnership will from time to time make drawings on the Intercompany Loan. For greater certainty, any amount advanced under the Intercompany Loan Agreement shall not constitute a Capital Contribution on the part of the Limited Partner.

- (3) Any Capital Contribution in Kind made by a Partner to fund the Pre-Maturity Liquidity Ledger following a breach of the Pre-Maturity Test in respect of a Series of Hard Bullet Covered Bonds shall only consist of Pre-Maturity Liquidity Eligible Assets.

- (1) The Managing GP may make Capital Distributions in cash to the Partners, from time to time, as it may determine in its sole discretion, in accordance with and provided that such Capital Distributions are permitted under, Article 6 (Priorities of Payments) and if applicable, under the terms of the Security Agreement.
- (2) Without limiting the foregoing, Capital Distributions made prior to a Covered Bond Guarantee Activation Event may only be made if, at the time of such Capital Distribution, the Partnership meets, and following such Capital Distribution will meet, the Asset Coverage Test.

Section 3.7 Capital Contribution Balance.

- (1) The Managing GP (or the Cash Manager on its behalf) shall determine the Capital Contribution Balance of each of the Partners (which on the date hereof, in respect of each Partner, shall be equal to the initial Cash Capital Contribution set out next to such Partner's name in Section 3.2 above) (i) on or before the Canadian Business Day that is at least two days prior to each Guarantor Payment Date (such amounts to be determined as of the immediately preceding Calculation Date); (ii) on the date that the Partnership is wound up, and (iii) on such other date as the Limited Partner may reasonably request.

- (2) Following the date hereof, the Capital Contribution Balance of each Partner on any relevant date shall be equal to the sum of the last most recently determined Capital Contribution Balance of the Partner, plus (i) the amount of any Capital Contribution made by the Partner in the period from the last date on which the Capital Contribution Balance of the Partner was calculated to the date of the current calculation (the “**Calculation Period**”); minus (ii) the amount of any Capital Distribution to be paid to the Partner on the next following Guarantor Payment Date (provided such amount is payable in accordance with Article 6 (Priorities of Payments)).

Section 3.8 No Interest Payable on Accounts.

No Partner has the right to receive interest on any credit balance in its Capital Contribution Balance, and no Partner is liable to pay interest to the Partnership on any deficit in its Capital Contribution Balance.

Section 3.9 Deficit in Accounts.

The interest of a Partner in the Partnership will not terminate by reason of a negative or zero Capital Contribution Balance of the relevant Partner.

**ARTICLE 4

- (1) Subject to Section (2) and (3) below, the Net Income and Net Loss for each Fiscal Year, including for income tax purposes, shall be allocated *pro rata* to the Partners in respect of their respective Capital Contribution Balances.
- (2) Prior to an Issuer Event of Default or other circumstance in which the Liquidation GP shall assume the duties of the Managing GP hereunder, the Liquidation GP’s share of the Net Income shall be limited to the lesser of its *pro rata* share and \$10,000 annually, payable in accordance with Article 6 (Priorities of Payments) and any amount in excess thereof shall be allocated to the Limited Partner and following any such event the Liquidation GP (for so long as it assumes the duties and responsibilities of the Managing GP) shall be entitled to its *pro rata* share of the Net Income.
- (3) The Managing GP shall make distributions of income to the Partners in a manner consistent with this Section 4.1 and in accordance with Article 6 (Priorities of Payments) and applicable law, provided that at the time of any such distribution, the Partnership is, and following such distribution, will remain in compliance with the Asset Coverage Test and/or Amortization Test, as applicable.

Section 4.2 Restriction on Withdrawals and Receipts.

- (1) No Partner (whether in its capacity as such or otherwise) will have any right to withdraw any amount or receive any distribution from the Partnership except in accordance with Article 6 (Priorities of Payments) and applicable law.

- (2) Each of the Partners agrees that, notwithstanding any other provision contained herein or in any other Transaction Document:
- (a) it will not demand or receive payment of, or any distribution in respect of or on account of, any amounts payable by the Partnership (or the Cash Manager on its behalf) or the Bond Trustee, as applicable, to such Partner under the Transaction Documents, in cash or in kind, and will not apply any money or assets in discharge of any such amounts payable to it (whether by set-off or by any other method), unless all amounts then due and payable by the Partnership to all other creditors ranking higher in the relevant Priorities of Payments have been irrevocably paid in full;
 - (b) without prejudice to the foregoing, whether in the liquidation of the Partnership or any other party to the Transaction Documents or otherwise, if any payment or distribution (or the proceeds of any enforcement of any security) is received by a Partner in respect of any amount payable by the Partnership (or the Cash Manager on its behalf) or the Bond Trustee, as applicable, to that Partner under the relevant Transaction Document at a time when, by virtue of the provisions of Article 6 (Priorities of Payments), no payment or distribution should have been made, the amount so received shall be held by such Partner in trust for the payor of such amount and shall be paid over to such payor forthwith following receipt thereof (whereupon the relevant payment or distribution shall be deemed not to have been made or received); and
 - (c) it shall not claim, rank, prove or vote as creditor of the Partnership or its estate in competition with any prior ranking creditors in the relevant Priorities of Payments in Article 6 (Priorities of Payments), or claim a right of set-off until all amounts then due and payable to creditors who rank higher in the relevant Priorities of Payments in Article 6 (Priorities of Payments) have been irrevocably paid in full.
- (3) Without limiting this Section 4.2, each Limited Partner for so long as such person is a Limited Partner, hereby waives any right it may have to receive or hold any property of the Partnership as collateral security or to receive from the Managing GP, the Liquidation GP, in such capacity, or the Partnership, any payment, conveyance, or release from liability, if at such time the assets of the Partnership are not sufficient to discharge partnership liabilities of the Partnership to persons who are not general or limited partners of the Partnership, in each case, solely to the extent required by Section 12 of the LP Act.

Section 4.3 Set-Off.

Subject to Section 4.2, the Partnership may set-off any of its liabilities or obligations to any Partner against any liabilities or obligations of such Partner to the Partnership under this Agreement or any other agreement, subject to the terms of any relevant agreements between the Partnership and such Partner.

Section 4.4 Compliance with Agreements.

Notwithstanding anything in this Agreement, no Partner will have the right to enforce any distribution that is contrary to any agreements binding on the Partnership or any applicable law.

ARTICLE 5 ASSET COVERAGE TEST, AMORTIZATION TEST, PRE-MATURITY TEST AND VALUATION CALCULATION

Section 5.1 Asset Coverage Test.

- (1) For so long as the Covered Bonds remain outstanding, the Partners (other than the Liquidation GP) shall use all reasonable efforts to ensure that, on each Calculation Date, the Partnership is in compliance with the Asset Coverage Test as set out in Schedule 2.
- (2) If it is determined that the Partnership does not meet the Asset Coverage Test as of any Calculation Date, the Managing GP (or the Cash Manager on its behalf) shall immediately (and in any event no later than the Canadian Business Day that is at least two days prior to the next Guarantor Payment Date) notify in writing the Partnership, CMHC, the Partners and the Bond Trustee thereof.
- (3) If the Asset Coverage Test is not met as of the next Calculation Date following delivery of a notice pursuant to Section 5.1(2), the Managing GP (or the Cash Manager on its behalf) shall serve an Asset Coverage Test Breach Notice on the Partnership and deliver a copy of such Asset Coverage Test Breach Notice to each of the Partners and the Bond Trustee on the Canadian Business Day that is at least two days prior to the Guarantor Payment Date after such Calculation Date.
- (4) If the Asset Coverage Test is met as of the next Calculation Date following service of an Asset Coverage Test Breach Notice, the Managing GP (or the Cash Manager on its behalf) shall revoke such Asset Coverage Test Breach Notice by serving notice on the Partnership that the Asset Coverage Test has been met and delivering a copy of such notice to each of the Partners and the Bond Trustee on the Canadian Business Day that is at least two days prior to the Guarantor Payment Date after such Calculation Date.

Section 5.2 Asset Coverage Test Breach Notice.

If at any time, the Managing GP or the Limited Partner receives an Asset Coverage Test Breach Notice (but prior to the occurrence of an Issuer Event of Default), the Managing GP shall use all reasonable efforts to ensure that the Partnership satisfies the Asset Coverage Test as of the next following Calculation Date and the Limited Partner shall use all reasonable efforts to, as the Limited Partner may determine in its sole discretion, (i) make a Cash Capital Contribution; (ii) make a Capital Contribution in Kind to the Partnership; (iii) sell New Loans and their Related Security to the Partnership; or (iv) make advances under the Intercompany Loan, in any such case, in an amount or amounts sufficient to ensure the Partnership is or will be, prior to the next Calculation Date following delivery of such Asset Coverage Test Breach Notice, in compliance with the Asset Coverage Test.

Guarantor Agreement

Section 5.3 Amortization Test.

- (1) Following the occurrence and during the continuance of an Issuer Event of Default, for as long as there are Covered Bonds outstanding, the Partnership must ensure that, on each Calculation Date following the occurrence and during the continuance of such Issuer Event of Default, the Partnership is in compliance with the Amortization Test as set out in Schedule 3.
- (2) If as of any Calculation Date following the occurrence and during the continuance of an Issuer Event of Default, the Partnership is not in compliance with the Amortization Test, the Managing GP (or the Cash Manager on its behalf) shall immediately (and in any event no later than the Canadian Business Day that is at least two days prior to the Guarantor Payment Date after such Calculation Date) notify in writing CMHC, the Partners and the Bond Trustee thereof.

Section 5.4 Pre-Maturity Test.

- (1) For so long as any Hard Bullet Covered Bonds remain outstanding, the Partnership and the Partners (other than the Liquidation GP) shall use all commercially reasonable efforts to ensure that on each Pre-Maturity Test Date the Partnership is in compliance with the Pre-Maturity Test as set out in Schedule 4.
- (2) If it is determined that the Partnership does not meet the Pre-Maturity Test as of any Pre-Maturity Test Date, the Managing GP (or the Cash Manager on its behalf) shall immediately notify in writing the Partnership, the Partners and the Bond Trustee.
- (3) If the Pre-Maturity Test is breached, and unless the Pre-Maturity Liquidity Ledger is otherwise funded from other sources pursuant to Section 7.2(1)(a) through (c), the Partnership shall sell Selected Loans if required pursuant to Section 7.2.

Section 5.5 Valuation Calculation.

For so long as the Covered Bonds remain outstanding, the Partnership must ensure that, as of each Calculation Date, the Partnership performs the Valuation Calculation as set out in Schedule 10.

ARTICLE 6 PRIORITIES OF PAYMENTS

Section 6.1 Pre-Acceleration Priorities of Payment.

- (1) Subject to Section 6.1(2), at any time during which no Asset Coverage Test Breach Notice is outstanding and no Covered Bond Guarantee Activation Event has occurred:
 - (a) the Managing GP (or the Cash Manager on its behalf) shall on or before the Canadian Business Day that is at least two days prior to any Guarantor Payment Date calculate the following amounts as of the immediately preceding Calculation Date:

- (i) the amount of Available Revenue Receipts available for distribution on the immediately following Guarantor Payment Date;

 - (iii) where the Pre-Maturity Test has been breached in respect of a Series of Hard Bullet Covered Bonds, on each Calculation Date falling in the 12 months prior to the Final Maturity Date of the relevant Series of Hard Bullet Covered Bonds, whether or not the amount standing to the credit of the Pre-Maturity Liquidity Ledger including the principal amount of any Substitution Assets standing to the credit of the Pre-Maturity Liquidity Ledger at such date is less than the Pre-Maturity Liquidity Required Amount at such date; and
 - (iv) the amount of Available Principal Receipts available for distribution on the immediately following Guarantor Payment Date;
- (b) on each Guarantor Payment Date, the Managing GP or the Cash Manager on its behalf will transfer Available Revenue Receipts from the Revenue Ledger to the Payment Ledger and Available Principal Receipts from the Principal Ledger to the Payment Ledger, and use (or direct the Cash Manager to use) Available Revenue Receipts and Available Principal Receipts held by the Cash Manager for and on behalf of the Partnership and, as necessary, transfer Available Revenue Receipts and Available Principal Receipts from the GDA Account to the Transaction Account (to the extent maintained), or apply such Available Revenue Receipts and Available Principal Receipts directly from the GDA Account, in an amount equal to the lower of (a) the amount required to make the payments set out in Schedule 5 (the “**Pre-Acceleration Revenue Priority of Payments**”) in the case of Available Revenue Receipts and Schedule 6 (the “**Pre-Acceleration Principal Priority of Payments**”) in the case of Available Principal Receipts, and (b) the aggregate amount of Available Revenue Receipts and Available Principal Receipts standing to the credit of the GDA Account; and
- (c) on each Guarantor Payment Date (except for the amounts due to third parties by the Partnership under Section (a) of Schedule 5 and any Third Party Amounts, which in each case shall be paid when due), the Managing GP (or the Cash Manager on its behalf) will apply:
- (i) Available Revenue Receipts to make the payments and provisions set forth in Schedule 5 in the order of priority set forth in Schedule 5 (in each case only if and to the extent that payments or provisions of a higher priority have been made in full); and
 - (ii) Available Principal Receipts to make the payments, provisions or credits set forth in Schedule 6 in the order of priority set forth in Schedule 6 (in

each case only if and to the extent that payments or provisions of a higher priority have been made in full).

- (2) If, at any time prior to the occurrence of an Issuer Event of Default, one or more Rating Agencies downgrades the unsecured, unsubordinated and unguaranteed debt obligations or issuer default rating of the Issuer below the Reserve Fund Required Amount Ratings, the Partnership (or the Cash Manager on its behalf):
 - (a) shall establish the Reserve Fund on the GDA Account in the books of account of the Partnership maintained pursuant to Section 9.3; and
 - (b) provided that the Partnership shall have paid all of its obligations in respect of items ranking higher than the Reserve Ledger in the Pre-Acceleration Revenue Priority of Payments and the Pre-Acceleration Principal Priority of Payments on each subsequent Guarantor Payment Date, shall credit or cause to be credited to the Reserve Fund funds up to an amount equal to the Reserve Fund Required Amount with Available Revenue Receipts and Available Principal Receipts, respectively.
- (3) At any time that no Asset Coverage Test Breach Notice is outstanding and a Covered Bond Guarantee Activation Event has not occurred, any Cash Capital Contributions made by the Limited Partner from time to time (excluding its initial Cash Capital Contribution) shall be distributed, if permitted in accordance with Section 3.6, to the Limited Partner as a Capital Distribution on each Guarantor Payment Date unless otherwise agreed to by the Limited Partner prior to such Guarantor Payment Date.

Section 6.2 Priority of Payments at any time an Asset Coverage Test Breach Notice is outstanding but no Covered Bond Guarantee Activation Event has occurred.

At any time an Asset Coverage Test Breach Notice is outstanding but no Covered Bond Guarantee Activation Event has occurred, the Partnership shall continue to comply with Section 6.1, except that, while any Covered Bonds remain outstanding, no moneys will be applied under paragraphs (b), (c), (j) (to the extent only that such amounts are payable to a Partner or the Intercompany Loan Provider), (k) or (l) of Schedule 5 or paragraphs (b), (c), (e) or (g) of Schedule 6 and for greater certainty, Capital Distributions shall not be distributed to the Limited Partner and payments on the Intercompany Loan will not be made to the Intercompany Loan Provider.

Section 6.3 Termination Payments, Indemnities and Tax Credits received in respect of the Swap Agreements, premiums received in respect of replacement Swap Agreements.

- (1) Notwithstanding anything else in this Article 6:
 - (a) if the Partnership receives any termination payment from a Swap Provider in respect of a Swap Agreement, such termination payment will first be used, to the extent necessary (prior to service of a Guarantor Acceleration Notice) to pay a replacement Swap Provider to enter into a replacement Swap Agreement with the

Partnership, unless a replacement Swap Agreement has already been entered into on behalf of the Partnership. If the Partnership receives any premium from a replacement Swap Provider in respect of a replacement Swap Agreement, such premium will first be used to make any termination payment due and payable by the Partnership with respect to the previous Swap Agreement, unless such termination payment has already been made on behalf of the Partnership;

- (b) if the Swap Provider breaches certain tax representations in the relevant Swap Agreement and a Partner of the Partnership suffers a loss as a result thereof, the Partnership may receive payment of indemnity amounts from the Swap Provider on the affected Partner's behalf, provided that the Partnership shall have first been fully reimbursed from any such indemnity amounts if it has also suffered a loss as a result of such breach. The Partnership shall account to the relevant Partner for such amounts and shall pay such amounts upon receipt to the relevant Partner. For the avoidance of doubt, indemnity amounts received by the Partnership on behalf of an affected Partner in accordance with this Section 6.3(1)(b) shall not be funds of the Partnership and will not be construed to be amounts received in respect of Available Revenue Receipts or Available Principal Receipts; and
- (c) any amounts received in the circumstances described in this Section 6.3 other than pursuant to Section 6.3(1)(b) which are not applied to pay a replacement Swap Provider to enter into a replacement Swap Agreement will be credited to the Revenue Ledger and applied as Available Revenue Receipts in accordance with this Article 6 on the next succeeding Guarantor Payment Date.

Section 6.4 Guarantee Priority of Payments.

- (1) If a Notice to Pay is served on the Partnership, the Managing GP will on the relevant Final Maturity Date for any Series of Hard Bullet Covered Bonds, apply the funds standing to the credit of the Pre-Maturity Liquidity Ledger in respect of such Series of Hard Bullet Covered Bonds (and, if applicable, transferred to the Transaction Account on the relevant Guarantor Payment Date) to repay such Series of Hard Bullet Covered Bonds.
- (2) Subject to Section 6.4(1), at any time after the service of a Notice to Pay on the Partnership, but prior to service of a Guarantor Acceleration Notice:
 - (a) on each Guarantor Payment Date, the Managing GP (or the Cash Manager on its behalf) will transfer Available Revenue Receipts and Available Principal Receipts from the Revenue Ledger, the Reserve Ledger, the Principal Ledger or the Capital Account Ledger, as the case may be, to the Payment Ledger, in an amount equal to the lower of (a) the amount required to make the payments set out in Schedule 7 (the “**Guarantee Priority of Payments**”); and (b) the amount of all Available Revenue Receipts and Available Principal Receipts standing to the credit of such Ledgers;

- (b) the Managing GP (or the Cash Manager on its behalf) will create and maintain ledgers for each Series of Covered Bonds and record amounts allocated to such Series of Covered Bonds in accordance with paragraph (g) of Schedule 7, and such amounts, once allocated, will only be available to pay amounts due under the obligations of the Partnership in respect of the Covered Bond Guarantee and amounts due in respect of the relevant Series of Covered Bonds under the Covered Bond Swap Agreement on the scheduled repayment dates thereof; and
 - (c) on each Guarantor Payment Date after the service of a Notice to Pay on the Partnership (but prior to the occurrence of a Guarantor Event of Default), the Partnership (or the Cash Manager on its behalf) will apply Available Revenue Receipts and Available Principal Receipts to make the payments, provisions or credits set forth in the Guarantee Priority of Payments in the order of priority set forth therein (in each case only if and to the extent that payments or provisions of a higher priority have been made in full).
- (3) At any time after the service of a Guarantor Acceleration Notice but prior to the Covered Bonds having been repaid, the terms of the Security Agreement provide that all moneys received or recovered by the Bond Trustee (or a receiver appointed on its behalf) (excluding all amounts due or to become due in respect of any Third Party Amounts) will be applied following the enforcement of the Security in accordance with the Post-Enforcement Priority of Payments set out in the Security Agreement.

Section 6.5 Priority of Payments when Covered Bonds Repaid.

From the date when either (a) the Covered Bonds have been irrevocably and fully repaid and the Security constituted by the Security Agreement has been released by the Bond Trustee; or (b) the Bond Trustee is satisfied that the Partnership has cash standing to the credit of the GDA Account equal to the Required Redemption Amount in respect of each Series of Covered Bonds outstanding, all remaining amounts standing to the credit of the Guarantor Accounts (excluding all amounts required to repay higher ranking amounts in the relevant Priority of Payment pursuant to this Article 6) shall be allocated and paid by the Managing GP (or the Cash Manager on its behalf) in accordance with Schedule 8.

ARTICLE 7 SALE OF SELECTED LOANS

Section 7.1 Sale of Selected Loans.

- (1) Sales of Selected Loans shall at all times be subject to the rights of pre-emption enjoyed by the Seller pursuant to the terms of the Mortgage Sale Agreement.
- (2) At any time that no Asset Coverage Test Breach Notice is outstanding, the Pre-Maturity Test has not been breached and no Covered Bond Guarantee Activation Event has occurred, the Partnership may sell Selected Loans provided it is in compliance with the Asset Coverage Test and the Pre-Maturity Test and will, following such sale, remain in compliance with the Asset Coverage Test and the Pre-Maturity Test and for greater

certainty, the proceeds from such sale may be held by the Cash Manager on behalf of the Partnership prior to a downgrade by one or more of the Rating Agencies of the unsecured, unsubordinated and unguaranteed debt obligations or issuer default rating of the Cash Manager below the Cash Management Deposit Ratings and following such a downgrade deposited in the GDA Account. Any such sale shall be made in accordance with Schedule 9.

- (3) At any time an Asset Coverage Test Breach Notice is outstanding or a Notice to Pay has been served on the Partnership, but prior to the service of a Guarantor Acceleration Notice, unless the Asset Coverage Test breach is otherwise cured, the Partnership shall sell Selected Loans in accordance with Schedule 9, subject to the rights of pre-emption enjoyed by the Seller to buy the Selected Loans pursuant to the terms of the Mortgage Sale Agreement and subject to additional advances on the Intercompany Loan and any Cash Capital Contribution made by the Limited Partner, made in accordance with this Agreement.
- (4) The Partnership will through a tender process appoint a portfolio manager of recognized standing on a basis intended to incentivise the portfolio manager to achieve the best price for the sale of the Selected Loans (if such terms are commercially available in the market) to advise it in relation to the sale of the Selected Loans to Purchasers (except where the Seller is buying the Selected Loans in accordance with its right of pre-emption in the Mortgage Sale Agreement). The terms of the agreement giving effect to the appointment in accordance with such tender shall be approved by the Bond Trustee.
- (5) Any sale of Selected Loans will not include any representations, warranties or indemnities from the Partnership in respect of such Loans and their Related Security.
- (6) The terms of any sale and purchase agreement with respect to the sale of Selected Loans (which shall give effect to the recommendations of the portfolio manager) will be subject to the prior written approval of the Bond Trustee. The Bond Trustee will not be required to release the Selected Loans from the Security unless the conditions relating to the release of the Security as set out in the Security Agreement are satisfied.
- (7) The proceeds from any sale of Selected Loans shall be credited to the GDA Account to be applied in accordance with Article 6 (Priorities of Payments).

Section 7.2 Sale of Selected Loans Following a Breach of the Pre-Maturity Test.

- (1) Following a breach of the Pre-Maturity Test in respect of a Series of Hard Bullet Covered Bonds, and unless the Pre-Maturity Liquidity Ledger is otherwise funded from other sources pursuant to subsections (a) through (c) below, the Partnership shall sell Selected Loans to Purchasers in accordance with Schedule 9, subject to:
 - (a) any right of pre-emption of the Seller pursuant to the terms of the Mortgage Sale Agreement;
 - (b) a Capital Contribution in Kind made by one or more of the Partners (as recorded in the Capital Account Ledger for such Partners) of Pre-Maturity Liquidity

Eligible Assets in accordance with this Agreement with an aggregate principal amount up to the Pre-Maturity Liquidity Required Amount (which shall be a credit to the Pre-Maturity Liquidity Ledger); or

- (c) Cash Capital Contributions made by one or more of the Partners (as recorded in the Capital Account Ledger for each applicable Partner) or proceeds advanced under the Intercompany Loan Agreement which have not been applied to acquire further Loans and their Related Security or otherwise applied in accordance with this Agreement and/or the other Transaction Documents with an aggregate principal amount up to the Pre-Maturity Liquidity Required Amount (which shall be a credit to the Pre-Maturity Liquidity Ledger).
- (2) If the Pre-Maturity Test in respect of any Series of Hard Bullet Covered Bonds is breached less than six months prior to the Final Maturity Date of that Series of Hard Bullet Covered Bonds, an Issuer Event of Default will occur if the Partnership has not taken the required action as described in Section 7.2(1) within the earlier to occur of (i) 10 Canadian Business Days from the date that the Issuer is notified of the breach of the Pre-Maturity Test and (ii) the Final Maturity Date of that Series of Hard Bullet Covered Bonds.
 - (3) To cure a Pre-Maturity Test breach within the period described in (2) above, the Pre-Maturity Liquidity Ledger shall be funded so that by the end of such period, there will be an amount equal to the Pre-Maturity Liquidity Required Amount standing to the credit of the Pre-Maturity Liquidity Ledger.
 - (4) The proceeds of sale of Selected Loans in accordance with this Section 7.2 shall be credited to the GDA Account with a corresponding credit to the Pre-Maturity Liquidity Ledger.
 - (5) In certain circumstances, Revenue Receipts will also be available to repay a Hard Bullet Covered Bond in accordance with Schedule 5.
 - (6) Failure by the Issuer to pay the full amount due in respect of a Series of Hard Bullet Covered Bonds on the Final Maturity Date thereof, subject to applicable cure periods, will constitute an Issuer Event of Default.
 - (7) If the Issuer and/or the Partnership fully repay the relevant Series of Hard Bullet Covered Bonds on the Final Maturity Date thereof, cash standing to the credit of the Pre-Maturity Liquidity Ledger on the GDA Account will be applied by the Partnership in accordance with the Pre-Acceleration Principal Priority of Payments, unless:
 - (a) the Issuer is failing the Pre-Maturity Test in respect of any other Series of Hard Bullet Covered Bonds, in which case the cash will remain on the Pre-Maturity Liquidity Ledger in order to provide liquidity for that other Series of Hard Bullet Covered Bonds; or
 - (b) the Issuer is not failing the Pre-Maturity Test in respect of any other Series of Hard Bullet Covered Bonds, but the Cash Manager elects to retain the cash on the

Pre-Maturity Liquidity Ledger in order to provide liquidity for any future Series of Hard Bullet Covered Bonds.

Section 7.3 Sale of Selected Loans After a Demand Loan Repayment Event has Occurred or the Issuer has Otherwise Demanded that the Demand Loan be Repaid.

If, prior to the service of an Asset Coverage Test Breach Notice or a Notice to Pay, a Demand Loan Repayment Event has occurred or the Issuer has demanded that the Demand Loan be repaid, the Partnership may either (a) sell Selected Loans in accordance with Schedule 9, subject to the rights of pre-emption enjoyed by the Seller to purchase the Selected Loans pursuant to the terms of the Mortgage Sale Agreement, or (b) make a Payment in Kind in accordance with the terms of the Intercompany Loan Agreement. Any such sale or Payment in Kind will be subject to the condition that the Asset Coverage Test will be satisfied following the receipt or deemed receipt of the proceeds of such sale or Payment in Kind and repayment, and after giving effect to such repayment.

Section 7.4 Liquidity Options following an Issuer Event of Default.

In addition to the obligations of the Partnership provided in this Article 7, if, following the service of a Notice to Pay on the Partnership, the Partnership has insufficient cash to meet its obligations to pay any Guaranteed Amounts that are due, the Partnership may:

- (1) borrow money and grant a Security Interest over the Portfolio to and in favour of the lender thereof ranking *pari passu* with Covered Bondholders (provided the Partnership has provided at least 10 Canadian Business Days' prior written notice of such borrowing and grant of security to DBRS, if DBRS is a Rating Agency);
- (2) issue additional securities which may be secured by a Security Interest over the Portfolio ranking *pari passu* with Covered Bondholders; and
- (3) enter into repurchase arrangements in respect of the Covered Bonds.

Section 7.5 Voluntary Overcollateralization

From time to time, the Partnership may hold Loans and Related Security, Substitution Assets and cash with a value in excess of the value required to satisfy the coverage tests prescribed by this Agreement, the other Transaction Documents and the CMHC Guide, including the Asset Coverage Test and/or the Amortization Test, as applicable. Such excess collateral is the “**Voluntary Overcollateralization**”. Subject to compliance by the Partnership with this Agreement, the other Transaction Documents, the Asset Coverage Test and/or the Amortization Test, as applicable, and the CMHC Guide, the Partnership may from time to time:

- (a) apply cash (in an amount up to the Voluntary Overcollateralization) to the repayment of any loan advanced by the Issuer, including the Intercompany Loan;
- (b) distribute cash in an amount up to the Voluntary Overcollateralization to the Partners; and

- (c) agree with the Seller to substitute assets owned by the Partnership with other Loans and Related Security and/or Substitution Assets that in each case comply with the terms of the Transaction Documents, the CMHC Guide and the Covered Bond Legislative Framework.

Section 9.7 Investing in Substitution Assets.

- (1) At any time that no Asset Coverage Test Breach Notice is outstanding and prior to a Notice to Pay having been served on the Partnership, the Partnership may invest in and hold Substitution Assets, provided that the aggregate value of the Substitution Assets held by the Partnership does not at any time exceed 10% of the aggregate value of (x) the aggregate loan balance of the Loans in the Portfolio; (y) the face value of any Substitution Assets; and (z) the aggregate cash balances held by the Partnership (subject to the Prescribed Cash Limitation), and provided that such investments are made in accordance with the terms of the Cash Management Agreement and subject to Article 6 (Priorities of Payments).

Section 9.8 Prescribed Cash Limitation

- (1) The maximum amount of cash which may be held by the Partnership (the “**Prescribed Cash Limitation**”) being equal to (i) the amount necessary to meet its payment obligations for the immediately succeeding six months pursuant to the terms of the Transaction Documents, or (ii) such greater amount of cash as CMHC may at its discretion permit in accordance with the Covered Bond Legislative Framework and the CMHC Guide; provided that to the extent that cash receipts of the Partnership cause it to hold cash in excess of the amount specified in clause (i), the Partnership will not be in breach of this covenant if it uses such excess amount (x) to purchase New Loans and their Related Security for the Portfolio pursuant to the terms of the Mortgage Sale Agreement; and/or (y) to invest in Substitution Assets in an amount not exceeding the prescribed limit under the CMHC Guide; and/or (z) subject to complying with the Asset Coverage Test and/or the Amortization Test, as applicable, to make Capital Distributions to the Limited Partner, in each case, within 31 days of receipt.
- (2) For greater certainty, amounts standing to the credit of the Pre-Maturity Liquidity Ledger and the Reserve Fund (other than, in each case, those amounts that constitute Substitution Assets) constitute cash and are subject to the Prescribed Cash Limitation.
- (3) In the event that the Partnership is required to fund the Pre-Maturity Liquidity Ledger and/or the Reserve Fund in accordance with the Transaction Documents and such funding would cause the Partnership to hold cash in excess of the Prescribed Cash Limitation, any cash held by the Partnership in excess of such cash standing to the credit of the Pre-Maturity Liquidity Ledger and the Reserve Fund may be used in accordance with clauses

(x), (y) and (z) in paragraph (1) above. In the event that the Partnership is in breach of the Prescribed Cash Limitation and either (i) it does not hold any cash other than the amounts it is required to hold in order to fund the Pre-Maturity Liquidity Ledger and the Reserve Fund in accordance with the Transaction Documents, or (ii) a Notice to Pay has been served on the Partnership, the Partnership may request that CMHC, in accordance with the discretion granted to it under the Covered Bond Legislative Framework and the CMHC Guide, permit the Partnership to hold such amount of cash in excess of the Prescribed Cash Limitation as may be required to allow it to comply with the Transaction Documents in the circumstances.

- (2) Notwithstanding the foregoing, Swap Agreements entered into as required pursuant to Section 9.9(a) may be structured to allow for the postponement of cash flows thereunder until the Covered Bond Swap Effective Date or the Interest Rate Swap Effective Date, as applicable.

Section 9.10 Notices to CMHC re: Swap Agreements

- (1) The Partnership shall provide notice to CMHC of the termination (or novation) of each Swap Agreement contemporaneously with the earlier of (i) notice of such termination (or novation) to a Rating Agency, (ii) notice of such termination (or novation) being provided to or otherwise made available to Covered Bondholders and (iii) five Canadian Business Days following such termination (or novation). Any such notice shall include the reasons for the termination (or novation) and, if the applicable Swap Agreement has been novated, all information relating to the replacement Swap Provider required by the CMHC Guide and the documentation governing such novated Swap Agreement.
- (2) In the event that a Ratings Trigger under a Swap Agreement is breached and the obligations of the applicable Swap Provider are guaranteed by another entity, the Partnership shall forthwith notify CMHC of the identity of such guarantor and the ratings by each of the Rating Agencies of the short-term, unsecured, unsubordinated and unguaranteed debt obligations of such guarantor.

ARTICLE 10

The names and addresses of the Limited Partner(s) as reflected from time to time in the Partnership Record, as from time to time amended, will be conclusive as to such facts for all purposes of the Partnership.

- (2) In addition to the requirements set forth in Section 10.1(1), any new Limited Partner (except a Subsidiary of the Limited Partner, provided such Subsidiary is not a Non-Resident) shall while there are Covered Bonds outstanding:
 - (a) accede to the terms of the Mortgage Sale Agreement (with such subsequent amendments as may be agreed by the parties thereto) or enter into a new mortgage sale agreement with the Partnership and the Bond Trustee, in each case so that it has, in relation to New Loans and their Related Security to be sold by such new Limited Partner, substantially the same rights and obligations as the Limited Partner had in relation to those Loans and their Related Security (as applicable) comprised in the Initial Portfolio under the Mortgage Sale Agreement;
 - (b) accede to the Dealership Agreement and enter into such other documents as may be required by the Bond Trustee and/or the Partnership to give effect to the addition of such new Limited Partner to the transactions contemplated under the Program;

 - (d) procure that either the Servicer services the New Loans and their Related Security sold by the new Limited Partner on the terms set out in the Servicing Agreement (with such subsequent amendments as may be agreed by the parties thereto) or the

new Limited Partner (or its nominee) enter into a servicing agreement with the Partnership and the Bond Trustee which sets out the servicing obligations of the new Limited Partner (or its nominee) in relation to the New Loans and their Related Security and which is on terms substantially similar to the terms set out in the Servicing Agreement (the fees, if any, payable to the Servicer or the new Limited Partner (or its nominee) acting as servicer of such New Loans and their Related Security would be determined on the date of the accession of such new Limited Partner to the Program); and

- (e) while there are Covered Bonds outstanding, procure written confirmation from the Bond Trustee that it is satisfied that the accession of such new Limited Partner to the Partnership will not prejudice the Asset Coverage Test and is not materially prejudicial to Covered Bondholders.
- (3) Upon receipt of any notice in writing from any Partner complying with the terms of this Agreement and requiring the updating of the Partnership Record or any similar document or instrument or other filing under the LP Act or legislation similar to the LP Act in other provinces and territories, the Managing GP shall prepare, file and record such update in the Partnership Record or other document or instrument or other filing.

Each Partner acknowledges that the distribution paid pursuant to paragraph (l) above to such Partner represents a reasonable commercial return to the Partner from its involvement in the Partnership and also agrees that such profits will not be paid to the Partners at a time when they know or ought to know that there was no reasonable prospect of avoiding an insolvent liquidation of the Partnership as a result of such profit distribution.

Schedule 9

Method for Sale of Selected Loans

- (1) Before offering Selected Loans for sale in accordance with this Schedule 9, the Partnership shall ensure that:
 - (a) Such Selected Loans are Randomly Selected Loans;
 - (b) the Selected Loans have an aggregate True Loan Balance in an amount (the “**Required True Loan Balance Amount**”) which is as close as possible to the amount calculated as follows:
 - (i) following a Demand Loan Repayment Event or the Demand Loan being demanded by the Intercompany Loan Provider but prior to the service of an Asset Coverage Test Breach Notice, such amount that would ensure that, if the Selected Loans were sold at their True Loan Balance, the Demand Loan as calculated on the date of the demand could be repaid, subject to the satisfaction of the Asset Coverage Test; or
 - (ii) following the service of an Asset Coverage Test Breach Notice (but prior to service of a Notice to Pay), such amount that would ensure that, if the Selected Loans were sold at their True Loan Balance, the Asset Coverage Test would be satisfied on the next Calculation Date taking into account the payment obligations of the Partnership on the Payment Date following that Calculation Date (assuming for this purpose that the Asset Coverage Test Breach Notice is not revoked on the next Calculation Date); or
 - (iii) following a breach of the Pre-Maturity Test or service of a Notice to Pay on the Partnership:

$$N \times A/B$$

where:

“N” is an amount equal to:

- (x) in respect of Selected Loans being sold following a breach of the Pre-Maturity Test, the Pre-Maturity Liquidity Required Amount less amounts standing to the credit of the Pre-Maturity Liquidity Ledger; or
- (y) in respect of Selected Loans being sold following service of a Notice to Pay, the Canadian Dollar Equivalent of the Required Redemption Amount of the Earliest Maturing Covered Bonds less amounts standing to the credit of the Guarantor Accounts and the principal amount of any Substitution Assets (excluding all amounts to be applied on the next following Guarantor Payment Date to repay higher ranking amounts in the Guarantee Priority of Payments and those amounts that are required to

repay any Series of Covered Bonds which mature prior to or on the same date as the relevant Series of Covered Bonds),

“A” is an amount equal to the True Loan Balance of all the Loans and their Related Security in the Portfolio; and

“B” is an amount equal to the Canadian Dollar Equivalent of the Required Redemption Amount in respect of each Series of Covered Bonds then outstanding less the Canadian Dollar Equivalent of the Required Redemption Amount in respect of each Series of Covered Bonds then outstanding which has been provided for in cash.

- (2) The Partnership will offer the Selected Loans for sale to Purchasers for the best price reasonably available but in any event:
- (a) following (i) a Demand Loan Repayment Event, the Demand Loan being demanded by the Intercompany Loan Provider or (ii) the service of an Asset Coverage Test Breach Notice (but prior to the service of a Notice to Pay), in each case, for an amount not less than the True Loan Balance of the Loans and their Related Security;
 - (b) following a breach of the Pre-Maturity Test or service of a Notice to Pay, for an amount not less than the Adjusted Required Redemption Amount; and
 - (c) if such sale is being conducted pursuant to Section 7.1(2), for an amount not less than the Fair Market Value of the Loans and their Related Security.
- (3) For purposes of the foregoing:

“**Adjusted Required Redemption Amount**” means, the Canadian Dollar Equivalent of the Required Redemption Amount, plus or minus the Canadian Dollar Equivalent of any swap termination amounts payable under the Covered Bond Swap Agreement to or by the Partnership in respect of the relevant Series of Covered Bonds less (where applicable) amounts held by the Cash Manager for and on behalf of the Partnership and amounts standing to the credit of the Guarantor Accounts and the Canadian Dollar Equivalent of the principal balance of any Substitution Assets (excluding all amounts to be applied on the next following Guarantor Payment Date to repay higher ranking amounts in the Guarantee Priority of Payments and those amounts that are required to repay any Series of Covered Bonds which mature prior to or on the same date as the relevant Series of Covered Bonds) plus or minus any swap termination amounts payable to or by the Partnership under the Interest Rate Swap Agreement in respect of the relevant Series of Covered Bonds, determined on a *pro rata* basis amongst all Series of Covered Bonds according to the respective Principal Amount Outstanding thereof, minus amounts standing to the credit of the Pre-Maturity Liquidity Ledger that are not otherwise required to provide liquidity for any Series of Hard Bullet Covered Bonds which mature within 12 months of the date of such calculation; and

“**Required Redemption Amount**” means, in respect of a Series of Covered Bonds, the amount calculated as follows:

the Principal Amount Outstanding of the relevant Series of Covered Bonds x (1+ Negative Carry Factor) x (days to maturity of the relevant Series of Covered Bonds/365)

- (4) Following service of a Notice to Pay on the Partnership, if the Selected Loans have not been sold (in whole or in part) in an amount equal to the Adjusted Required Redemption Amount by the date which is six months prior to, as applicable:
- (a) the Final Maturity Date (where the Covered Bonds are not subject to an Extended Due for Payment Date in respect of the Covered Bond Guarantee);
 - (b) the Extended Due for Payment Date in respect of the Earliest Maturing Covered Bonds (after taking into account all payments, provisions and credits to be made in priority thereto) (where the Covered Bonds are subject to an Extended Due for Payment Date in respect of the Covered Bond Guarantee); or
 - (c) the Final Maturity Date of the relevant Series of Hard Bullet Covered Bonds (where the sale is in connection with the Pre-Maturity Test),

then the Partnership will offer the Selected Loans for sale for the best price reasonably available notwithstanding that such amount may be less than the Adjusted Required Redemption Amount.

- (5) In respect of any sale or refinancing (as applicable) of Selected Loans at any time an Asset Coverage Test Breach Notice is outstanding, there has been a breach of the Pre-Maturity Test, or a Notice to Pay has been served, the Partnership will instruct the portfolio manager to use all reasonable endeavours to procure that Selected Loans are sold or refinanced (as applicable) as quickly as reasonably practicable (in accordance with the recommendations of the portfolio manager), taking into account the market conditions at that time and the scheduled repayment dates of the Covered Bonds and the terms of this Agreement.
- (6) Following the service of a Notice to Pay, if Purchasers accept the offer or offers from the Partnership so that some or all of the Selected Loans shall be sold prior to the next following Final Maturity Date or, if the Covered Bonds are subject to an Extended Due for Payment Date in respect of the Covered Bond Guarantee, the next following Extended Due for Payment Date in respect of the Earliest Maturing Covered Bonds, then the Partnership will, subject to paragraph (4) of this Schedule 9, enter into a sale and purchase agreement with the relevant Purchasers, which will require, *inter alia*, a cash payment from the relevant Purchasers.

Schedule 10
Valuation Calculation

The “**Valuation Calculation**” is equal to the VC Asset Value (as defined below) minus the Trading Value of the aggregate Principal Amount Outstanding of the Covered Bonds as calculated on the relevant Calculation Date. For greater certainty, references in this Schedule to “immediately preceding Calculation Date” and “previous Calculation Date” are to the Calculation Period ending on the Calculation Date.

For the purposes of the Valuation Calculation, the “**VC Asset Value**” means the amount calculated as at each Calculation Date as follows:

$$A+B+C+D+E+F$$

where,

A = the aggregate “**LTV Adjusted Loan Present Value**” of (i) each Loan that is a Performing Eligible Loan, which shall be the lower of (1) the Present Value of the relevant Loan on such Calculation Date, and (2) 80% multiplied by the Latest Valuation relating to that Loan, and (ii) each Loan that is not a Performing Eligible Loan, which shall be equal to zero

minus

the aggregate sum of the following deemed reductions to the aggregate LTV Adjusted Loan Present Value of the Performing Eligible Loans in the Portfolio if any of the following occurred during the previous Calculation Period:

- (1) a Loan or its Related Security was, in the immediately preceding Calculation Period, in breach of the Loan Representations and Warranties contained in the Mortgage Sale Agreement or subject to any other obligation of the Seller to repurchase the relevant Loan and its Related Security, and in each case the applicable Seller has not repurchased the Loan or Loans of the relevant Borrower and its or their Related Security to the extent required by the terms of the Mortgage Sale Agreement. In this event, the aggregate LTV Adjusted Loan Present Value of the Loans in the Portfolio on such Calculation Date will be deemed to be reduced by an amount equal to the LTV Adjusted Loan Present Value of the relevant Loan or Loans on such Calculation Date of the relevant Borrower; and/or
- (2) a Seller, in any preceding Calculation Period, was in breach of any other material warranty under the Mortgage Sale Agreement and/or the Servicer was, in any preceding Calculation Period, in breach of a material term of the Servicing Agreement. In this event, the aggregate LTV Adjusted Loan Present Value of the Loans in the Portfolio on such Calculation Date will be deemed to be reduced by an amount equal to the resulting financial loss incurred by the Partnership in the immediately preceding Calculation Period (such financial loss to be calculated by the Cash Manager without double counting and to be reduced by any amount paid (in cash or in kind) to the Partnership by the applicable Seller to indemnify the Partnership for such financial loss);

B = the aggregate amount of any Principal Receipts on the Loans and their Related Security up to such Calculation Date (as recorded in the Principal Ledger) which have not been applied as at such Calculation Date to acquire further Loans and their Related Security or otherwise applied in accordance with Article 6 (Priorities of Payments) and/or the other Transaction Documents;

C = the aggregate amount of (i) any Cash Capital Contributions made by the Partners (as recorded in the Capital Account Ledger for each Partner of the Partnership), (ii) proceeds advanced under the Intercompany Loan Agreement, (iii) proceeds from any sale of Selected Loans, or (iv) other cash exclusive of Revenue Receipts, which, in each case, have not been applied as at such Calculation Date to acquire further Loans and their Related Security or otherwise applied in accordance with Article 6 (Priorities of Payments) and/or the other Transaction Documents;

D = the Trading Value of any Substitution Assets;

E = the balance, if any, of the Reserve Fund and the Pre-Maturity Liquidity Ledger;
and

F = the Trading Value of the Swap Collateral.
