

The more you save, the more you earn.

From March 1, 2025 to June 30, 2025 (the “**Promotion Period**”), earn a Promotional Interest Rate (as defined below) on new deposits of \$10,000 or more made to your new BMO Canadian dollar Business Premium Rate Savings (“**BPRS**”) account¹ (the “**Promotional Rate Offer**”).

To qualify for this Promotional Rate Offer you must:

- 1 Be a Canadian Business Banking Customer¹ and open a new qualifying Canadian BPRS account² during the Promotion Period **and**
- 2 Deposit and maintain a minimum of \$10,000 or more into that account during the Promotion Period (“**Qualifying New Deposits**”)³

Interest calculation and payment:

Once these requirements are met, we will apply the following promotional interest rates:

- From March 1, 2025 to April 30, 2025, receive a promotional interest rate of 3.50%⁴ on Qualifying New Deposits balances between \$10,000 to \$50,000,000 (“**Promotional Rate 1**”).

Qualifying New Deposits balances will begin to earn the applicable promotional interest rate as of the date of deposit and for the duration that the new deposits are left in the account. The Promotional Interest Rates will be calculated on the daily account closing balance and paid monthly at the end of the month.

During the Promotion Period, the Promotional Interest Rates and the standard BPRS interest rates will not apply to deposit balances between \$0-\$9999.99 or over \$50,000,000 in a Canadian BPRS account that qualifies for the Promotional Rate Offer.

Starting from July 1, 2025, the BPRS account, including Qualifying New Deposits, will earn the standard BPRS interest at the posted rate on display at any BMO branch and available online.⁶
