

Online Banking for Business

eStatements

eStatements offer you the freedom to view, download or print your compensation and account statements through Online Banking for Business – a simple and secure online platform to access your cash management services

eStatements can help your business save time, money and the environment through:

Faster Availability — eStatements are available within 24 hours of being issued¹, and are retained for up to seven years. This means you can review, reconcile and track your company's finances at your own convenience.

More Flexibility — There's no need to change your current statement cycle, whether it's daily, weekly, or monthly. eStatements are available whenever you need them, ensuring better control of your company's finances.

Convenient Access — Account and compensation statements can be downloaded in PDF² format, while compensation statements are available in CSV (Excel) format, making it easy to share them with your colleagues.

Added Security — All Online Banking for Business services are protected by a multi-level security system that employs user IDs, passwords and 256-bit encryption.

Being Environmentally Friendly — eStatements reduce paper consumption and the carbon emissions used to deliver them, making your company a contributor towards a better environment.

Enrolling for eStatements is easy:
