

Mobile Wire Approvals

We are bringing the bank to you. Online Banking for Business is a leading, fully-integrated online platform that offers you seamless, simple and secure access to your cash management services.

Now it offers you the freedom to make informed decisions away from the office by introducing Mobile Wire Approvals.

Simply Better for Business

Our Mobile Wire Approvals service allows you to action pending wire payments safely and securely, from anywhere at anytime¹. Whether it's on an iPhone[®] mobile device or a BlackBerry^{®†} smartphone, you can approve Canadian or US wire payments on the go².

Easy to Use, Easy to Register

Simply access our browser-based Mobile Banking for Business site using your handheld mobile device, then sign in using your Online Banking for Business ID.

Our Mobile Wire Approval service provides you with the ability to:

- Sign in to Mobile Banking for Business anywhere, anytime^{1,3}
- Review your pending wire payments; and
- Approve one or multiple wire payment transactions in real time³.

Customer administrators can easily register their company for Mobile Wire Approvals through Online Banking for Business, and entitle other users to the service. To register, simply select the **Solutions & Resources** tab, then select **Mobile Approvals** from the menu and click on **Register Now**.

Security on The Go

The safety of your banking information is important. Our Mobile Banking for Business site uses 256-bit SSL (Secure Socket Layer) encryption. Security features such as self-serve password reset and account locking capabilities are available on Online Banking for Business, as well as tips and best practices for using Mobile Banking for Business safely.

Mobile Wire Approvals is just the beginning. We will be introducing more mobile solutions down the road. For more information on Mobile Wire Approvals or Online Banking for Business, contact your BMO[®] representative.
