<sup>\*</sup> ROPS will return the sum of the eligible premiums<sup>\*\*</sup> paid on the surrendered Critical Illness Benefit amount from the Policy Date to the Option Election Date. <sup>\*\*</sup> Eligible premium includes the policy's annual premium, modal loading, policy fee, medical extras plus any ROPS/ROPX or ROPD rider premiums if elected. Refer to the policy contract for details.

## Assistance Services

### BMO Insurance•HealthAdvocate™ Plan

Innovative and comprehensive assistance services<sup>1</sup> designed exclusively for eligible BMO Insurance policyholders – Plan Members. Every Living Benefit policy includes – at no additional cost – the **BMO Insurance Health Advocate** Plan. This program includes access to medical information and services as well as personal assistance programs.

#### Medical Information and Services

This component of the **BMO Insurance Health Advocate** Plan offers your clients unlimited access to medical information and services from Teladoc Medical Experts<sup>®†</sup> – a leader when it comes to delivering world class medical advice and support. These services include:

- **Expert Medical Opinion:**

Teladoc Medical Experts will conduct an in-depth analysis of medical records and re-test pathology to establish or confirm a diagnosis and treatment plan. They will receive a comprehensive medical summary from Teladoc Medical Experts with a recommendation(s) that your client can share with their doctor.

- **Find a Doctor:**

Teladoc Medical Experts will conduct a customized search guided by your criteria and geographic preference and recommend top-rated Canadian physicians that specialize in a medical condition.<sup>2</sup>

- **Care Finder:**

Should your client need treatment outside of Canada, Teladoc Medical Experts will locate specialists or facilities outside of Canada for their treatment/condition-specific needs.<sup>2</sup>

- **Personal Health Navigator:**

Teladoc Medical Experts will help your clients navigate the Canadian health care system by providing them with medical information and resources, one-on-one support, and customized health coaching for a wide range of health related concerns – not only for a serious illness or condition. One simple phone call connects your client to a Teladoc Medical Experts Member Advocate, who can provide them with the information they need to make informed healthcare decisions.

Your clients and their immediate family members, including their spouse and children, have access to these services any time. In addition, once every three years their extended family members, including their parents, their siblings and their spouse's parents and siblings, get to access these services for FREE<sup>3</sup> without compromising your access.

#### Personal Assistance Services

This component of the BMO Insurance Health Advocate Plan offers your clients personal assistance services provided by TELUS Health, one of Canada's leading providers of these programs and includes:

- **Professional Counselling Support Services** – Caring professional counsellors are dedicated to supporting your clients through the issues that may be impacting their lives. 24/7 access to confidential, short-term clinical support is available, at no cost to them. This virtual counselling service can support your clients and their immediate dependents with concerns related to mental health, grief and loss, addictions, relationships and life changing events.
- **Dependent Care Consultation Services** – Caring personalized, caring advice as well as resources and community referrals for questions and concerns related to childcare, elder care and family related issues. From prenatal care, parenting advice, and assistance with securing daycare to gathering information related to home care services, seniors' accommodations, caregiver support groups and palliative care options, a Dependent Care Consultant partners with your clients to find answers to their unique needs.
- **Health Coaching** – Health Coaches are Registered and Occupational Health Nurses who offer practical and personalized support for a variety of health conditions and health risks. Health coaches can assist your clients by answering questions, work with them to create a risk reduction action plan and to motivate them to reach their goals.
- **Nutrition Support** – Diet can strongly affect mood, energy levels and overall health. Your clients can connect with a registered dietitian to assist them with establishing and maintaining a healthy, well-balanced diet, to focus on disease prevention and disease management, and get support with weight management and to support them with achieving their nutrition related goals.
- **Online Health and Wellness Resources** – Your clients can find answers fast, with the online wellbeing resources library including hundreds of articles, toolkits, audio recordings, wellness assessments, behavioral change programs and more. They can navigate wellbeing content, produced by industry experts, on topics related to family, health, life, money and work.
