Bonus Miles will be earned on eligible grocery store and wholesale club purchases up to a maximum of \$500 in net purchases per calendar month for each category. Miles are calculated on the total eligible cumulative purchases (less refunds) made with your BMO Debit Card that are posted to your Lead Account over a calendar month. The "Lead Account" is defined as a Canadian dollar Primary Chequing Account or Interest Chequing Account (for existing customers) and is the one you designate to pay any fees required by the AIR MILES Bank Plan, for example, your monthly Plan fees and transaction fees. Any debit card purchases on any additional accounts under the AIR MILES Bank Plan, are not eligible for Miles. BMO cannot guarantee that any merchant operating in whole or in part as a grocery store or wholesale club is classified by MCC 5411 or MCC 5300, and in no event will BMO be liable or responsible for any claims with respect to a purchase made at a merchant that is not classified by MCC 5411 or MCC 5300. Miles will be credited to your AIR MILES Collector account within 90 days after the end of the applicable statement period. The number of Miles awarded will be rounded down to the nearest whole number. Fractions of Miles will not be awarded.
- AIR MILES Bonus Miles are awarded when you maintain the minimum daily balance at all times throughout the calendar month in a Primary Chequing Account or Interest Chequing Account (for existing customers) that has been designated as the Lead Account (defined) for the AIR MILES Bank Plan. The "Lead Account" is defined as a Canadian dollar Primary Chequing Account or Interest Chequing Account (for existing customers) and is the one you designate to pay any fees required by the AIR MILES Bank Plan, for example, your monthly Plan fees and transaction fees.
