^{1B} Subject to the BMO VIPorter Terms and Conditions, VIPorter points are calculated based on purchases of goods or services charged to a BMO VIPorter Mastercard account, less any refunds or adjustments. Cash advances, cash-like transactions, interest charges, fees, payments, credit or debit adjustments and any amount other than purchases that may be charged to the account with the card, do not qualify for the issue of VIPorter points. We may establish other qualifying and non-qualifying transactions from time to time.

The flight voucher will be available 4-6 weeks after the spend requirement has been met.

The flight voucher allows up to 3 companions to accompany the primary cardholder at a 35% discount on the flight booking's base fare (does not apply to taxes, fees, charges and surcharges, which must be paid at the time of booking). The flight voucher may only be used:

- A. on flights operated by Porter Airlines (Canada) Limited and Porter Airlines Inc.;
- B. if the additional passenger(s) travelling with you are on the same itinerary; and
- C. at the time of purchase.

Flight vouchers cannot be:

- A. applied to existing reservations; nor
- B. used for bookings for more than three passengers if the additional passenger(s) travelling with you are on the same itinerary; and

Maximum of one flight voucher can be applied per booking. If one-way travel is booked, the discount voucher will be deemed fully used and the return portion of travel will be forfeited. Valid for travel at any time with no blackout periods. Also valid against the purchase of fares on sale.

The flight voucher is valid for 12 months from the date issued. The booking must be made before the voucher expiry date, but travel may occur after the voucher expiry date

subject to flight schedule availability at the time of booking. Unused flight vouchers will automatically be cancelled on the date the card account is cancelled, regardless of reason for cancellation, or if the card account is changed to a different product.

⁴ Valid for BMO VIPorter Mastercard, BMO VIPorter World Mastercard and BMO VIPorter World Elite primary and secondary cardholders and up to eight (8) additional guests travelling on the same reservation. Receive dedicated check-in, early boarding and priority security (where available).

⁵ Any VIPorter points earned, regardless of source, will not expire for as long as your BMO VIPorter Mastercard account is active - even if you have not flown or redeemed within twenty-four (24) months. If your BMO VIPorter Mastercard is cancelled, your VIPorter points will be set to expire in accordance with the VIPorter [Terms and Conditions](#).

⁶ Receive \$1 in Qualifying Spend toward your VIPorter Avid Traveller membership level for every \$25 (less refunds and excluding cash advances, cash-like transactions, interest charges, fees, credit or debit adjustments). Qualifying Spend will be credited to your account between 1-2 business days after your credit card monthly statement is prepared. For example, if your monthly statement is prepared on November 1, 2024 your Qualifying Spend will be credited by November 4, 2024 and will count towards your then-current Qualifying Spend balance.

Your Qualifying Spend is calculated by taking the sum of your purchases (less refunds and excluding cash advances, cash-like transactions, interest charges, fees, credit or debit adjustments) on your monthly statement, dividing that amount by twenty-five (25) and rounding up to the nearest whole number. To receive Qualifying Spend, your credit card account must be open and in good standing.

VIPorter Avid Traveller levels are recalculated at the end of each calendar year based on your Qualifying Spend during that year. The \$1 in Qualifying Spend for every \$25 spent on your card will contribute to your overall Qualifying Spend of that calendar year and will contribute to your VIPorter Avid Traveller progression at the time it is awarded. This benefit has no monetary or other exchange value and cannot be sold or transferred. Porter Airlines reserves the right to change or withdraw the benefit at any time.
