On cancellation of the Account, a cardholder will have 90 days in which to do either of the following: (i) redeem the points earned for one or more rewards; or (ii) reinstate the points by either reinstating the Account or opening a new Account and linking the points account that was attached to the cancelled Account to the new Account. After the ninety day period, unless the points are reinstated, any points that remain in the points account will expire. For details, please refer to the BMO Rewards Terms and Conditions for Business for further details.
- ² BMO Rewards redemptions are subject to fees and charges. For details, please see the fees, charges, and pricing policy in the BMO Rewards Terms and Conditions as well as the Important Information about BMO Mastercard cards enclosure.

Cash advances (including purchases of foreign currency or travellers cheques), interest charges, fees, credit or debit adjustments and any amount other than purchases that may be charged to the account with the card, do not qualify for points. Bank of Montreal may establish other qualifying and non-qualifying transactions from time to time.
